

sundewdream asked:

Sly! How many hours is the time difference between u and ur boyf:0?

Me and my boyf have 12 hours so we just flip the am/pm:0 it's kinda funny fkkddbd

time difference, so in a few minutes it'll be 9 AM for him.

I stay up really late just so we can talk. He does too. Our sleep schedules are so messed up for each other...

trickyhofnarr asked:

TOO .

where are ya going?

We're doing something really exciting... we're going to a place called the Weird Wide Web National Museum of Internet Culture!

It's basically a museum that documents every recorded internet subculture, from art communities to social media history and online games and forums, all sorts of things.

Old internet stuff is one of my biggest interests ever and I've wanted to go here for ages!

trickyhofnarr asked:

TOO.

where are ya going?

"#1 Orbemon Fan"

Hi Sly!!! Happy hatchday!!!

HELLO CARL!!! :D How are you? :]

geencream asked:

hai carl how tall are you

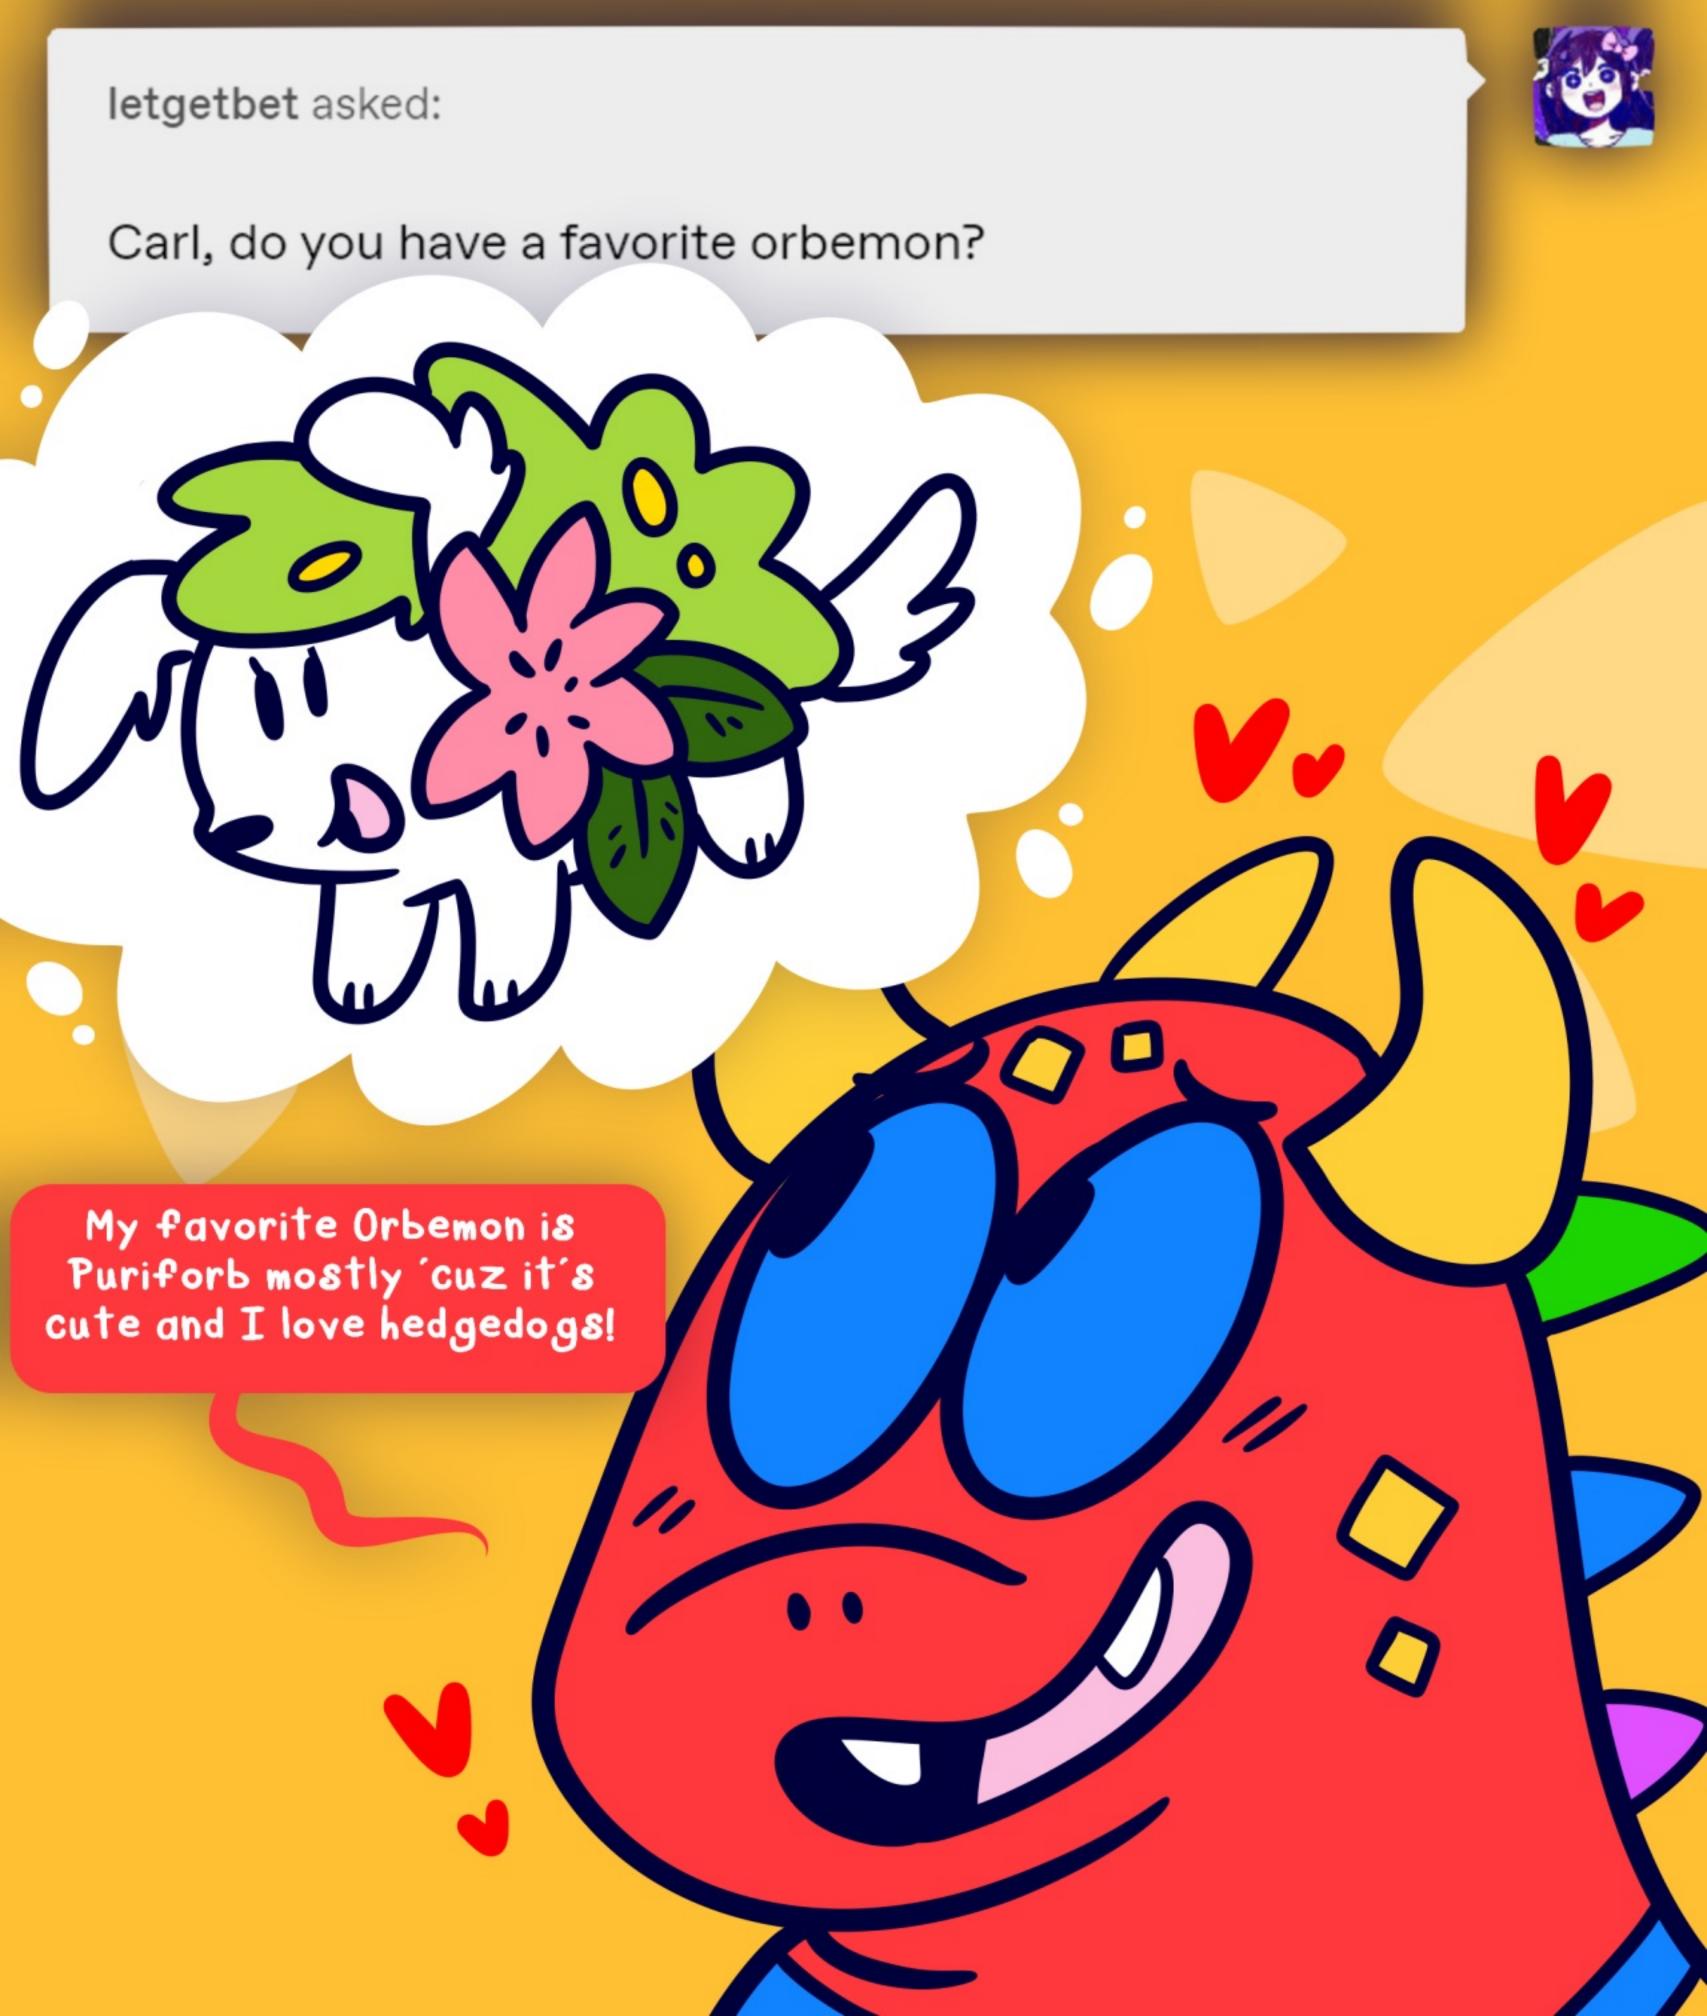

sillyfunny asked:

Carl what's your favorite orbemon and what's your favorite orite orbemon game this is very important i assure you

sinnamonsters asked:

Carl, what is the rarest Orbemon card that you own?

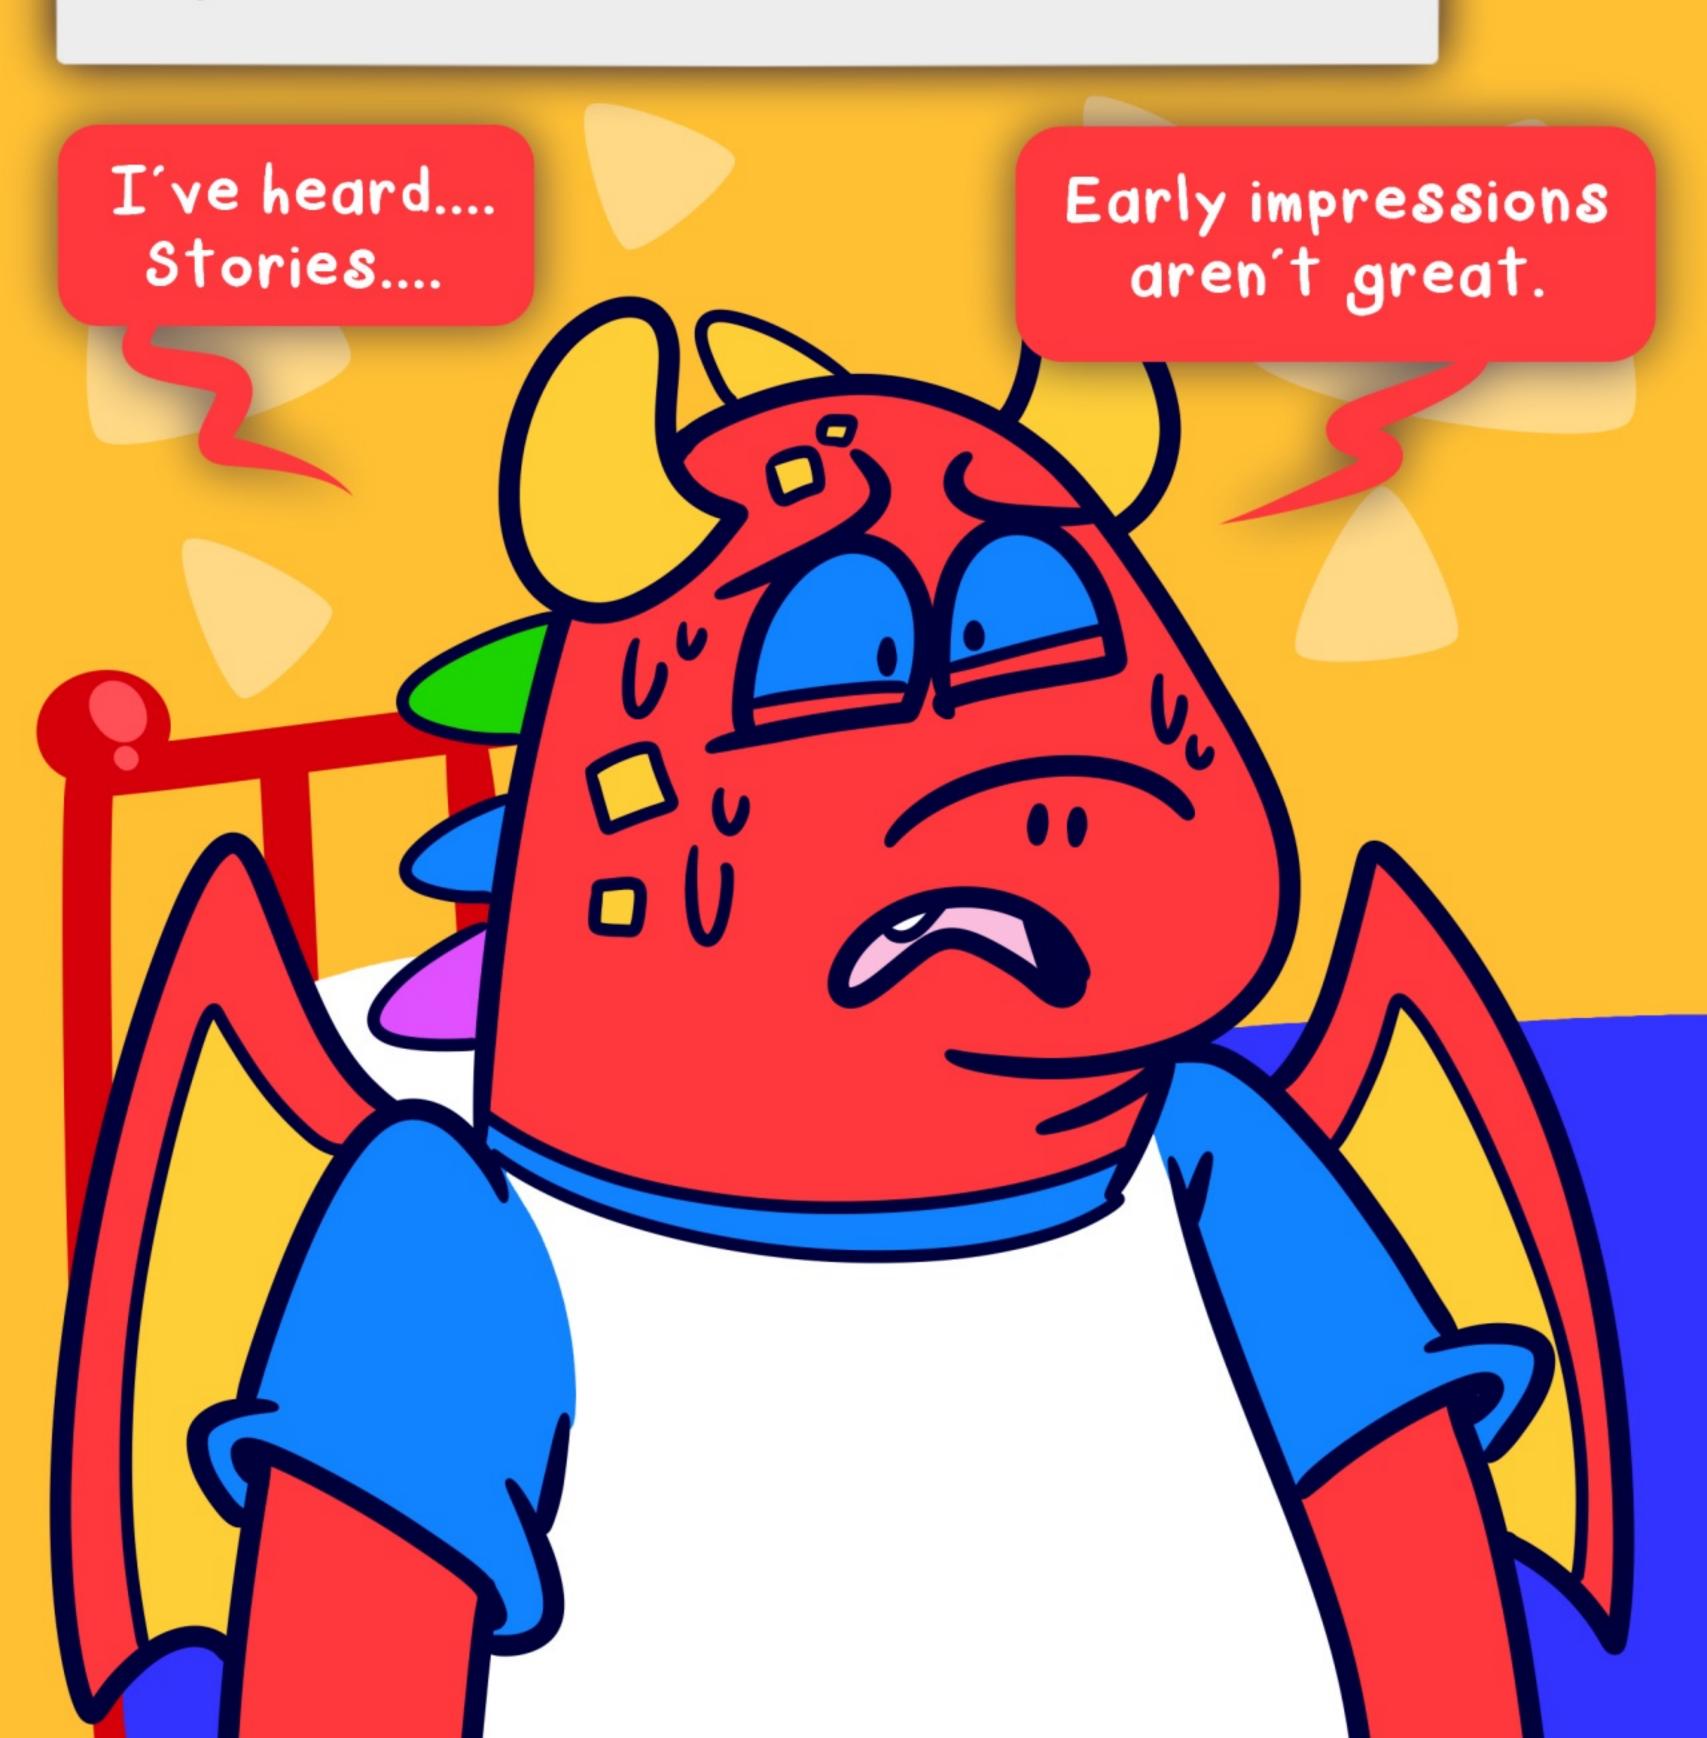

The rarest card I have is the 5996 Orbemon Base Set Holo Venusorb! I found it at a garage sale when I was a kid. The owner didn't know the value, and I didn't either. I just thought it was cool!!!

this-is-fox-speaking asked:

carl, do YOU know who levi is??

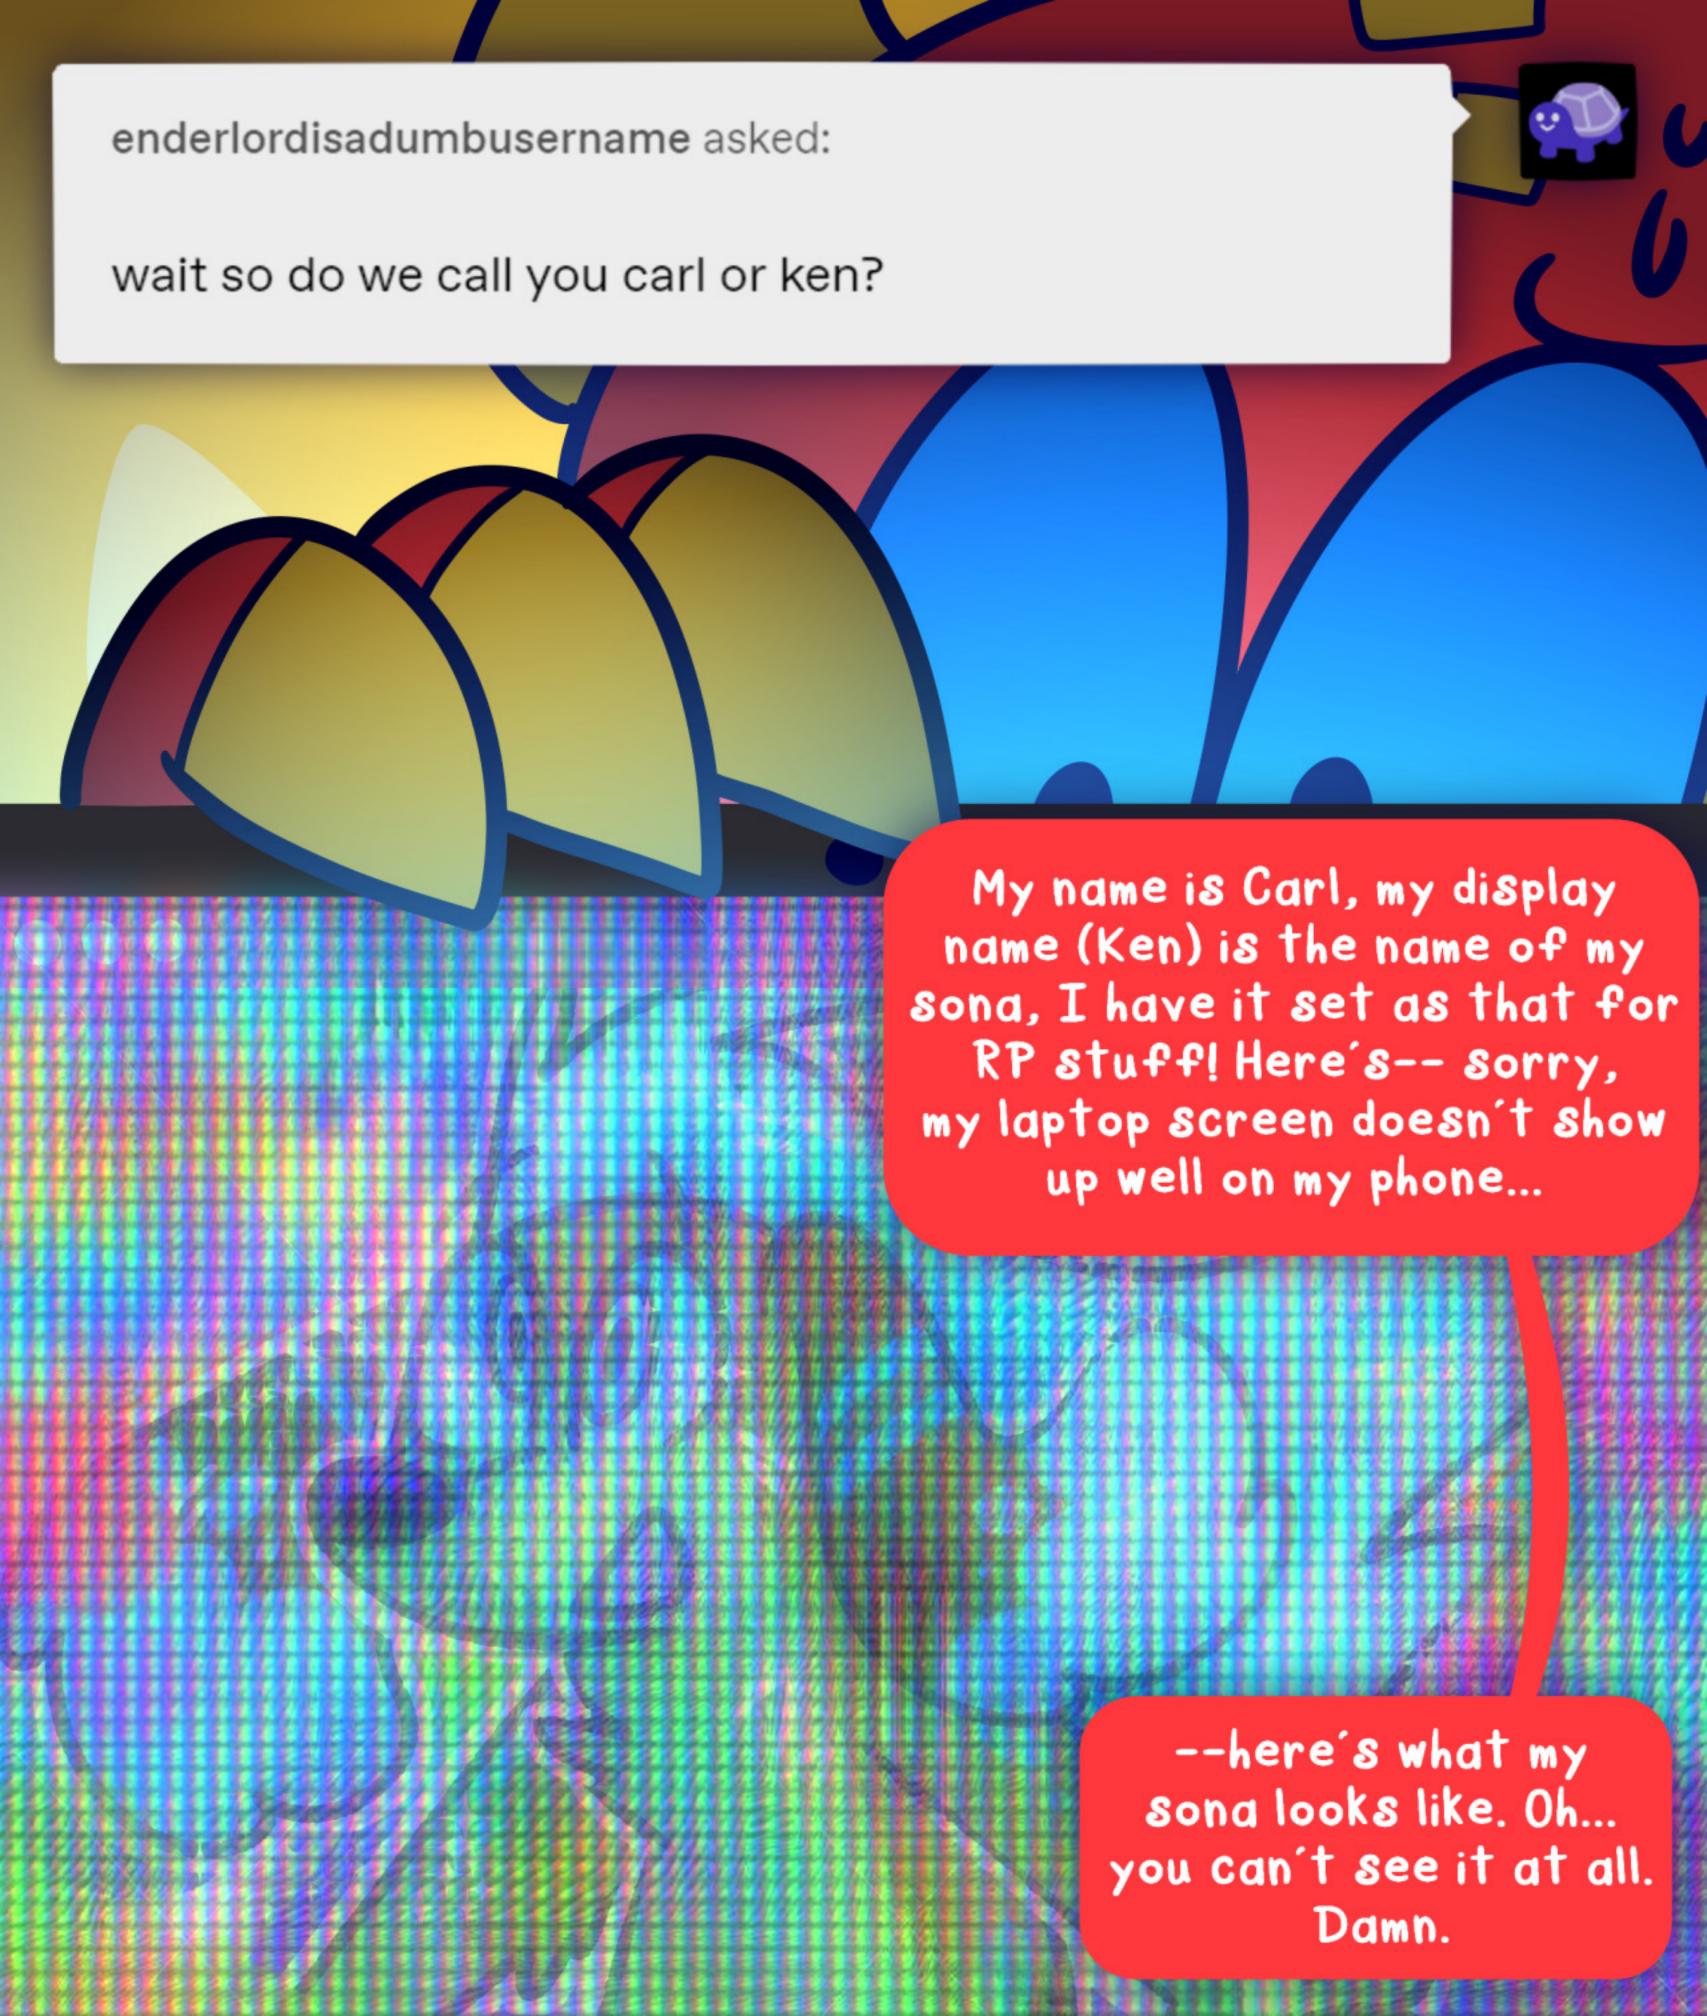

somewandomnoob asked:

3 3

Carl, what is your current opinion on all of Sly's siblings?

gary-pichu asked:

Have you ever met slys siblings or has he just told you about them?

Well, I haven't ever been to CLC before and we haven't met in person, so no...

I do hope we can meet someday. It's just hard to arrange that and stuff...

cat-vase asked:

carl since you're a dragon can you fly?? :o

Y-your wings are...
44 feet across? I-I didn't
know that number.

T-that's like- on your side with them vertical they would be 40 feet taller than me.....

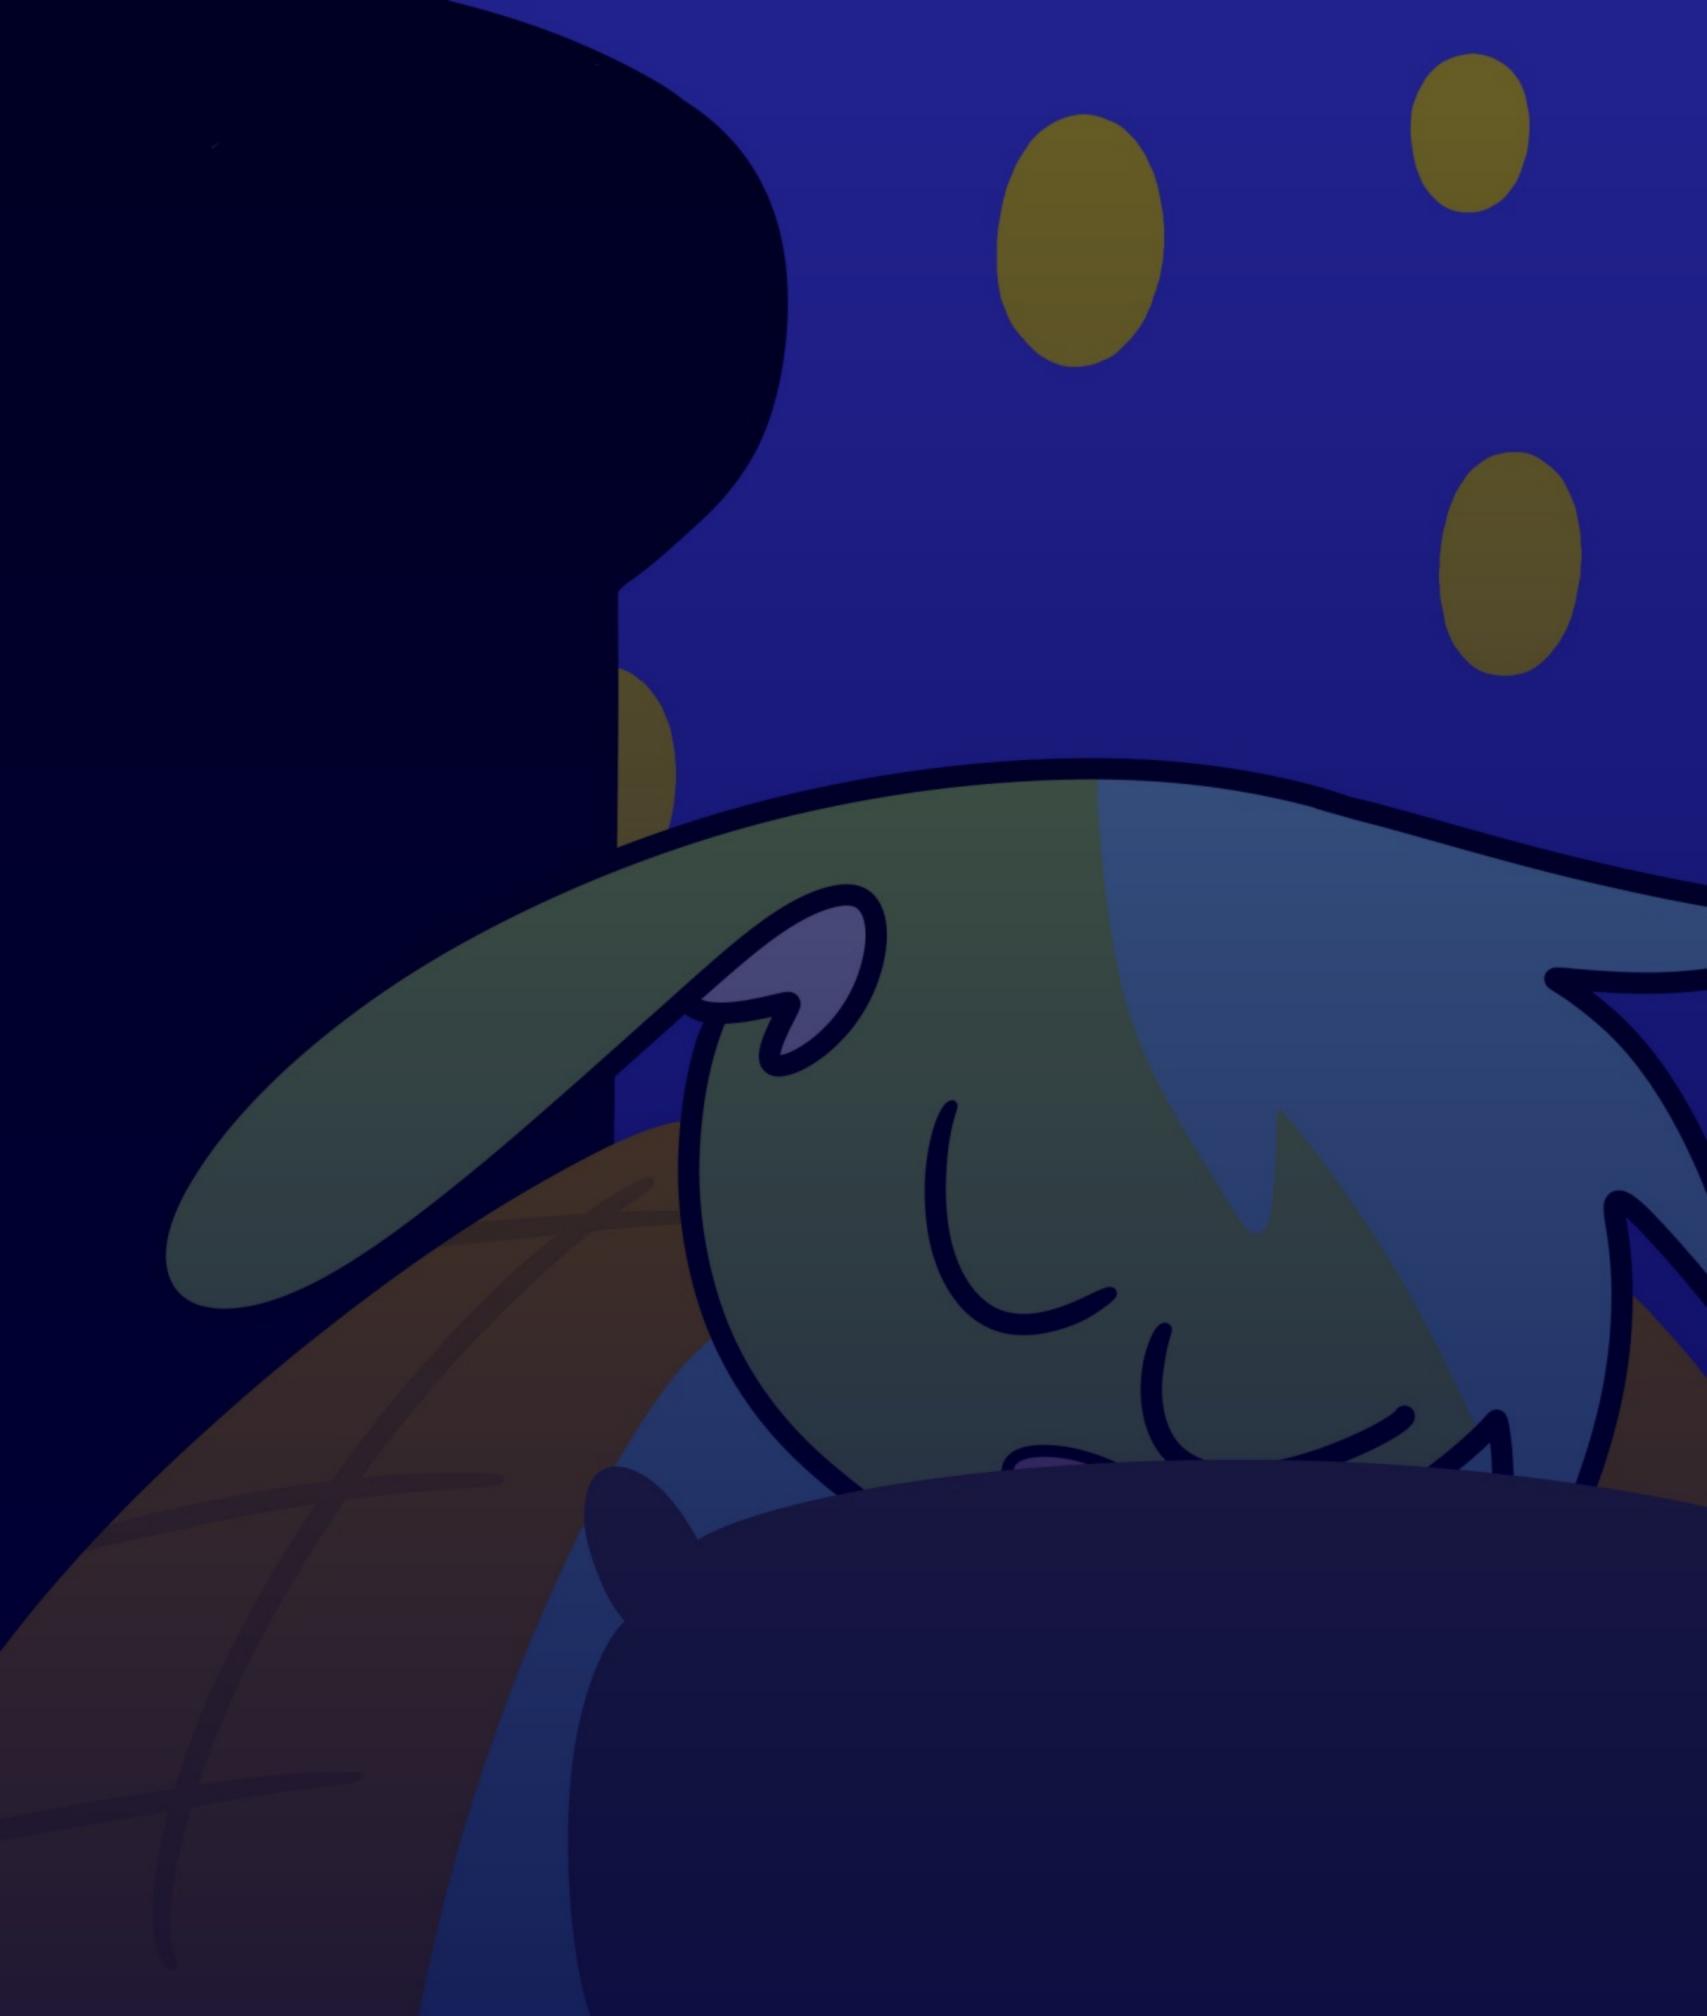

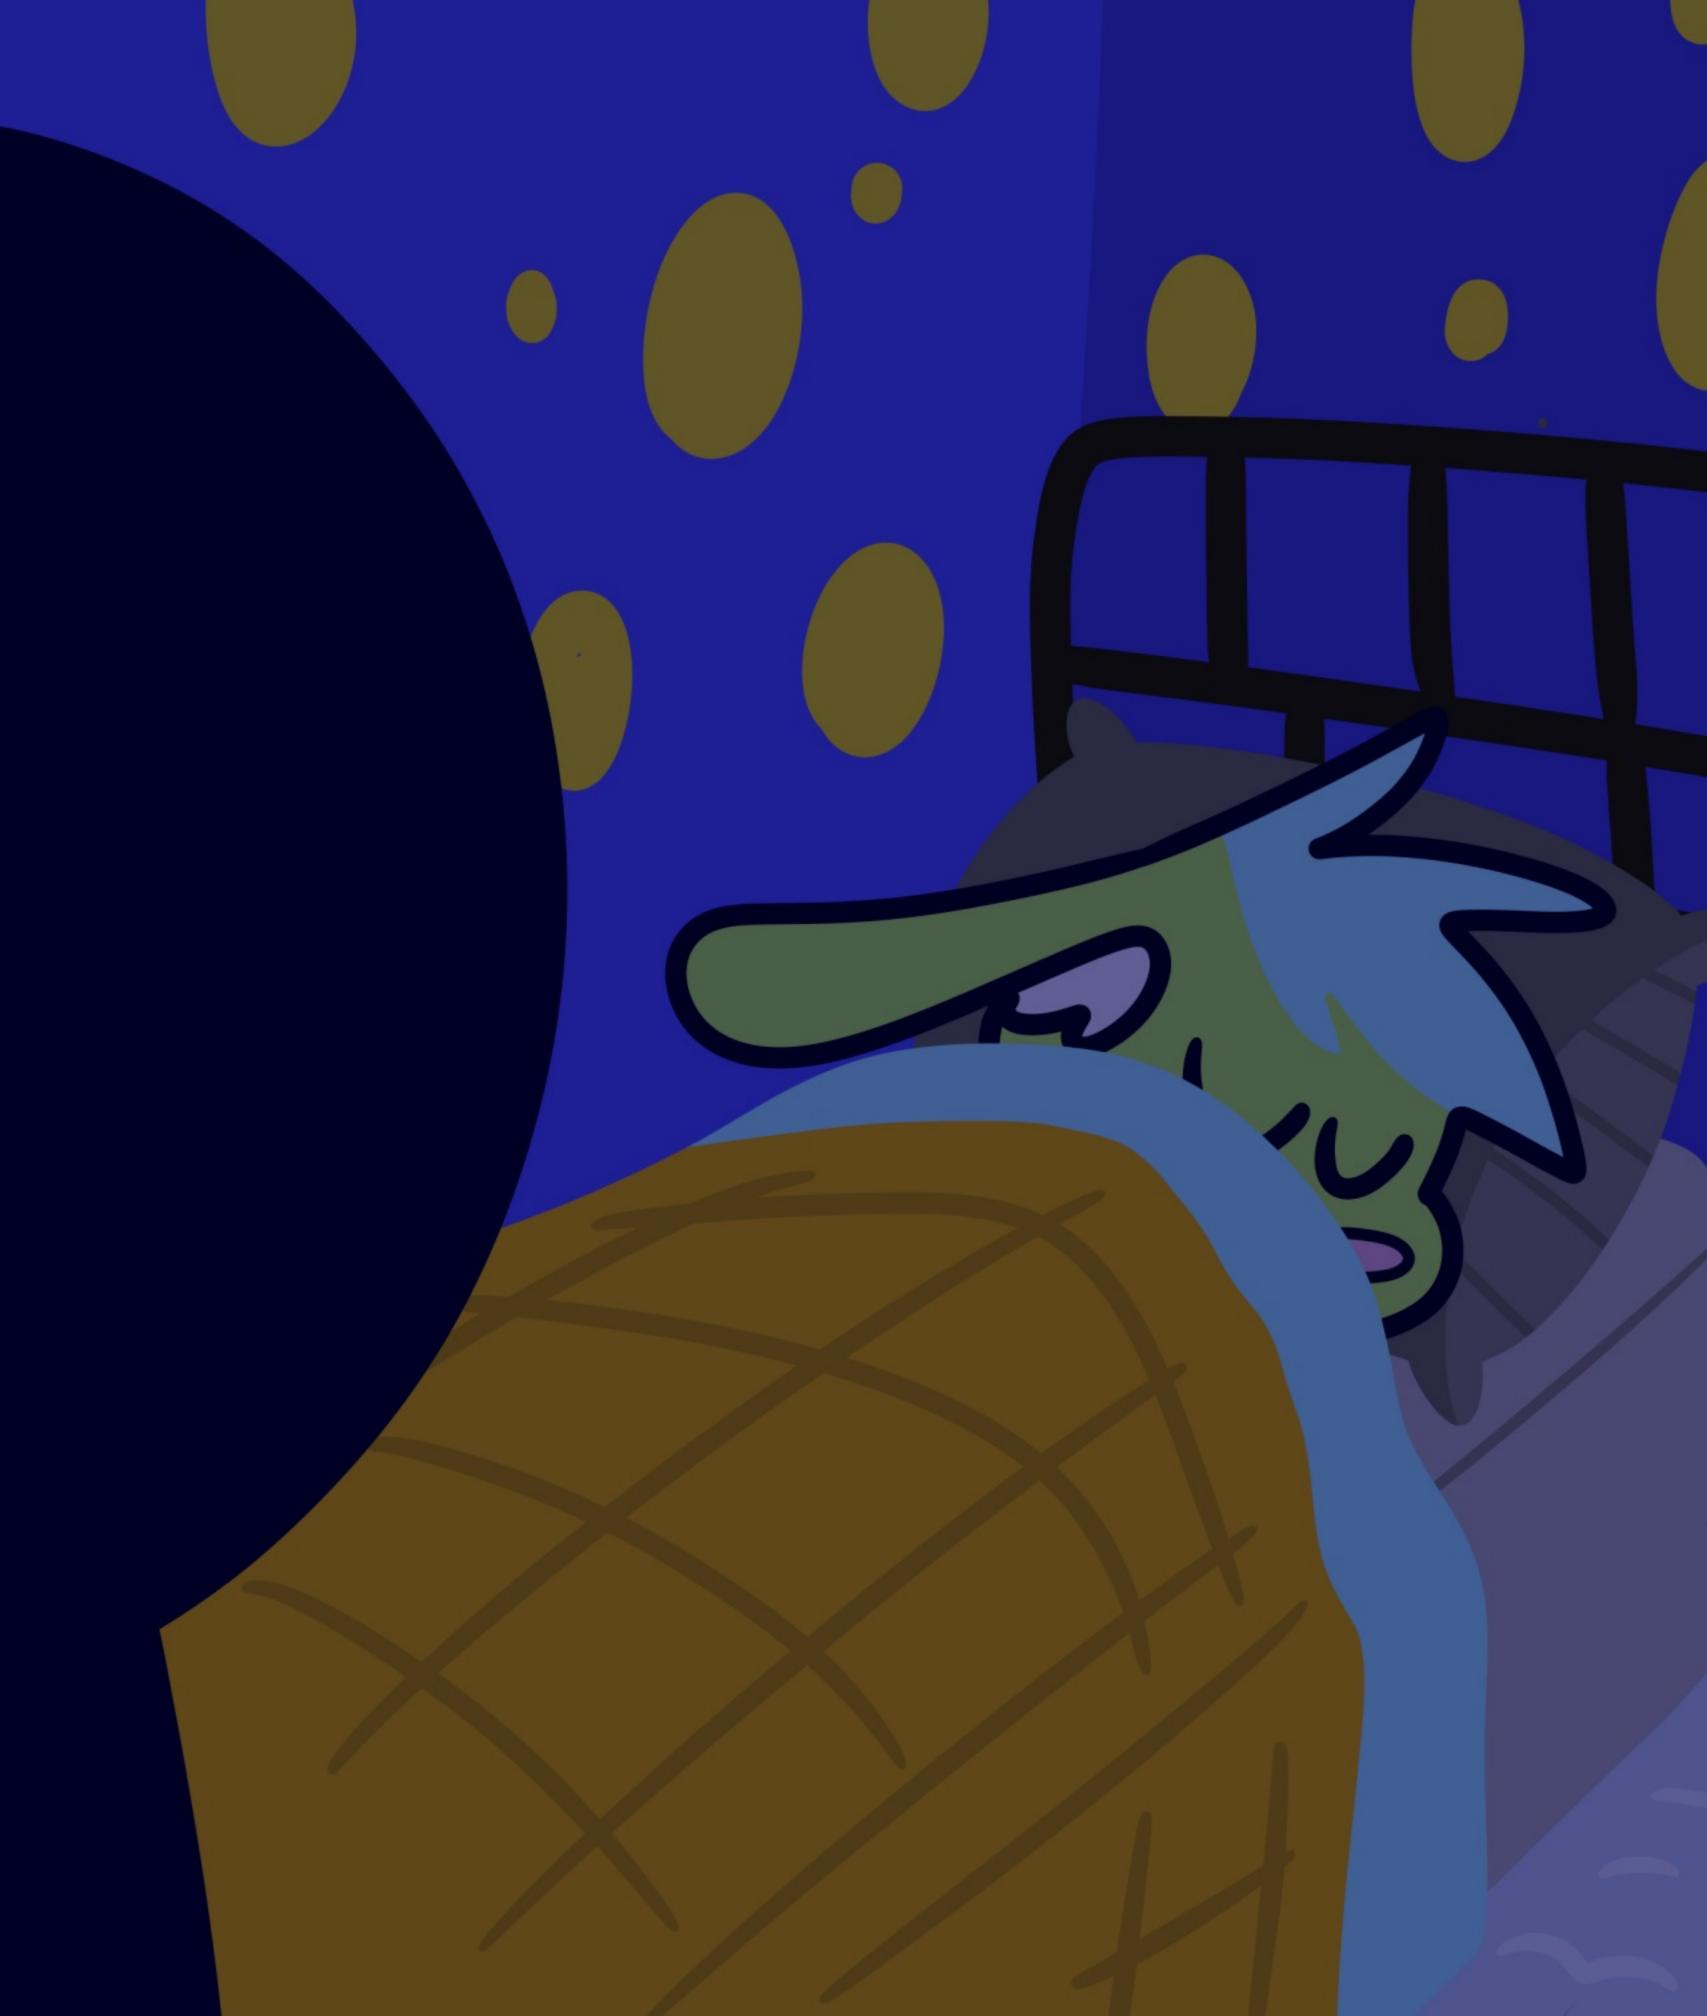

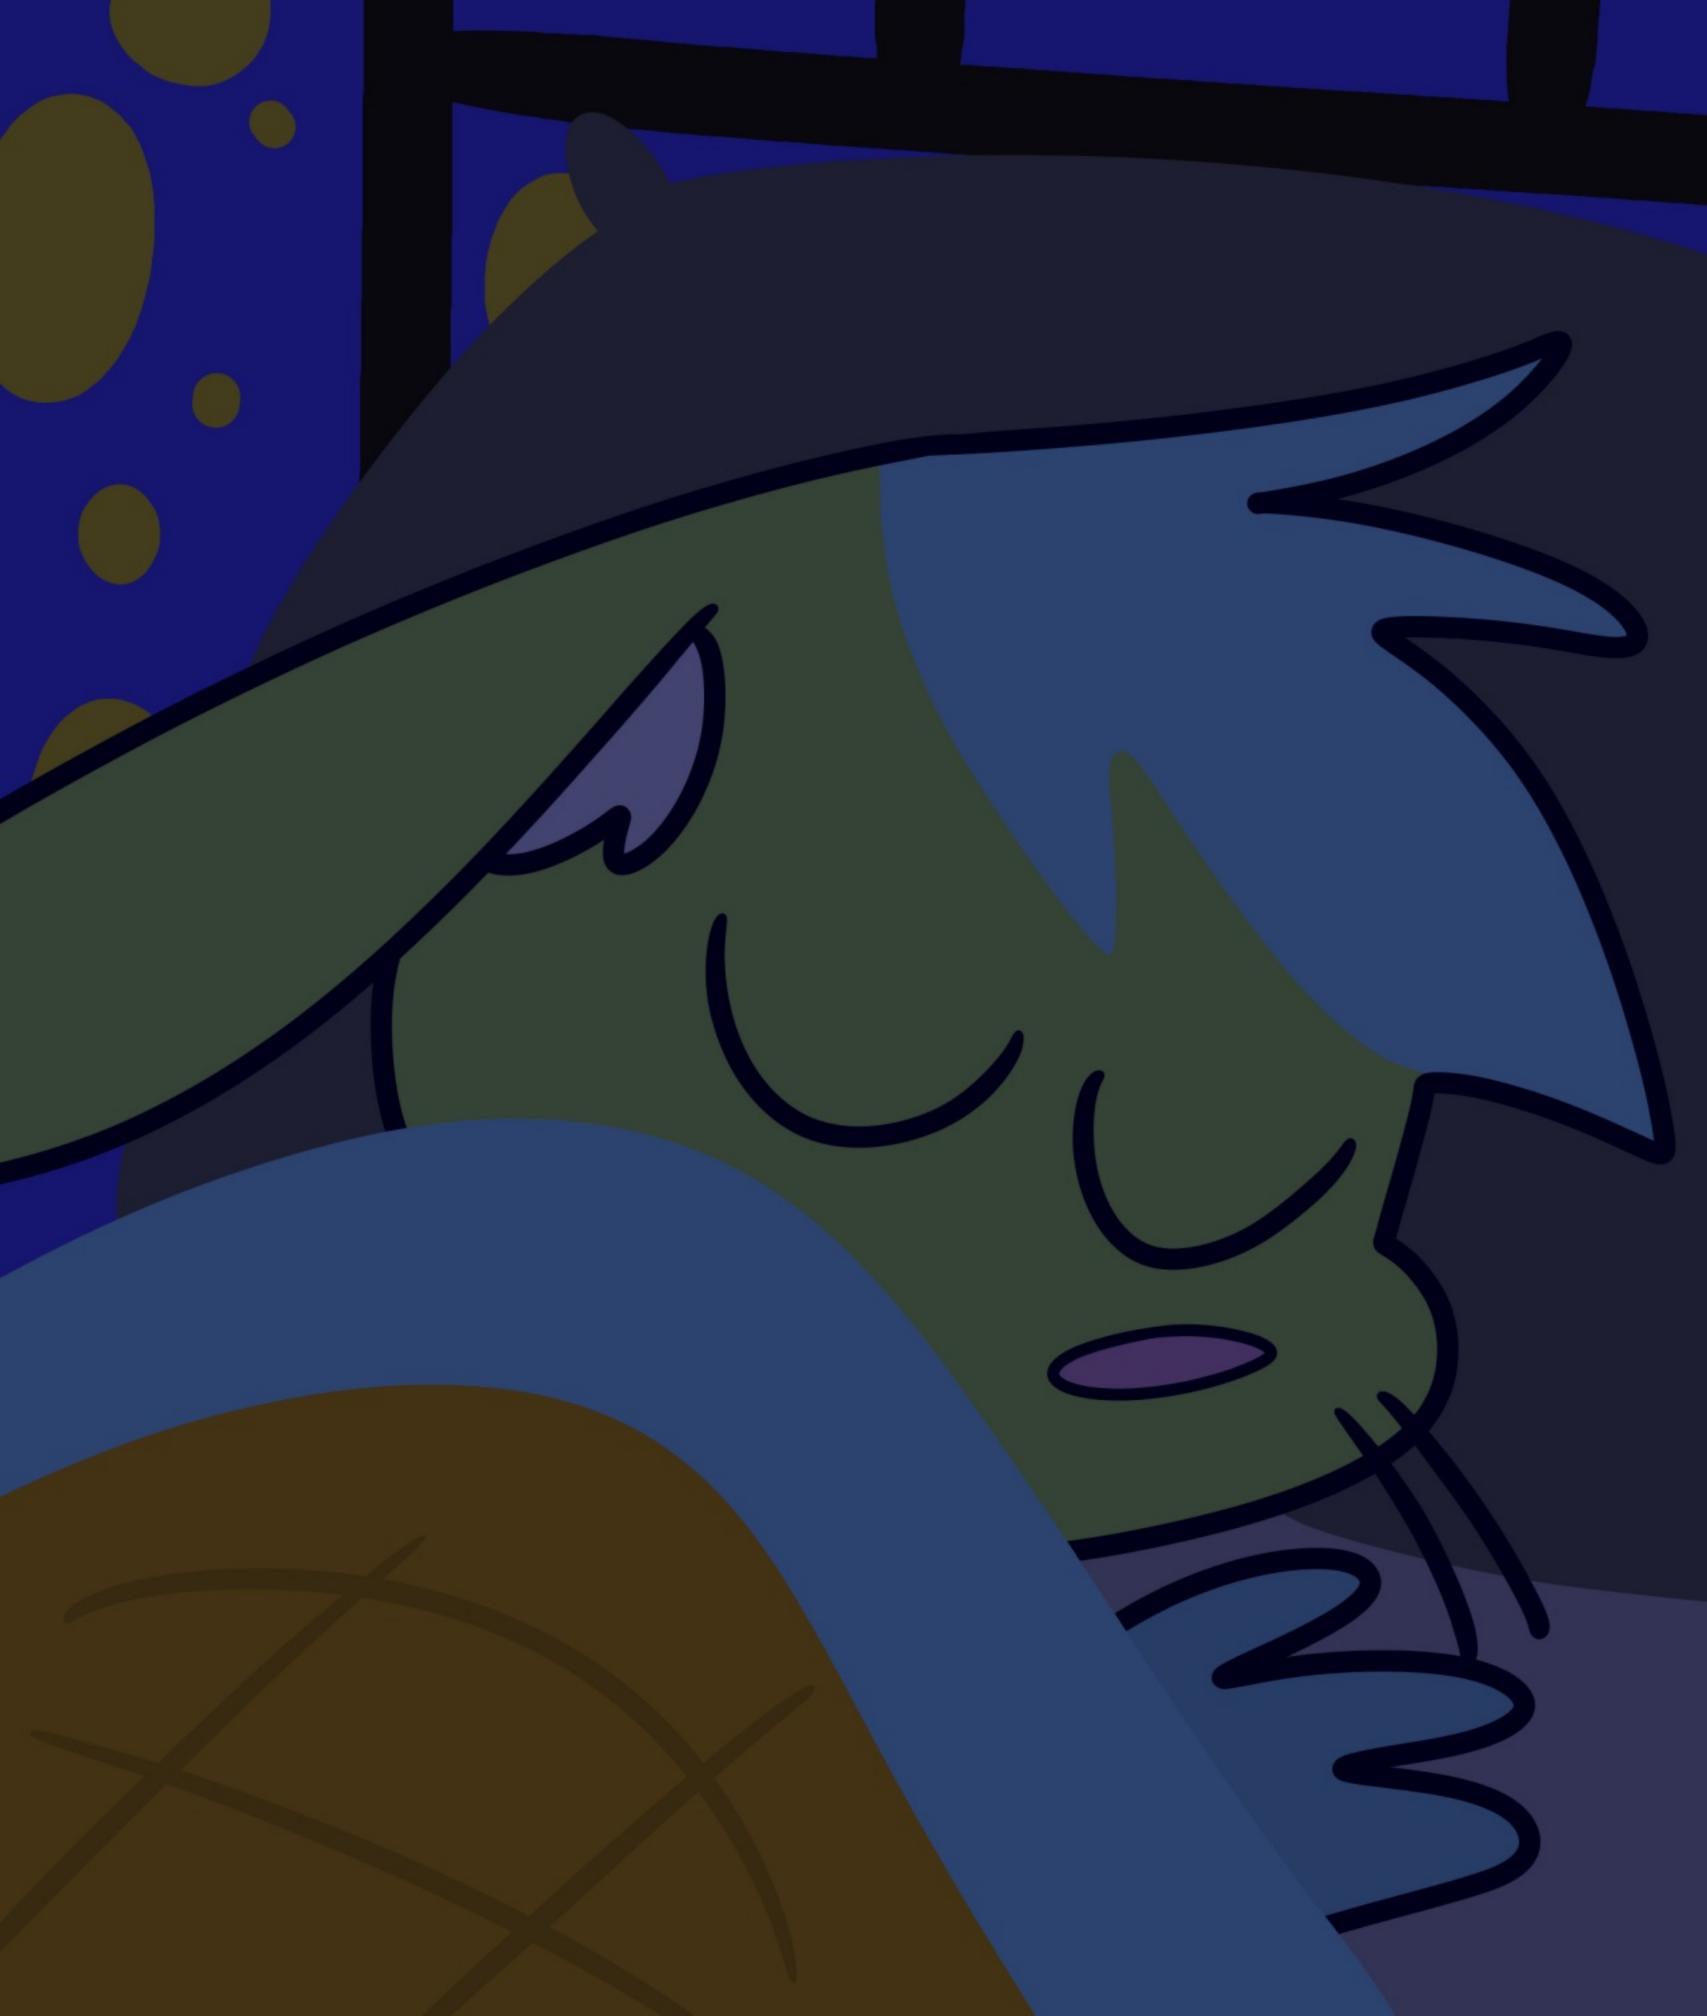

...h-huh...? Who's...
who's there..?

pepsicat77 asked:

Hello person in sly's room who are you?

enderlordisadumbusername asked:

sly what's wrong? it's just a shower

What's wrong with showering sly? You'll feel nice and clean afterwards

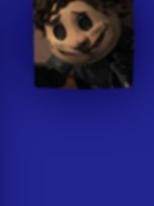

rarewubbox asked:

If youre nervous about being naked, maybe showering with the light off can help so you cant see your body?

videoblog2395 asked:

i understand showering can be scary!! i used to shower with the light off, maybe that will help? i understand not liking water as well, you can do this sly!! i believe in you!!

My vision is really bad in the dark... a-and I'm scared when I can't see well... I have really bad fears of total vision loss so I don't like having it obscured.

c0metsandm00ns asked:

It's ok Sly, it doesn't have to be a long one or anything.

Just take a quick five minute shower so that way you can get out, dry off and get dressed as fast as possible.

Also you'd most likely be able to set the water to a warm temperature if the cold bugs you.

sinnamonsters asked:

It's alright, Sly. You've got this. The first time in a while is always hard for anything, I understand. Just take your time.

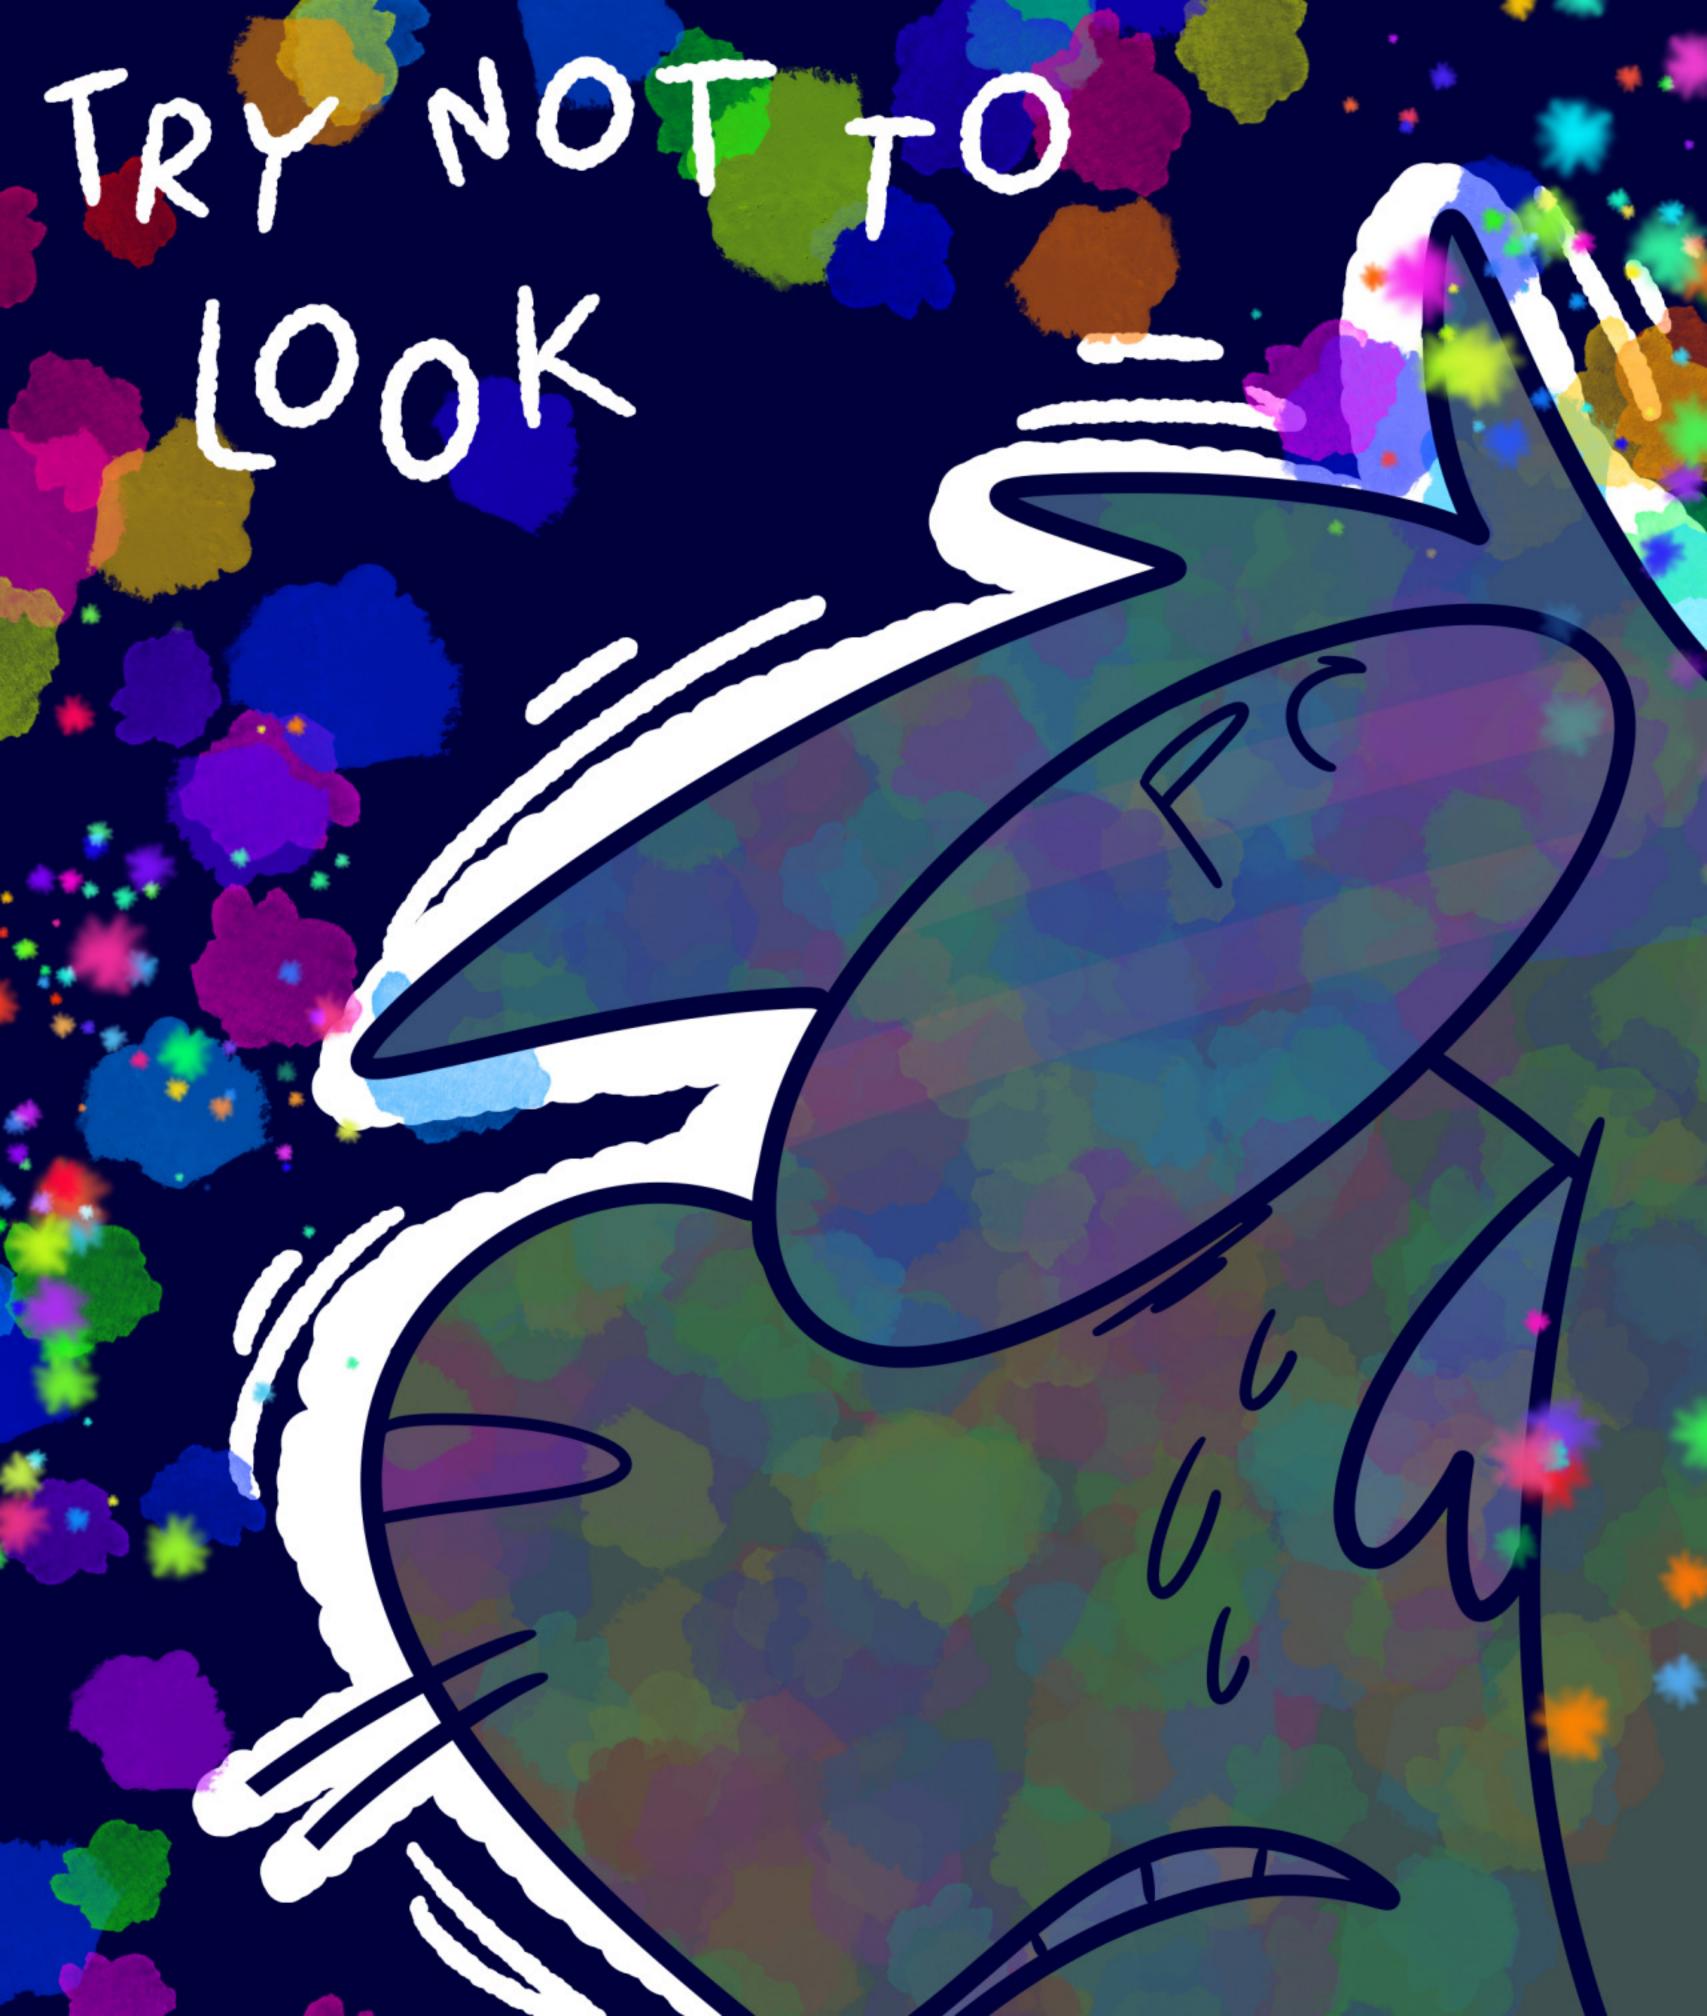

eeveeskittles asked:

It'll be okay Sly, just be quick and try not to look. You've got this! :]

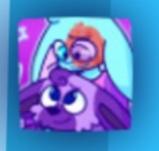

redtheheeler asked:

sly are you okay? how did it go?

sinnamonsters asked:

You did it! That's all you had to do. It's over now.

jessiedoggie asked:

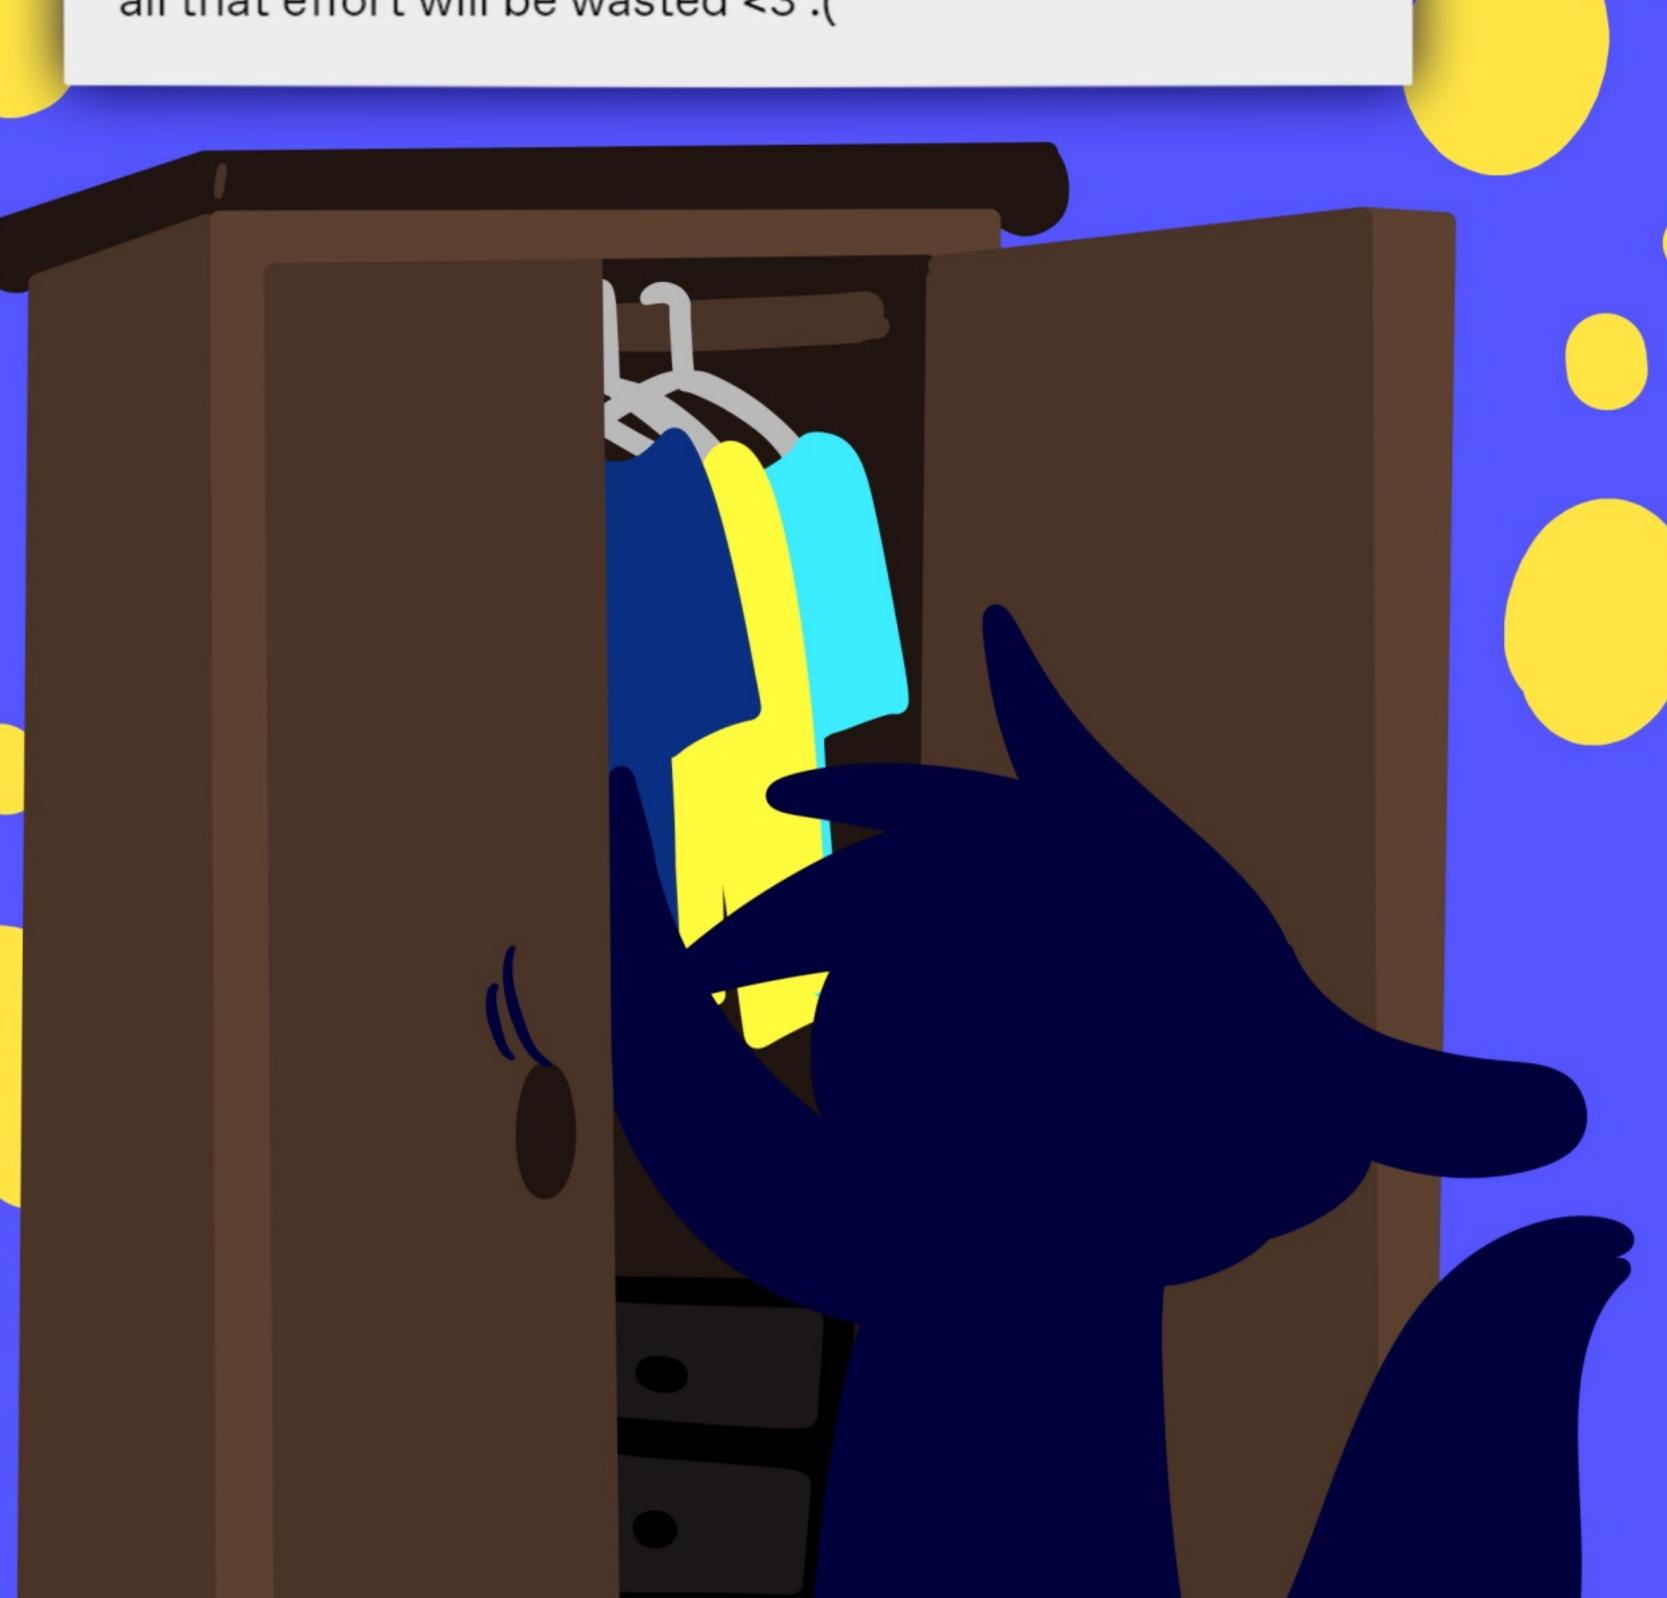

Sly!!!!! Oh my goodness.... Are you going to be alright? I'm so sorry.

foolishly-snowy asked:

Now get some fresh clean clothes on to make you feel a little bit better? Don't put on those same smelly ones or all that effort will be wasted <3:(

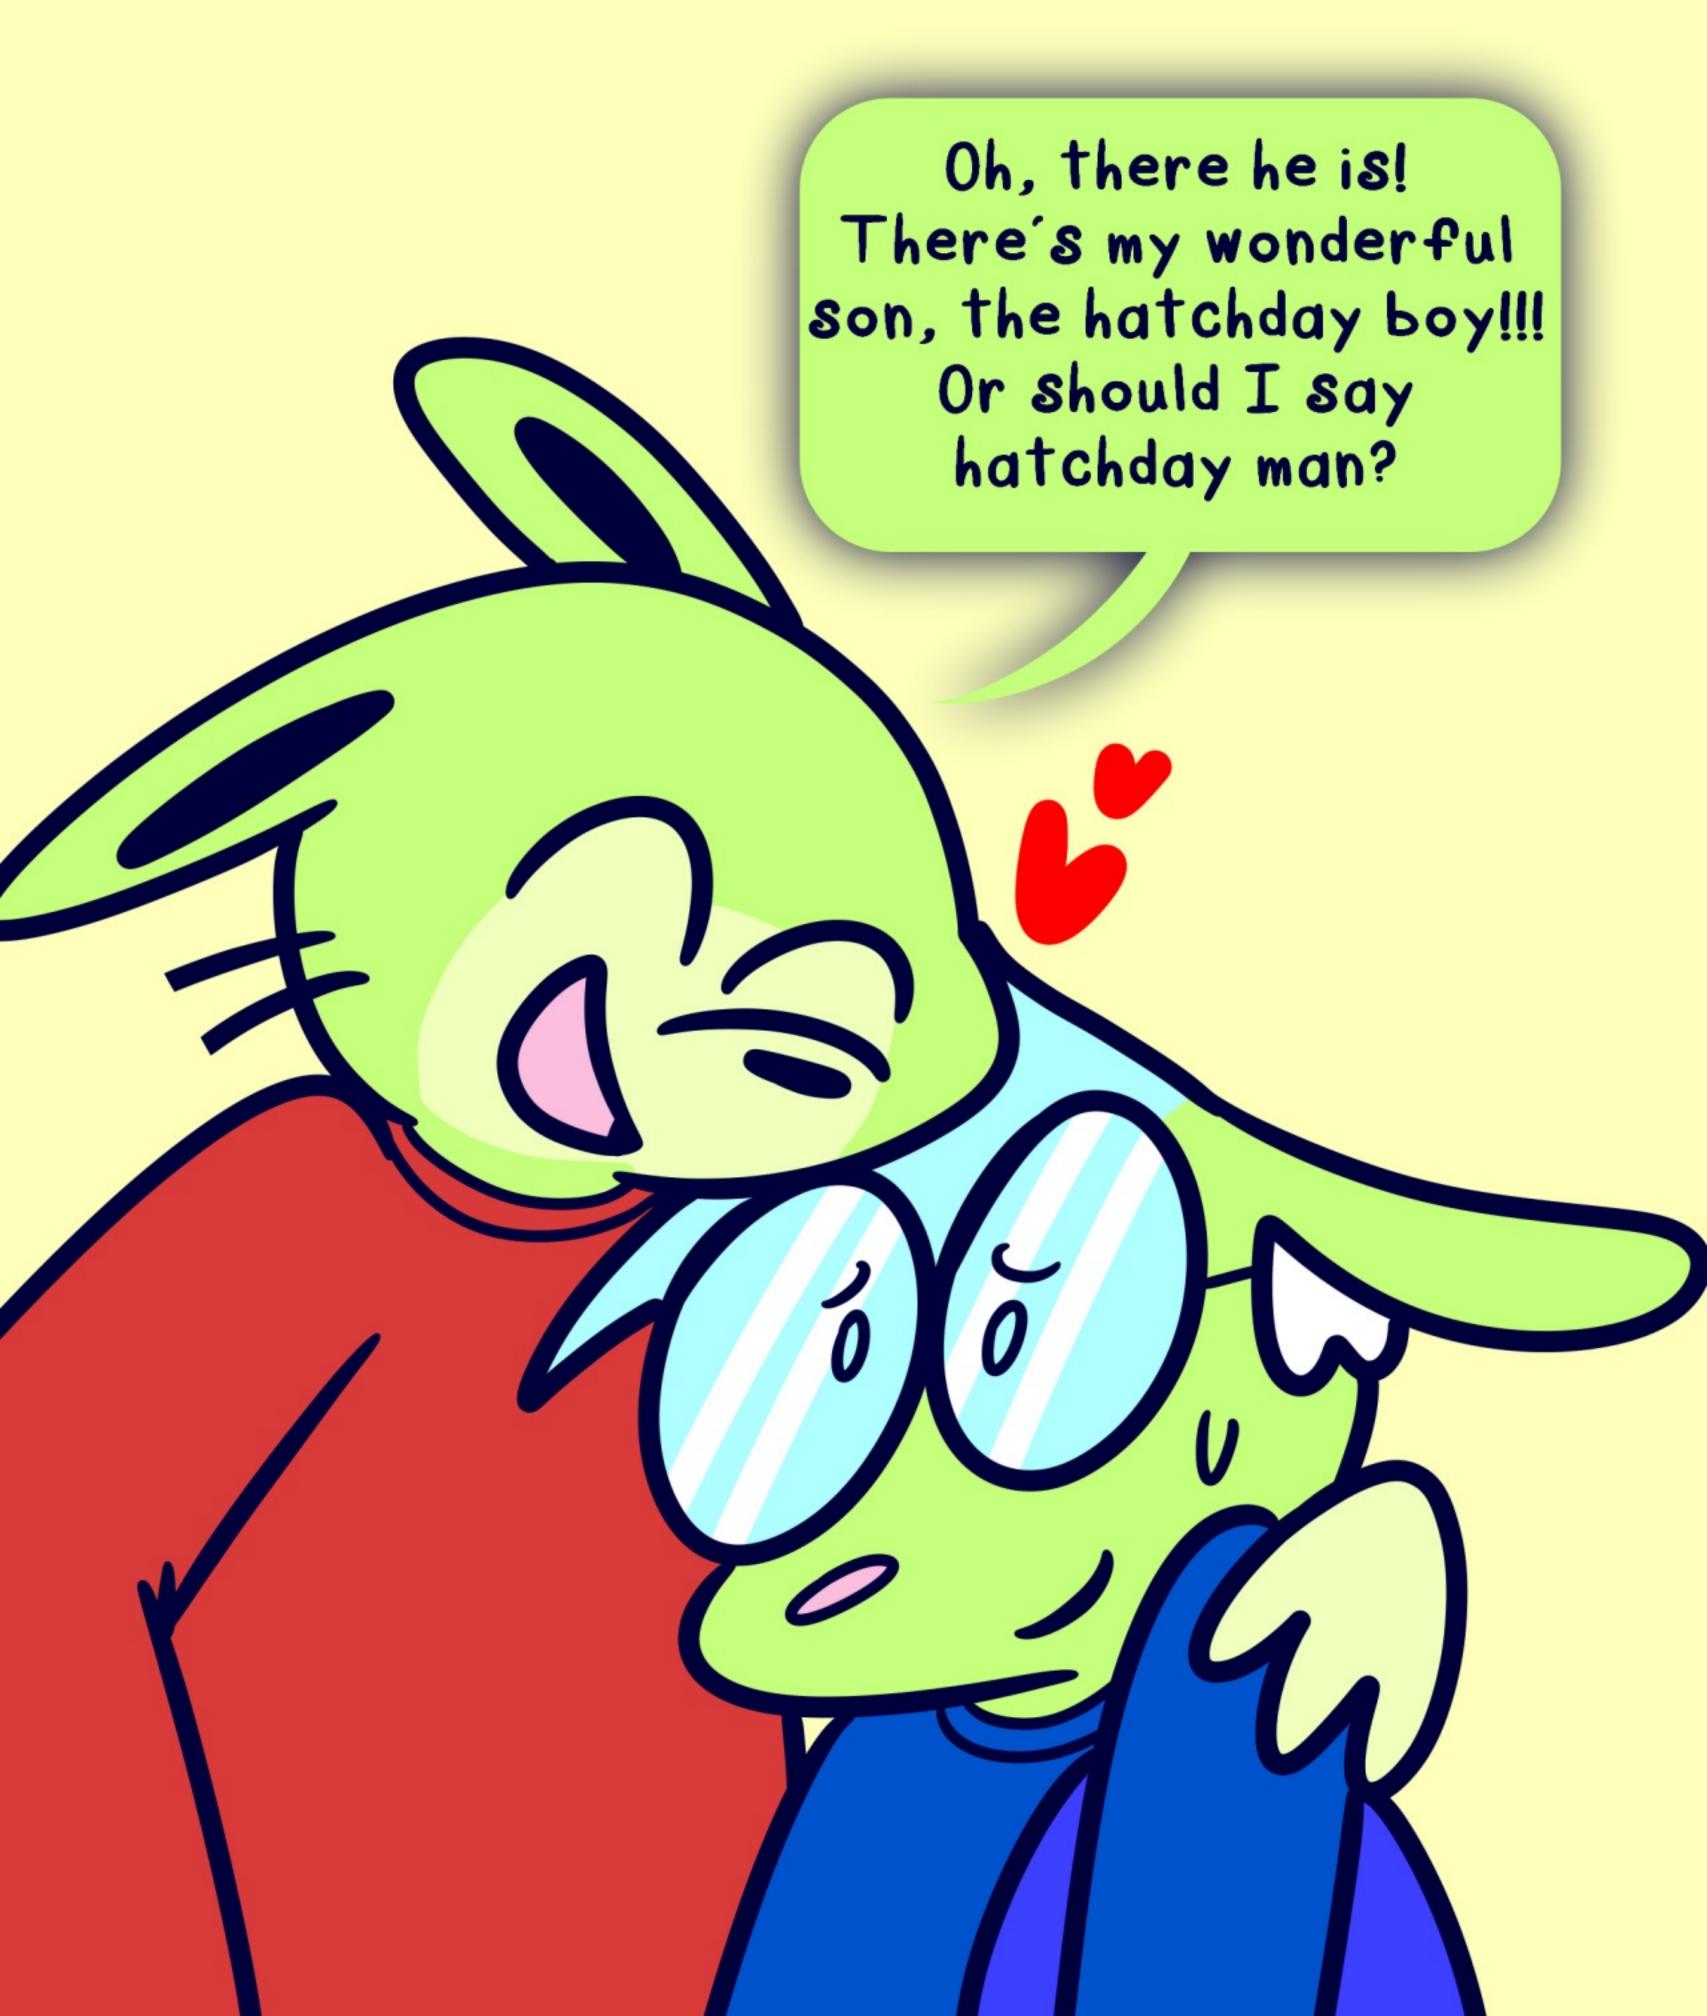

3ndl35s-dre4m1ng asked:

HI BARRY!! HOW'RE YA DOIN?

kp-does-suff asked:

Hi Barry! where are y'all planning to go?

BARRY!! :D Are you excited to see the rest of the near-

bbarry hello!! hi hi!!!!!!!!!!! Hhow will u keep the whole family in check.. 0,0

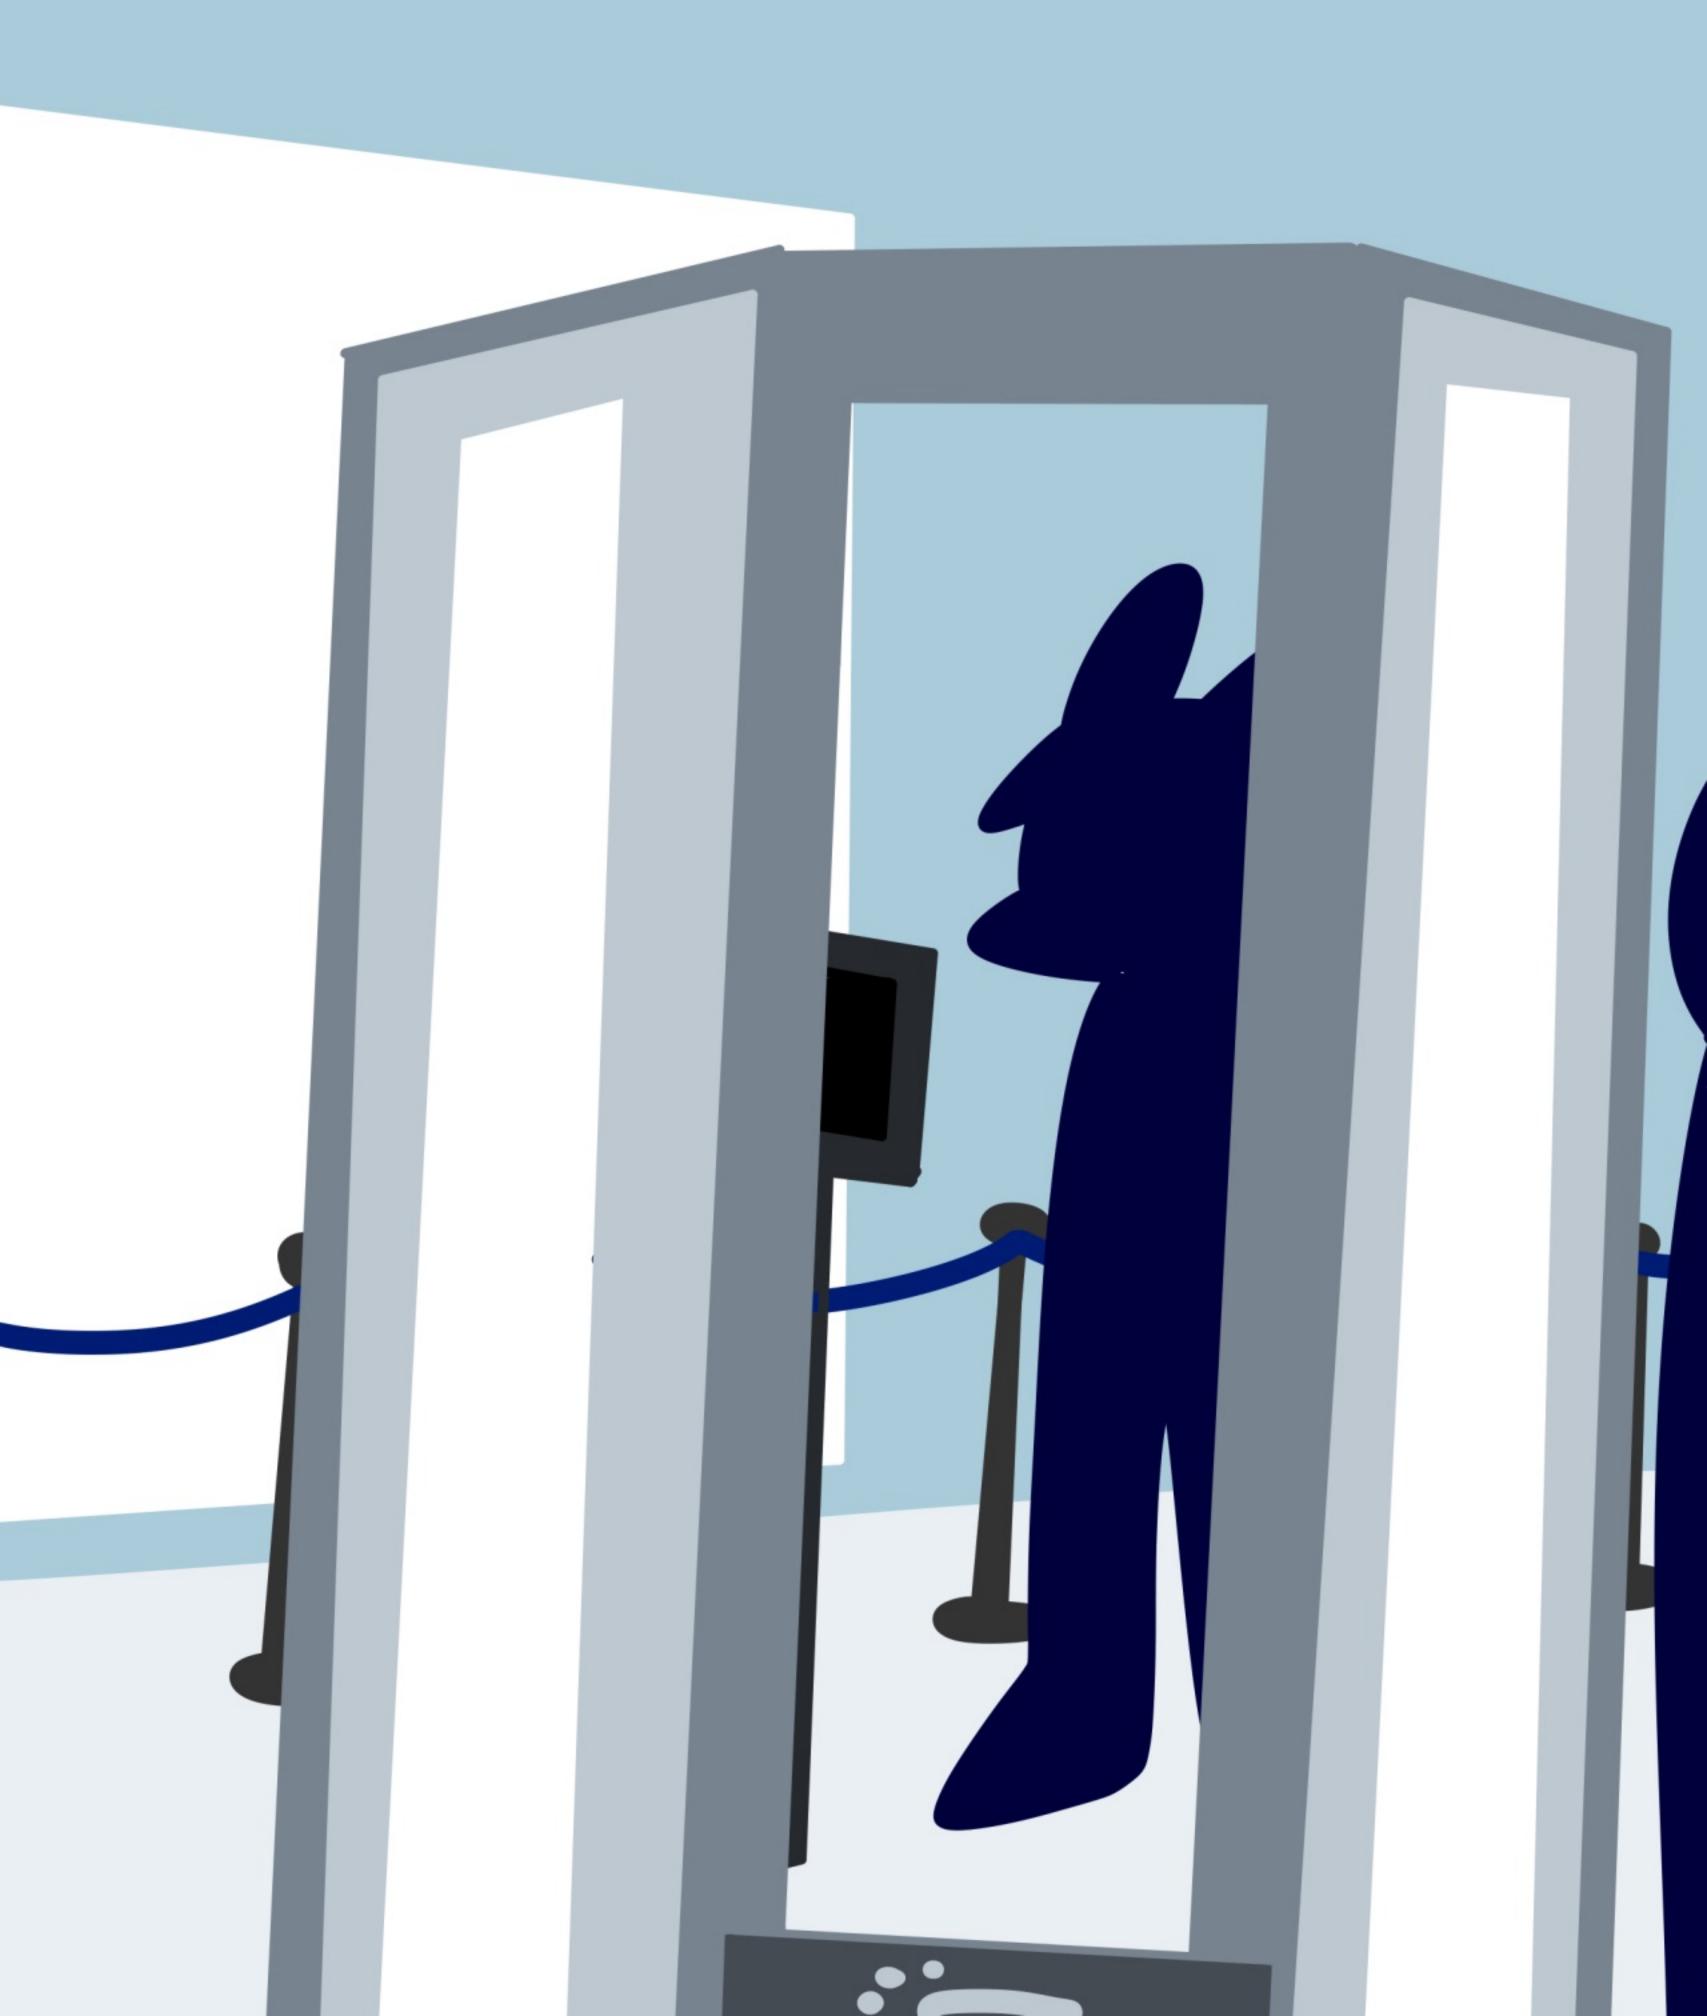

c0metsandm00ns asked:

What's wrong Sly?

geencream asked:

its not like the metal detector is gonna beep at you violently, i doubt it will everything metal is in the basket thing

an-stray-cat asked:

why are you scared of the metal detector Sly?

I'm afraid of going in elevators because I'm scared it's gonna get stuck. I'm scared of escalators and get intrusive thoughts about them opening up and falling in the blades...

I don't like being near a gas pump at a gas station cuz I'm scared it'll blow up. I get such bad intrusive thoughts about anything like this...

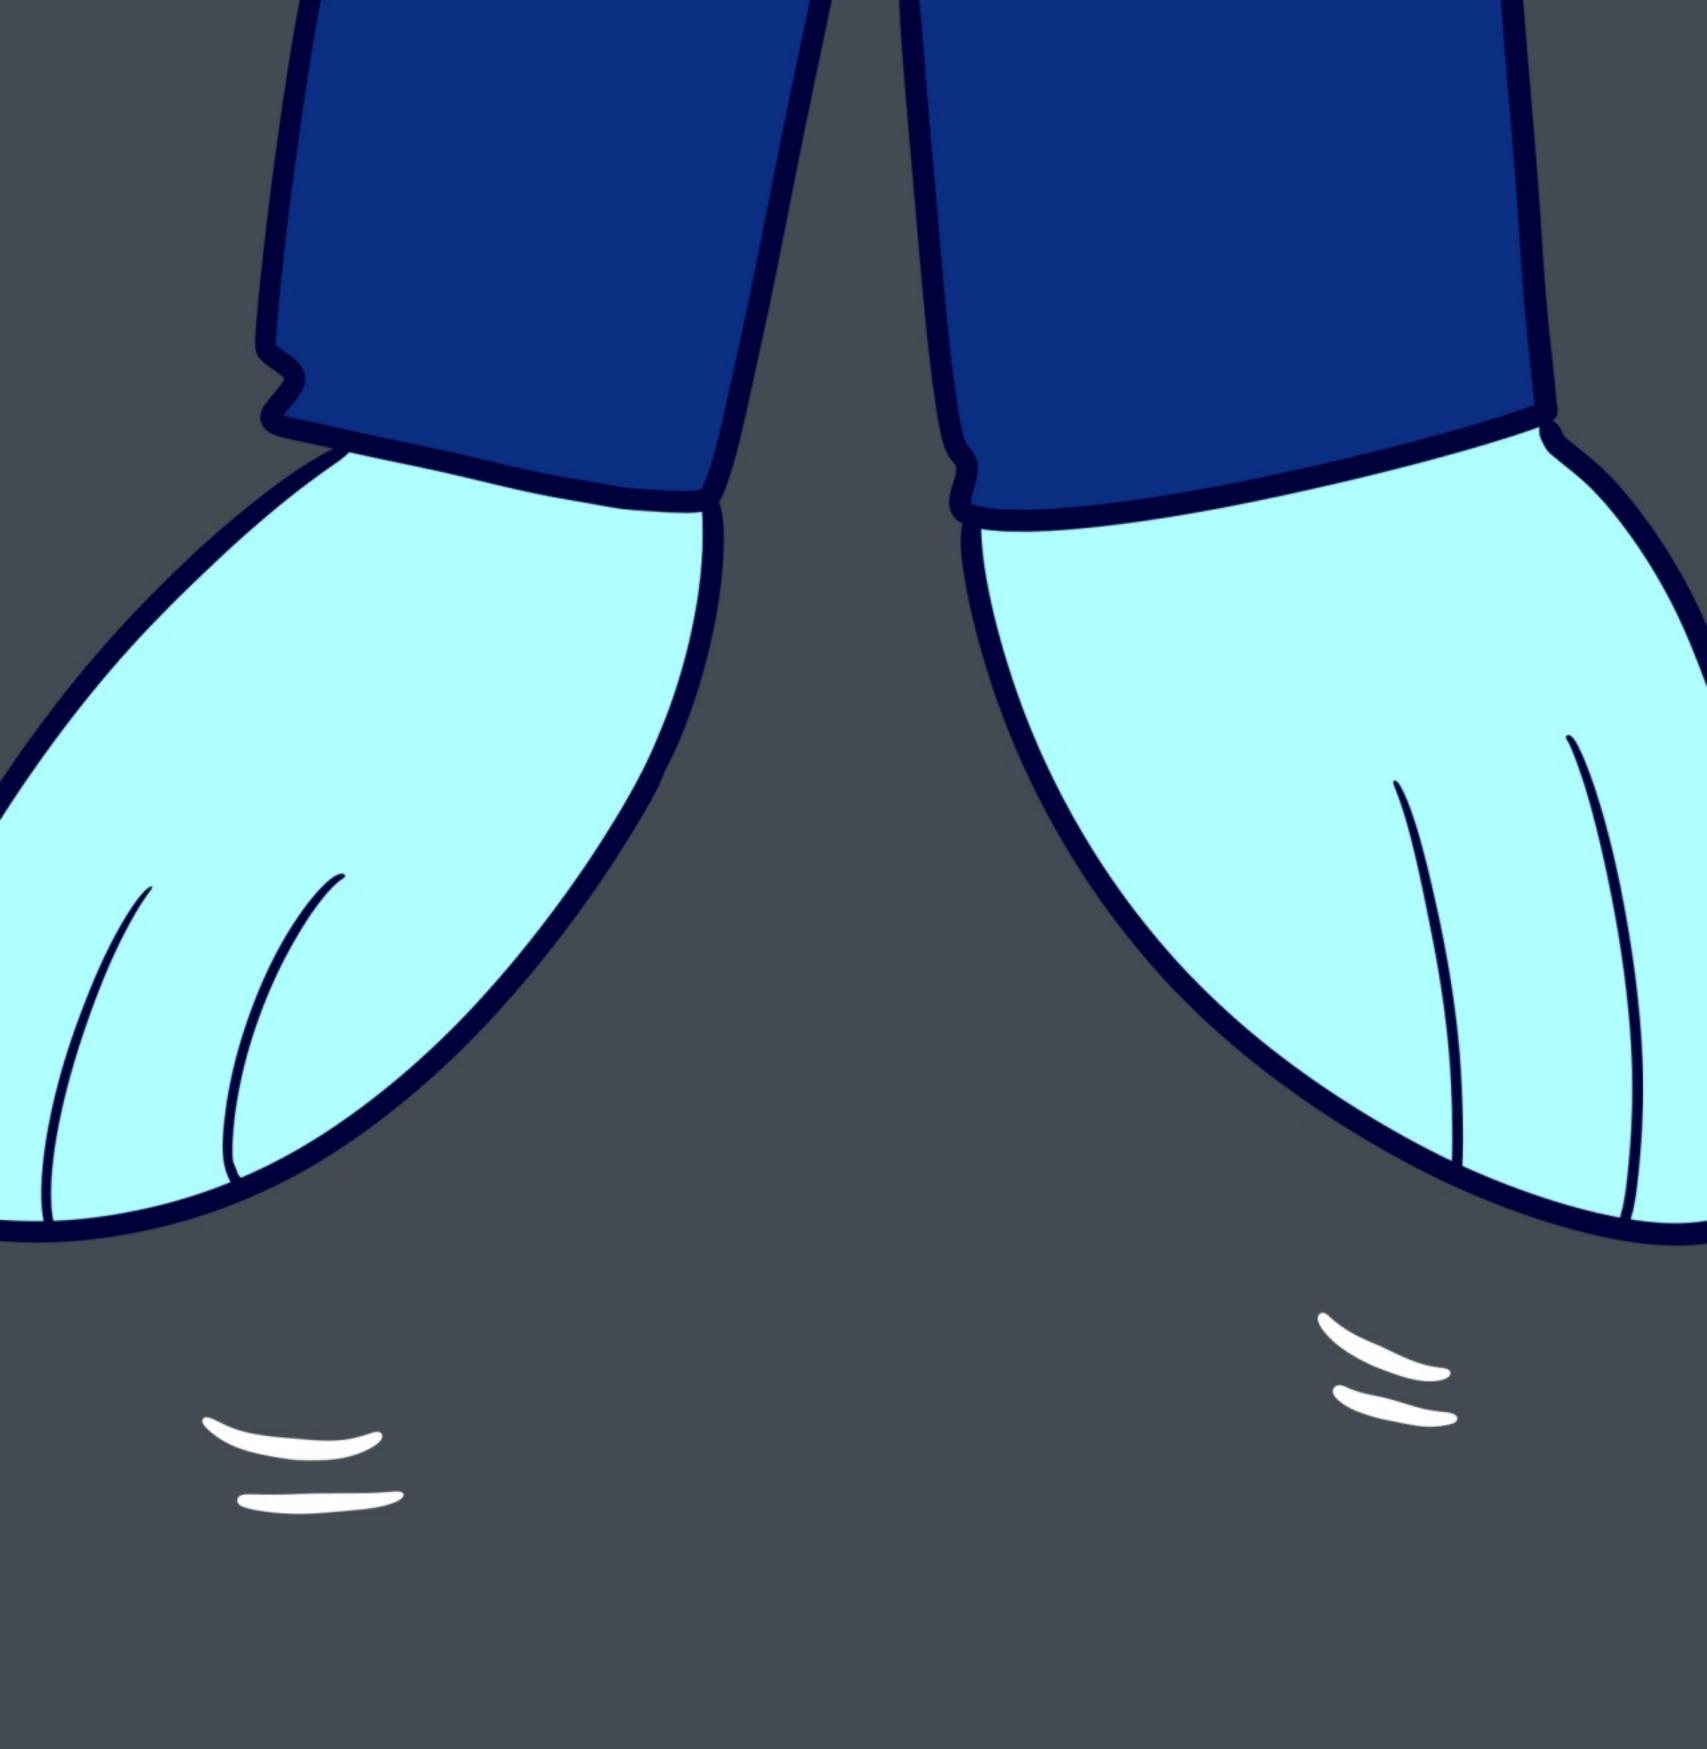

kawanyanya asked:

hey, it's okay, sly. i struggle with thoughts like that too, you don't have to be embarrassed. i promise you you'll be alright, try and think of something to distract yourself while you go through, it'll be over so fast!

ladyinsertnamehere asked: WHOZZAT? Maybe... maybe if I close my eyes... he'll vaporize...!!!

3ndl35s-dre4m1ng asked:

Hi Levi, can u tell us a bit about urself

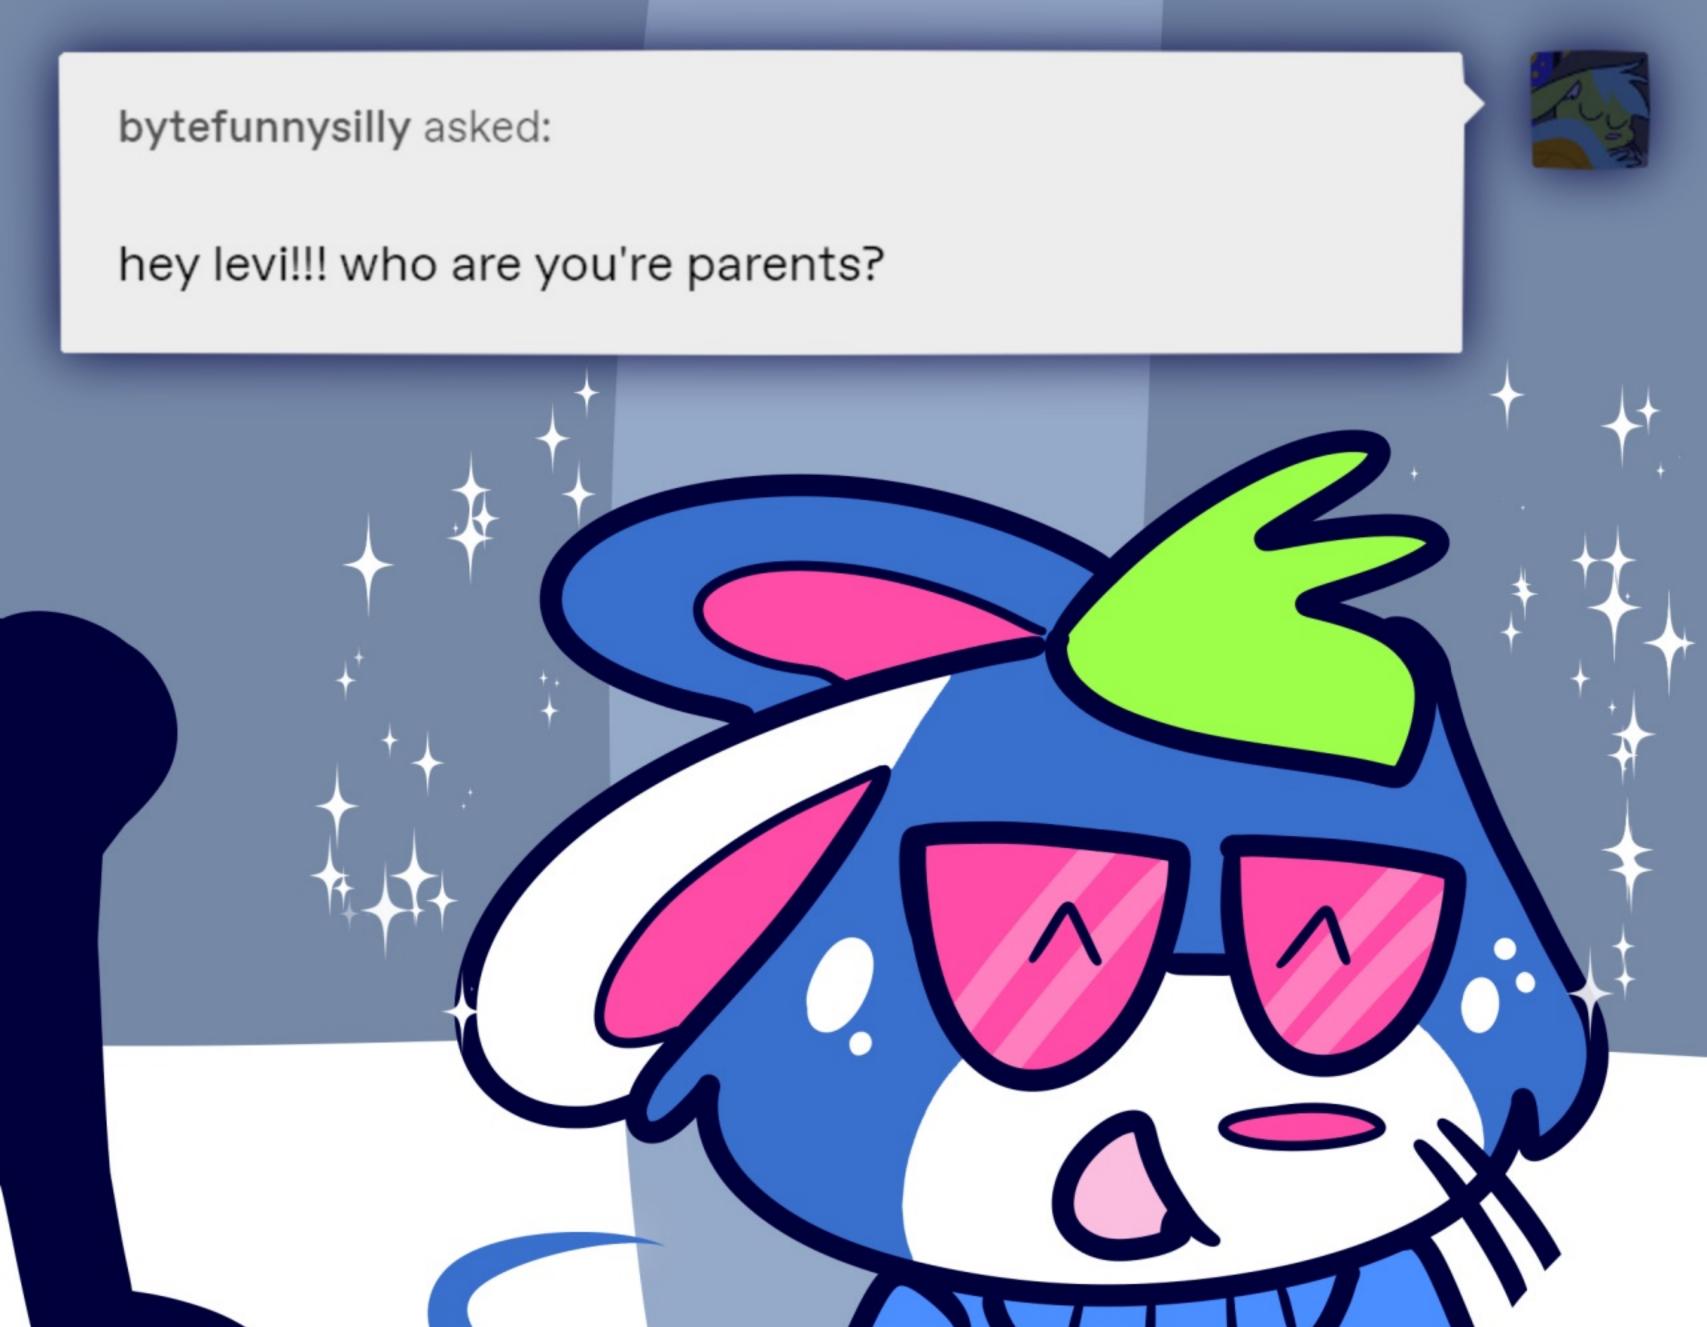

3ndl35s-dre4m1ng asked:

Hi Levi, can u tell us a bit about urself

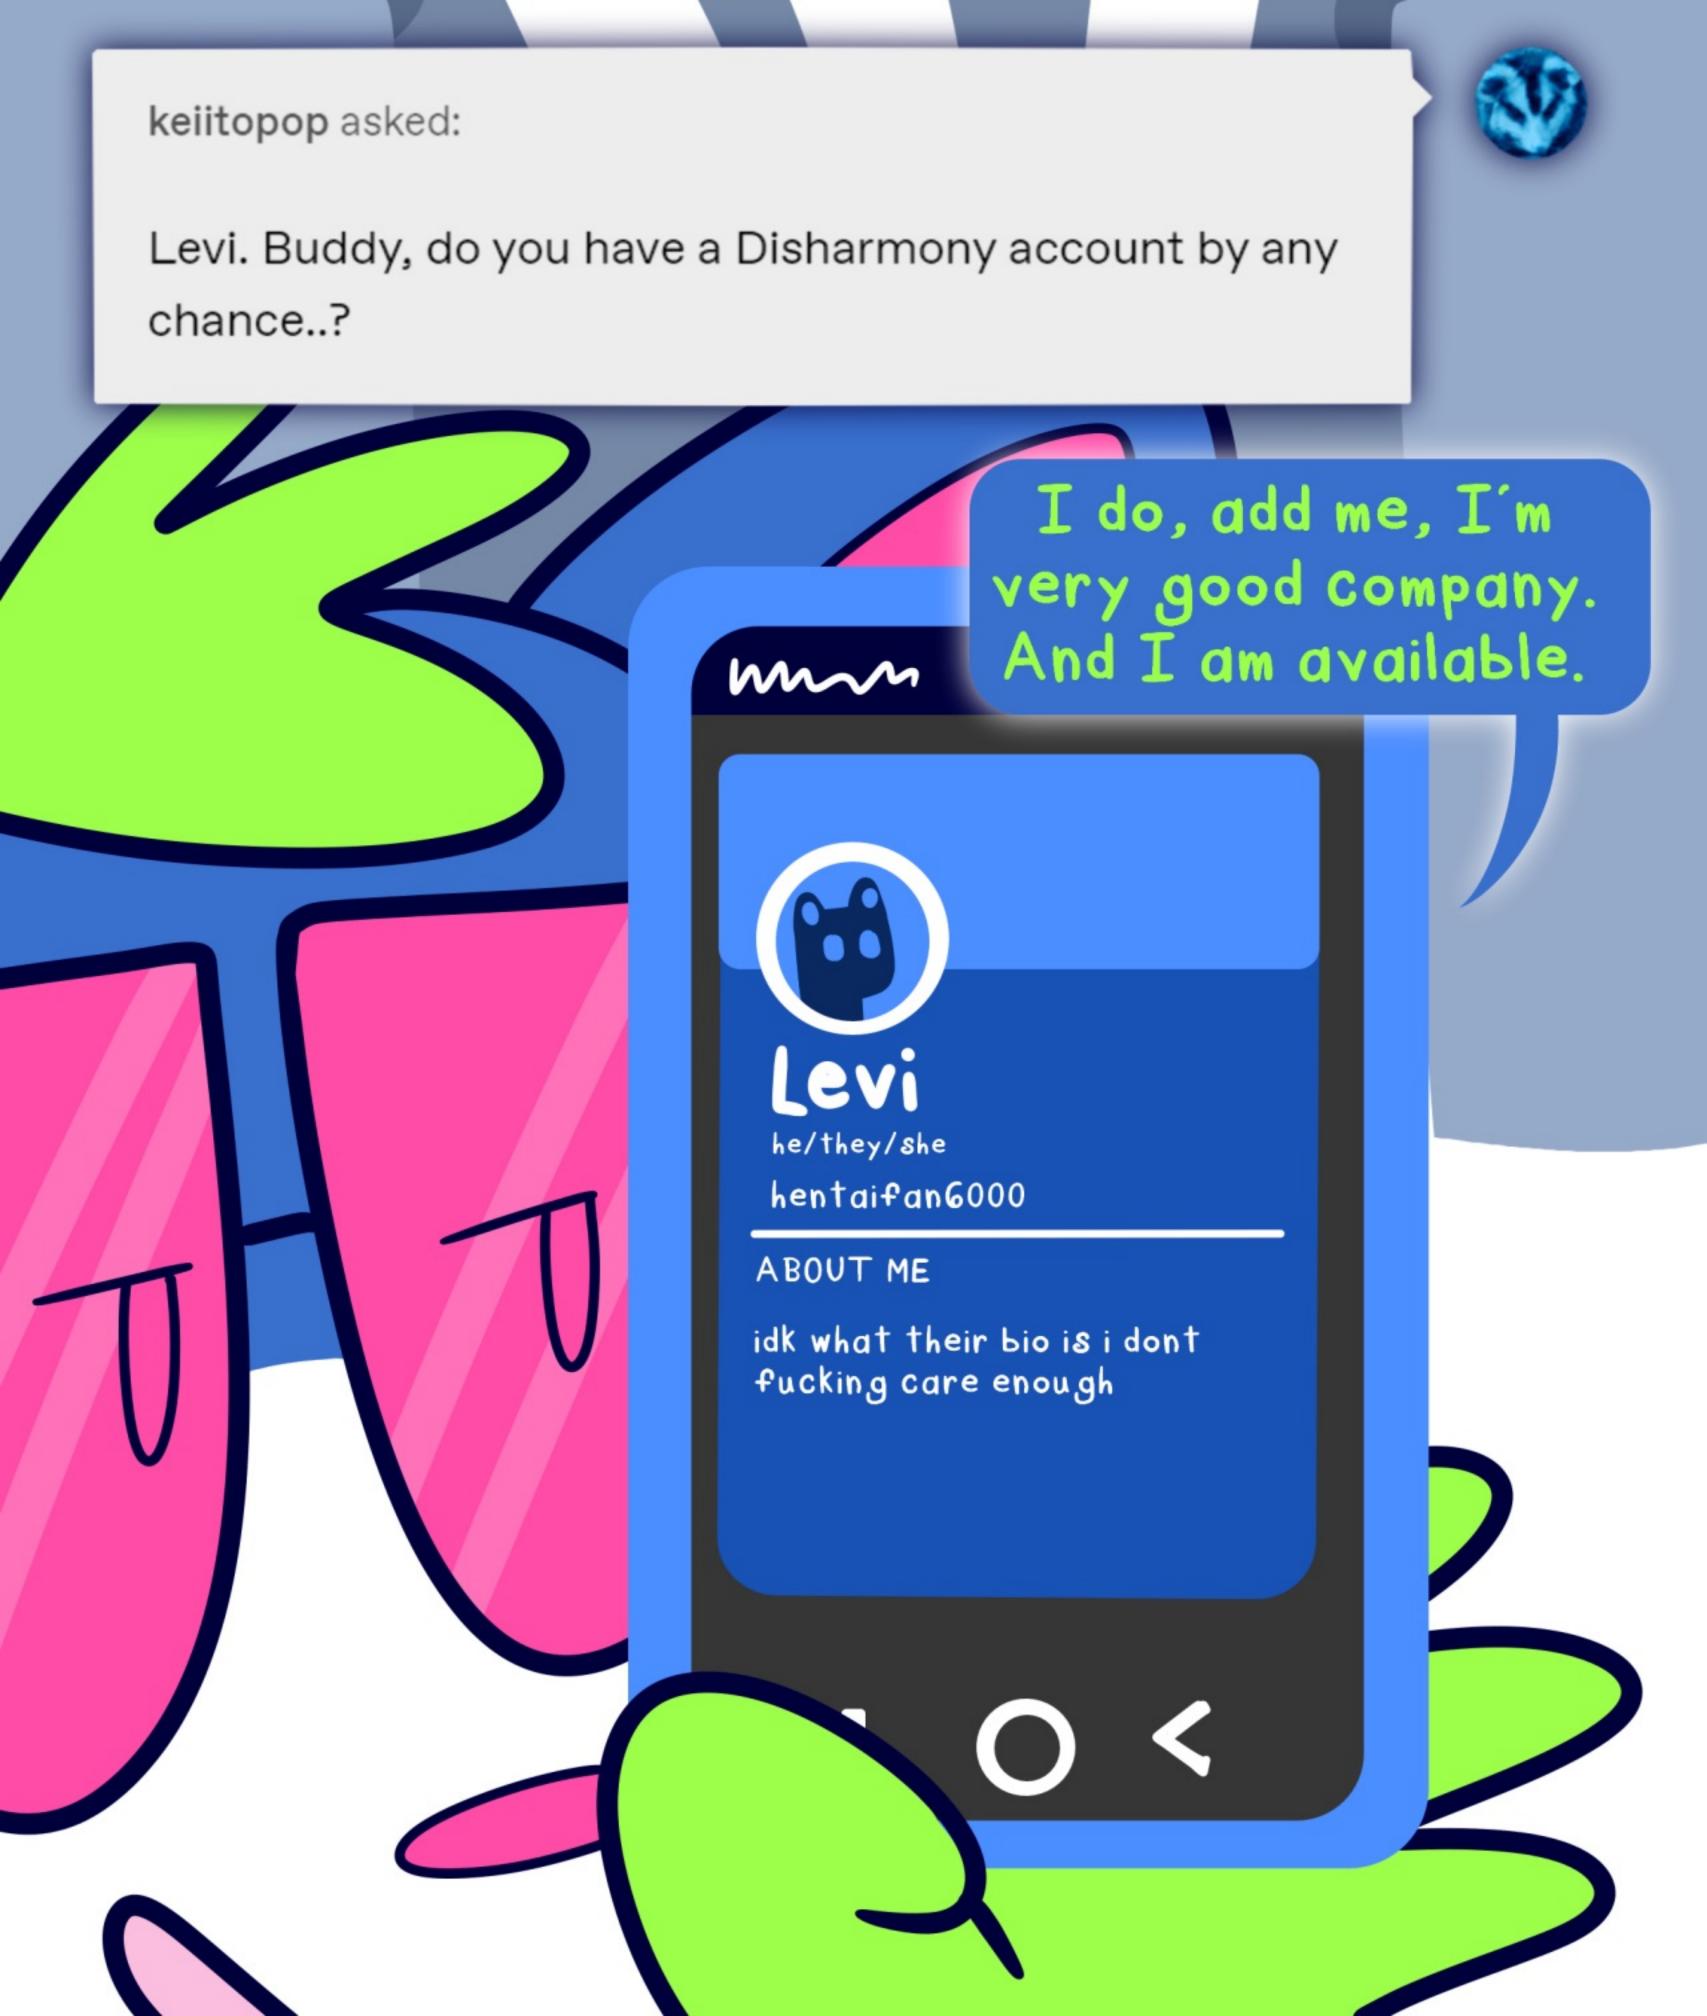

My dad is Till Fate
and my renny is Jay
Fortune! They're both
the best!!! Especially Jay,
they're nicer to me than
anyone!!!

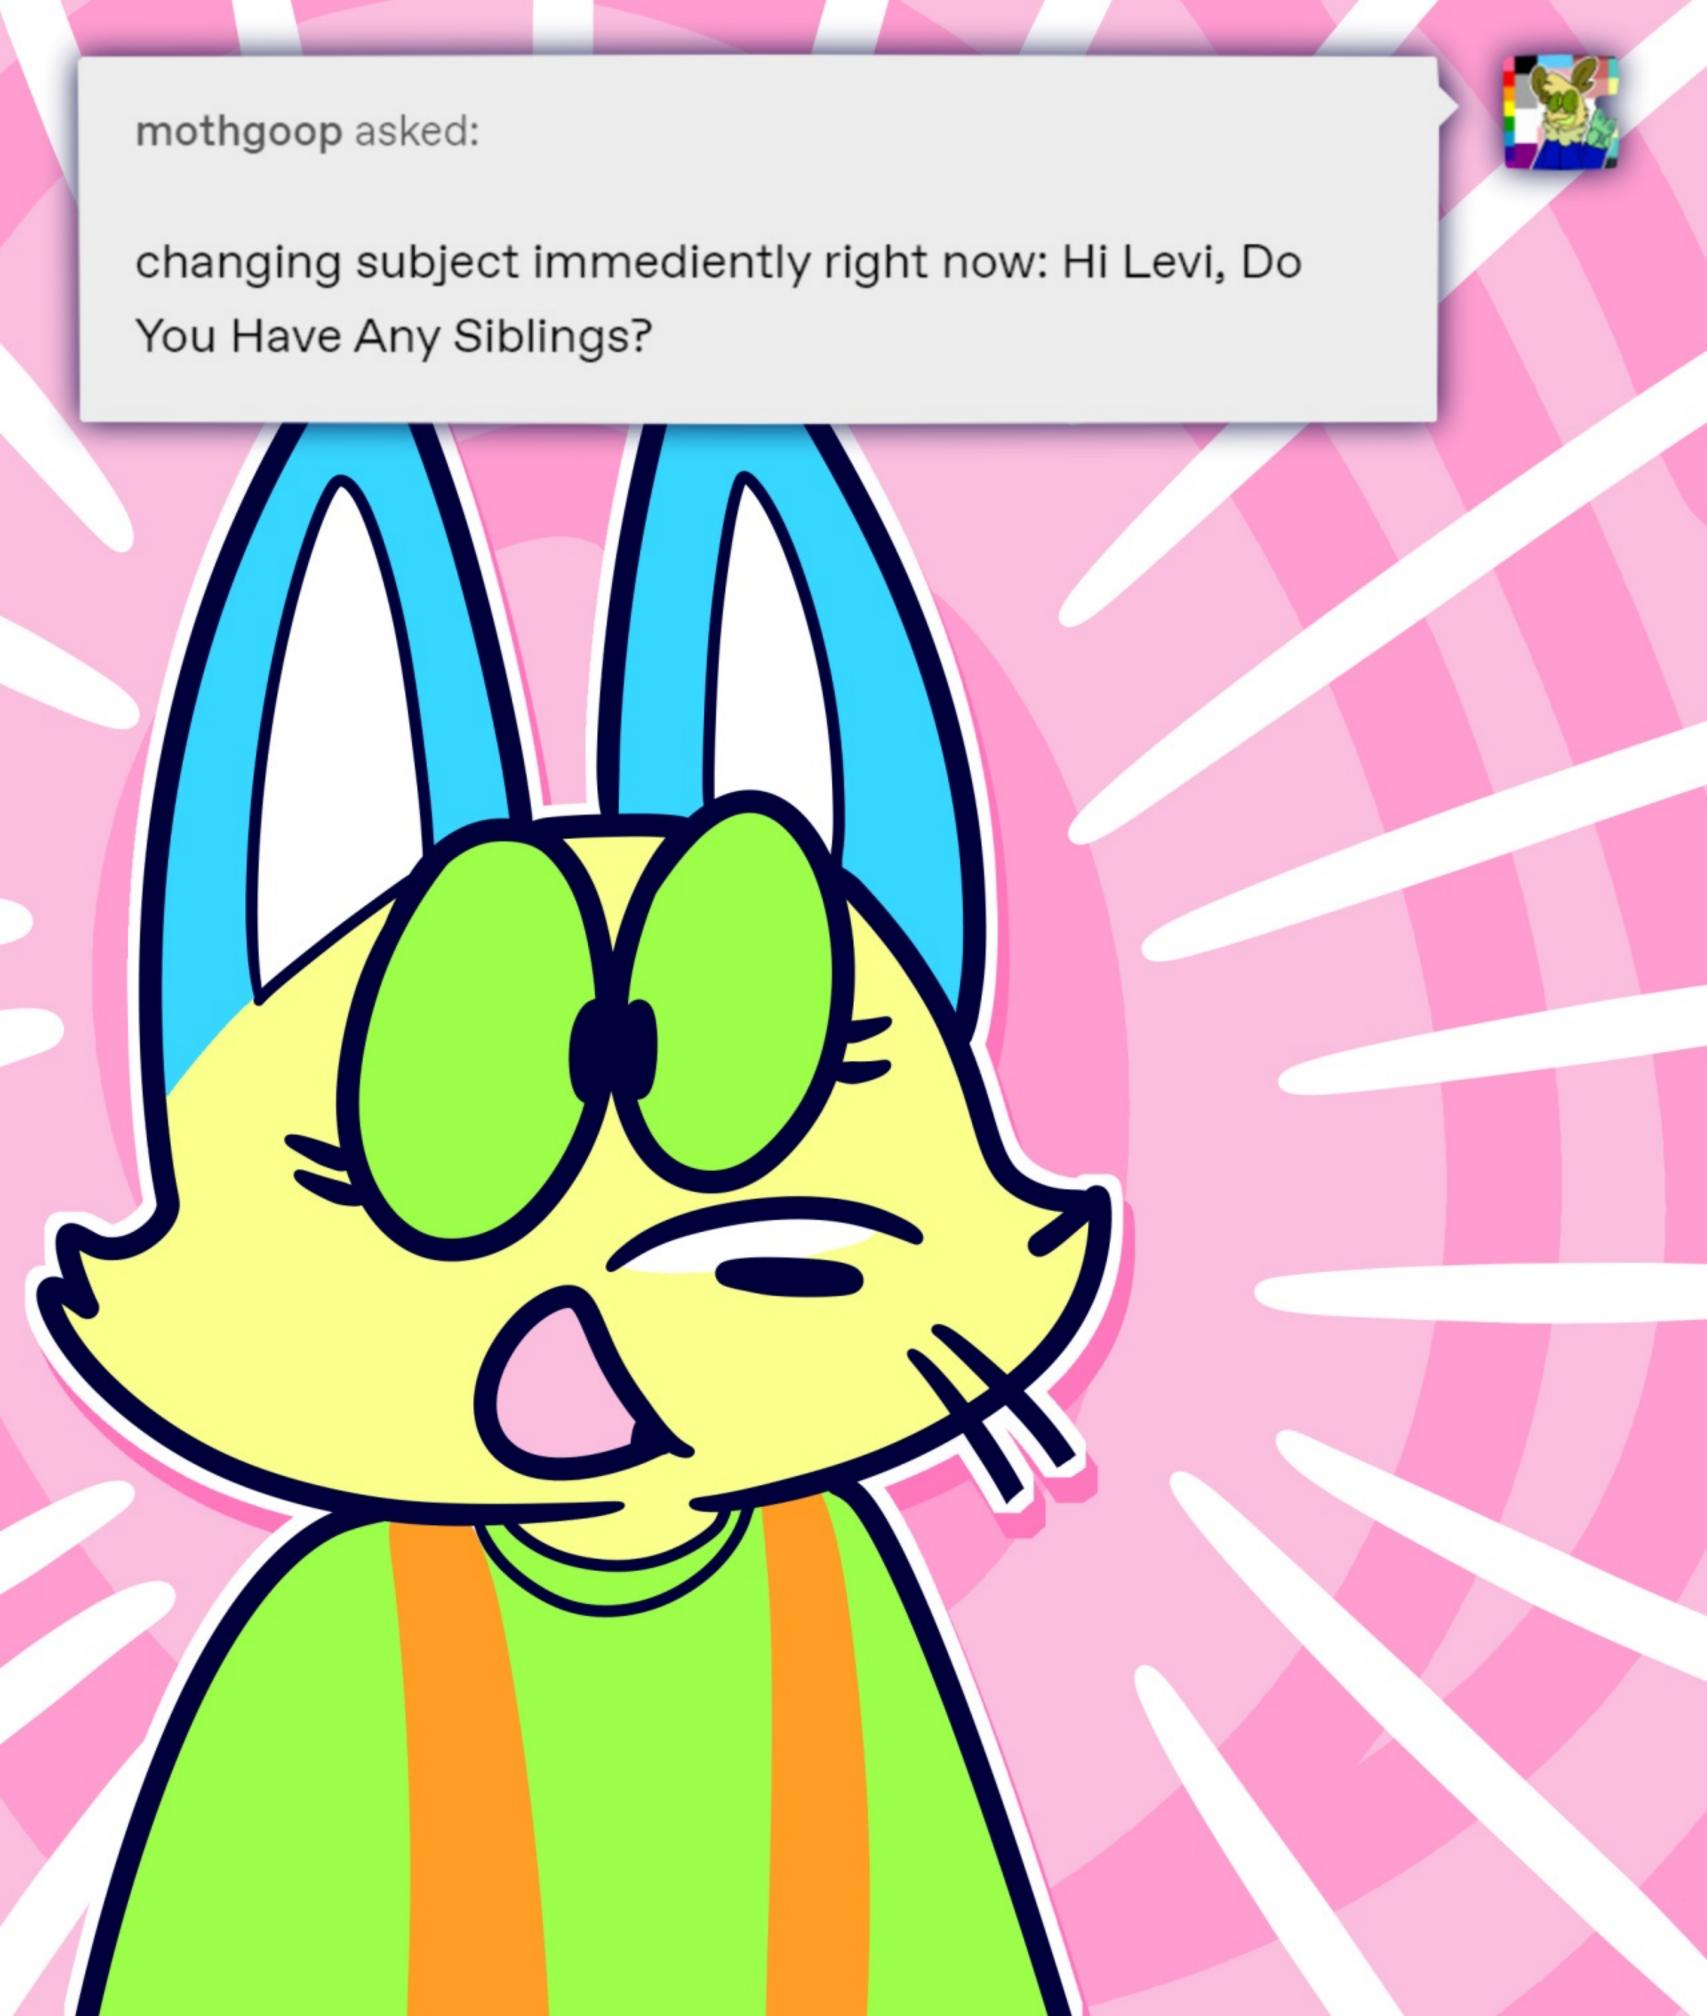

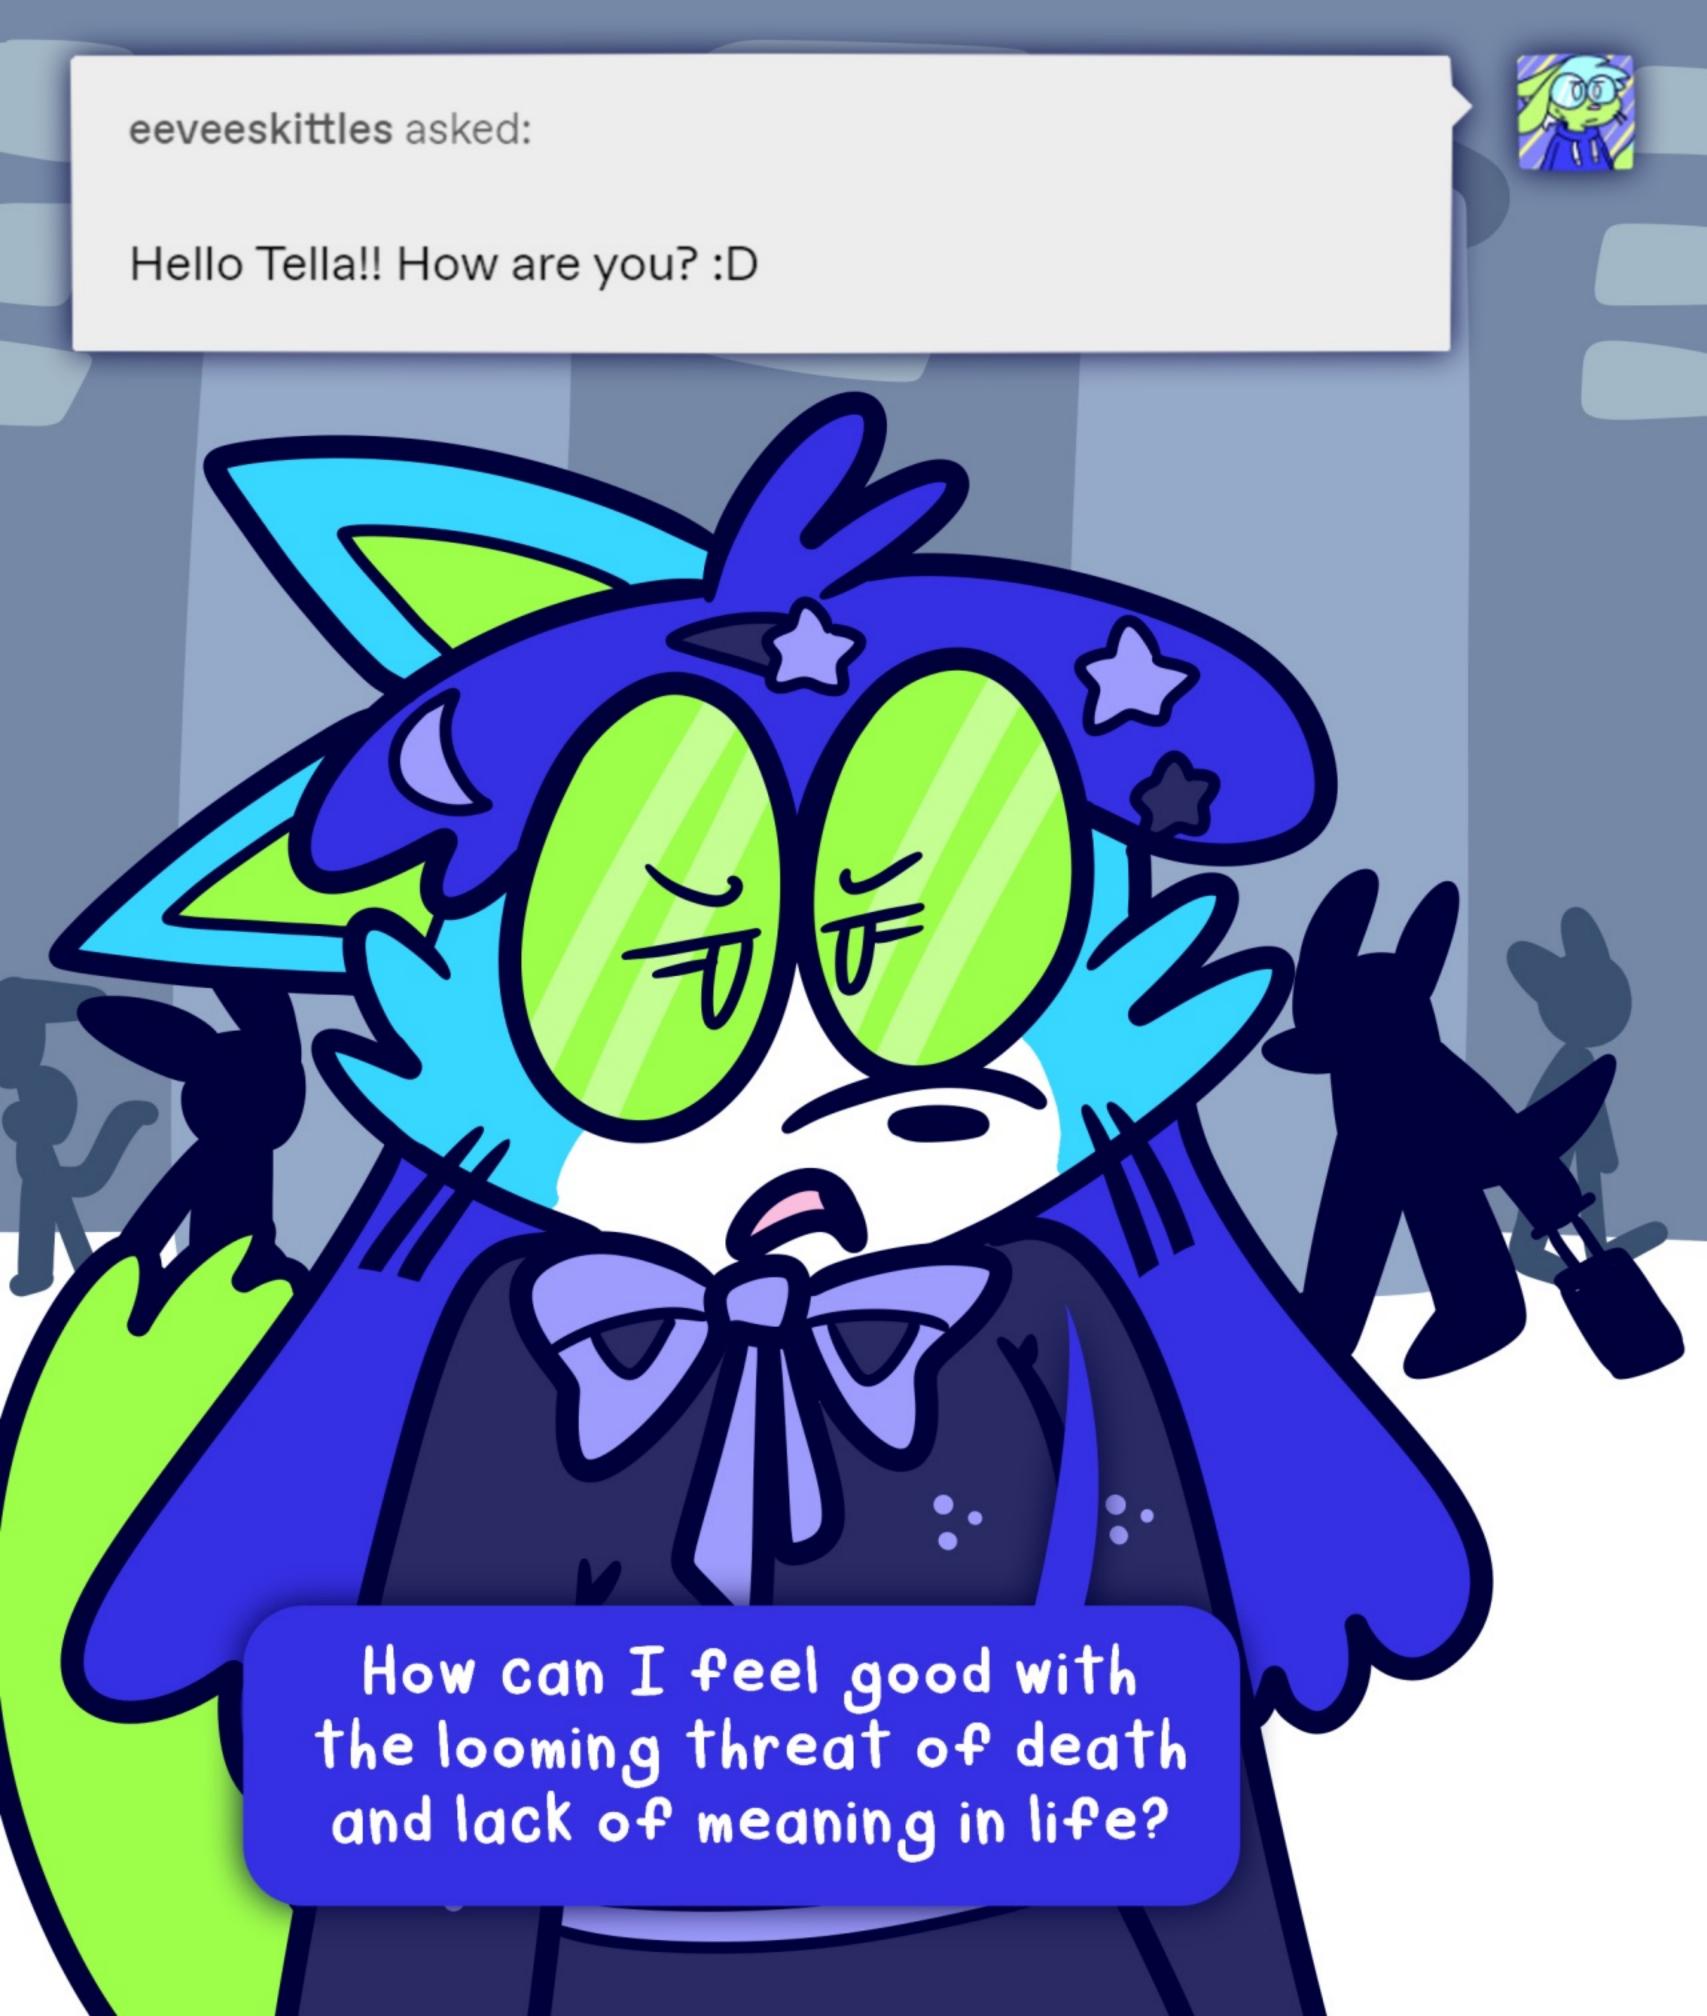

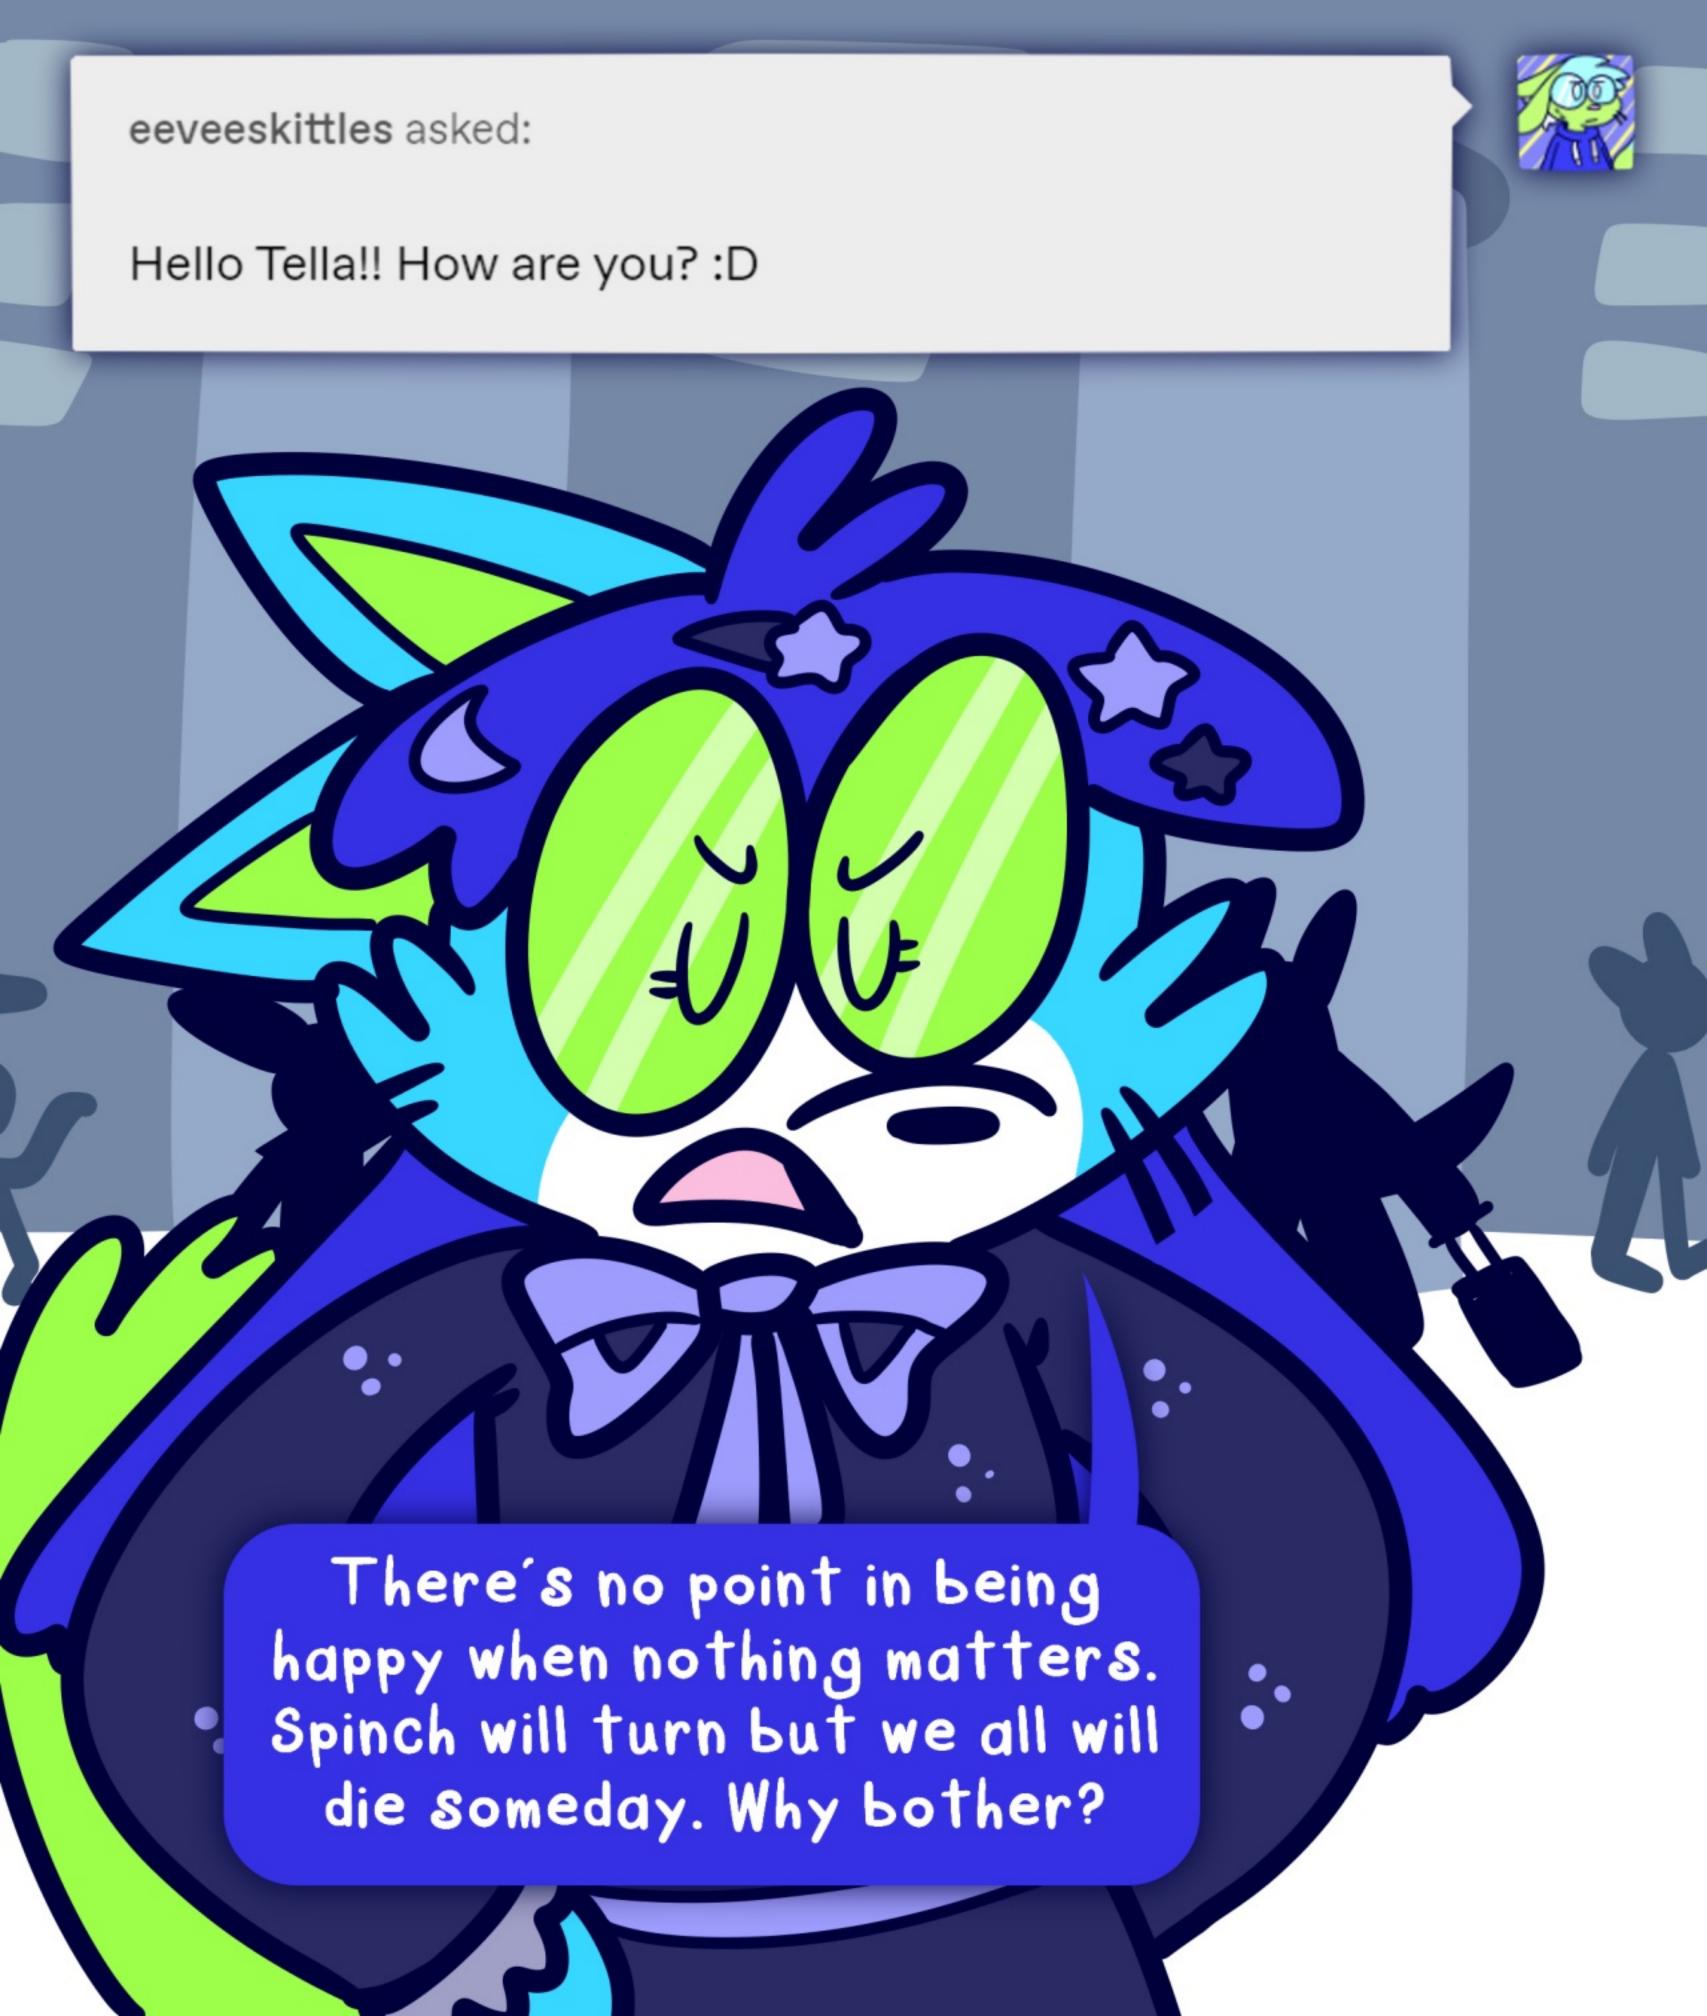

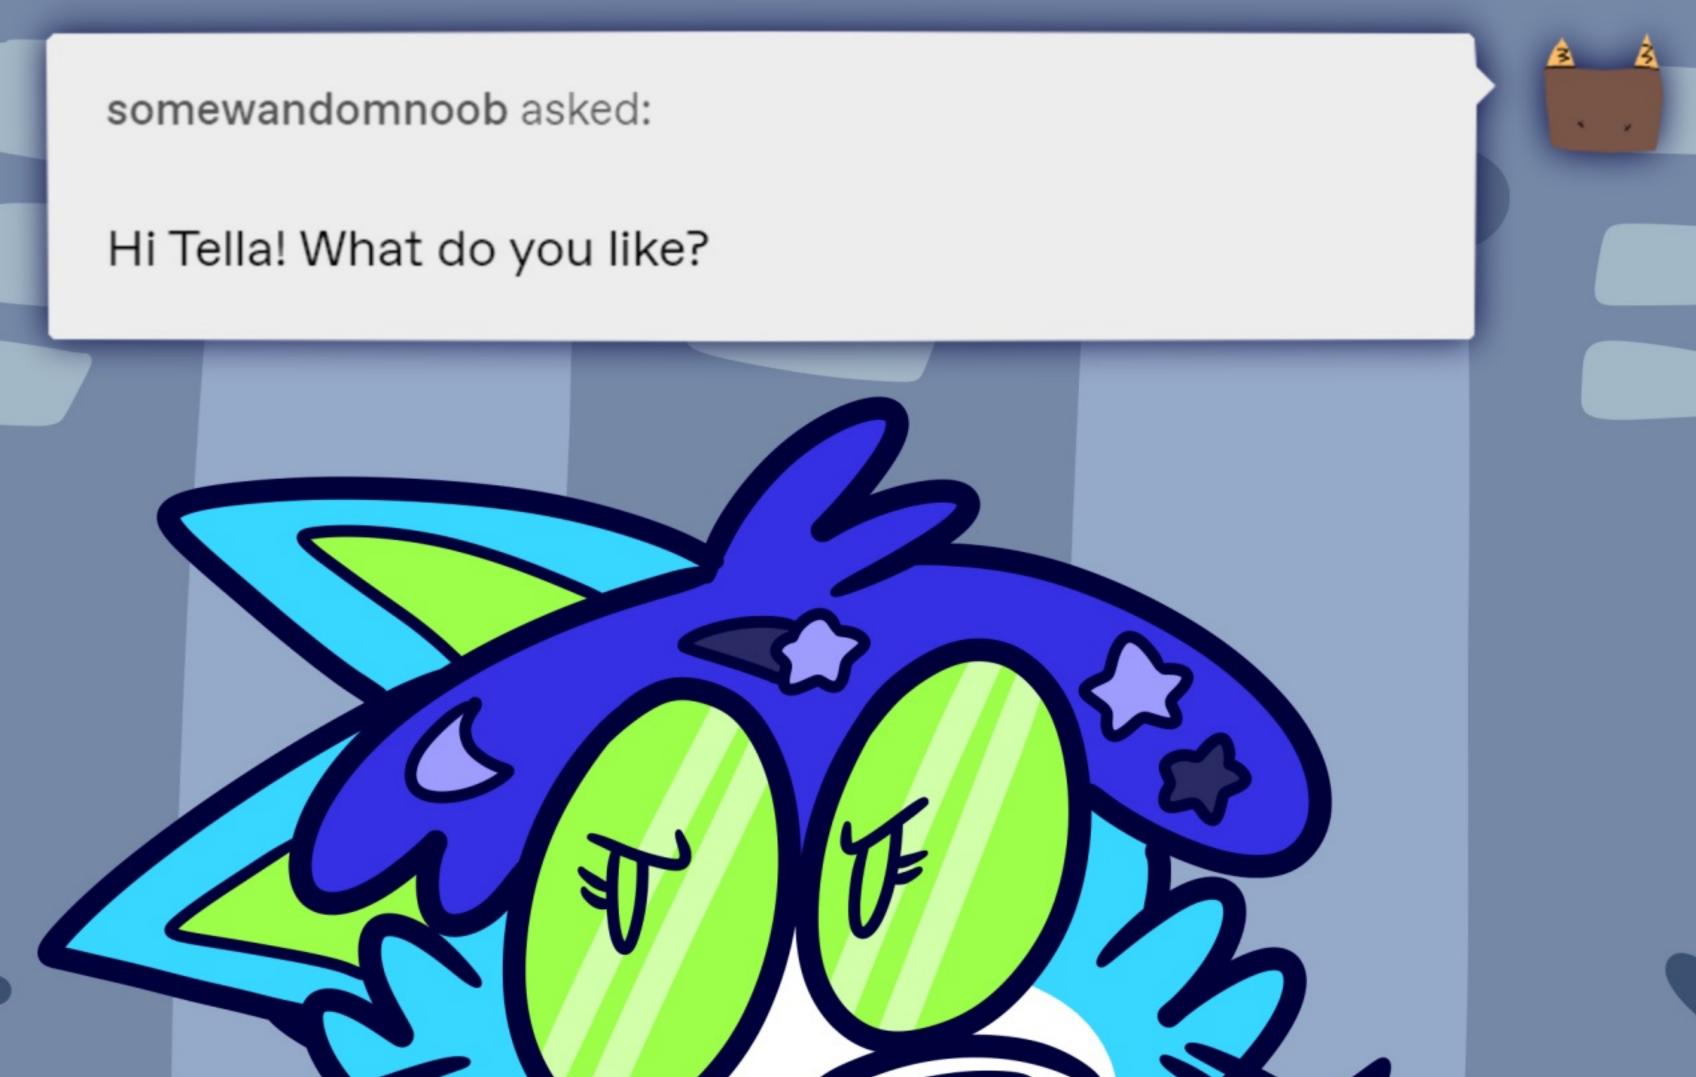

"Like"? Like??? I don't like anything or anyone. Everything is terrible. All media is bad in some way and you should never enjoy or support any of it.

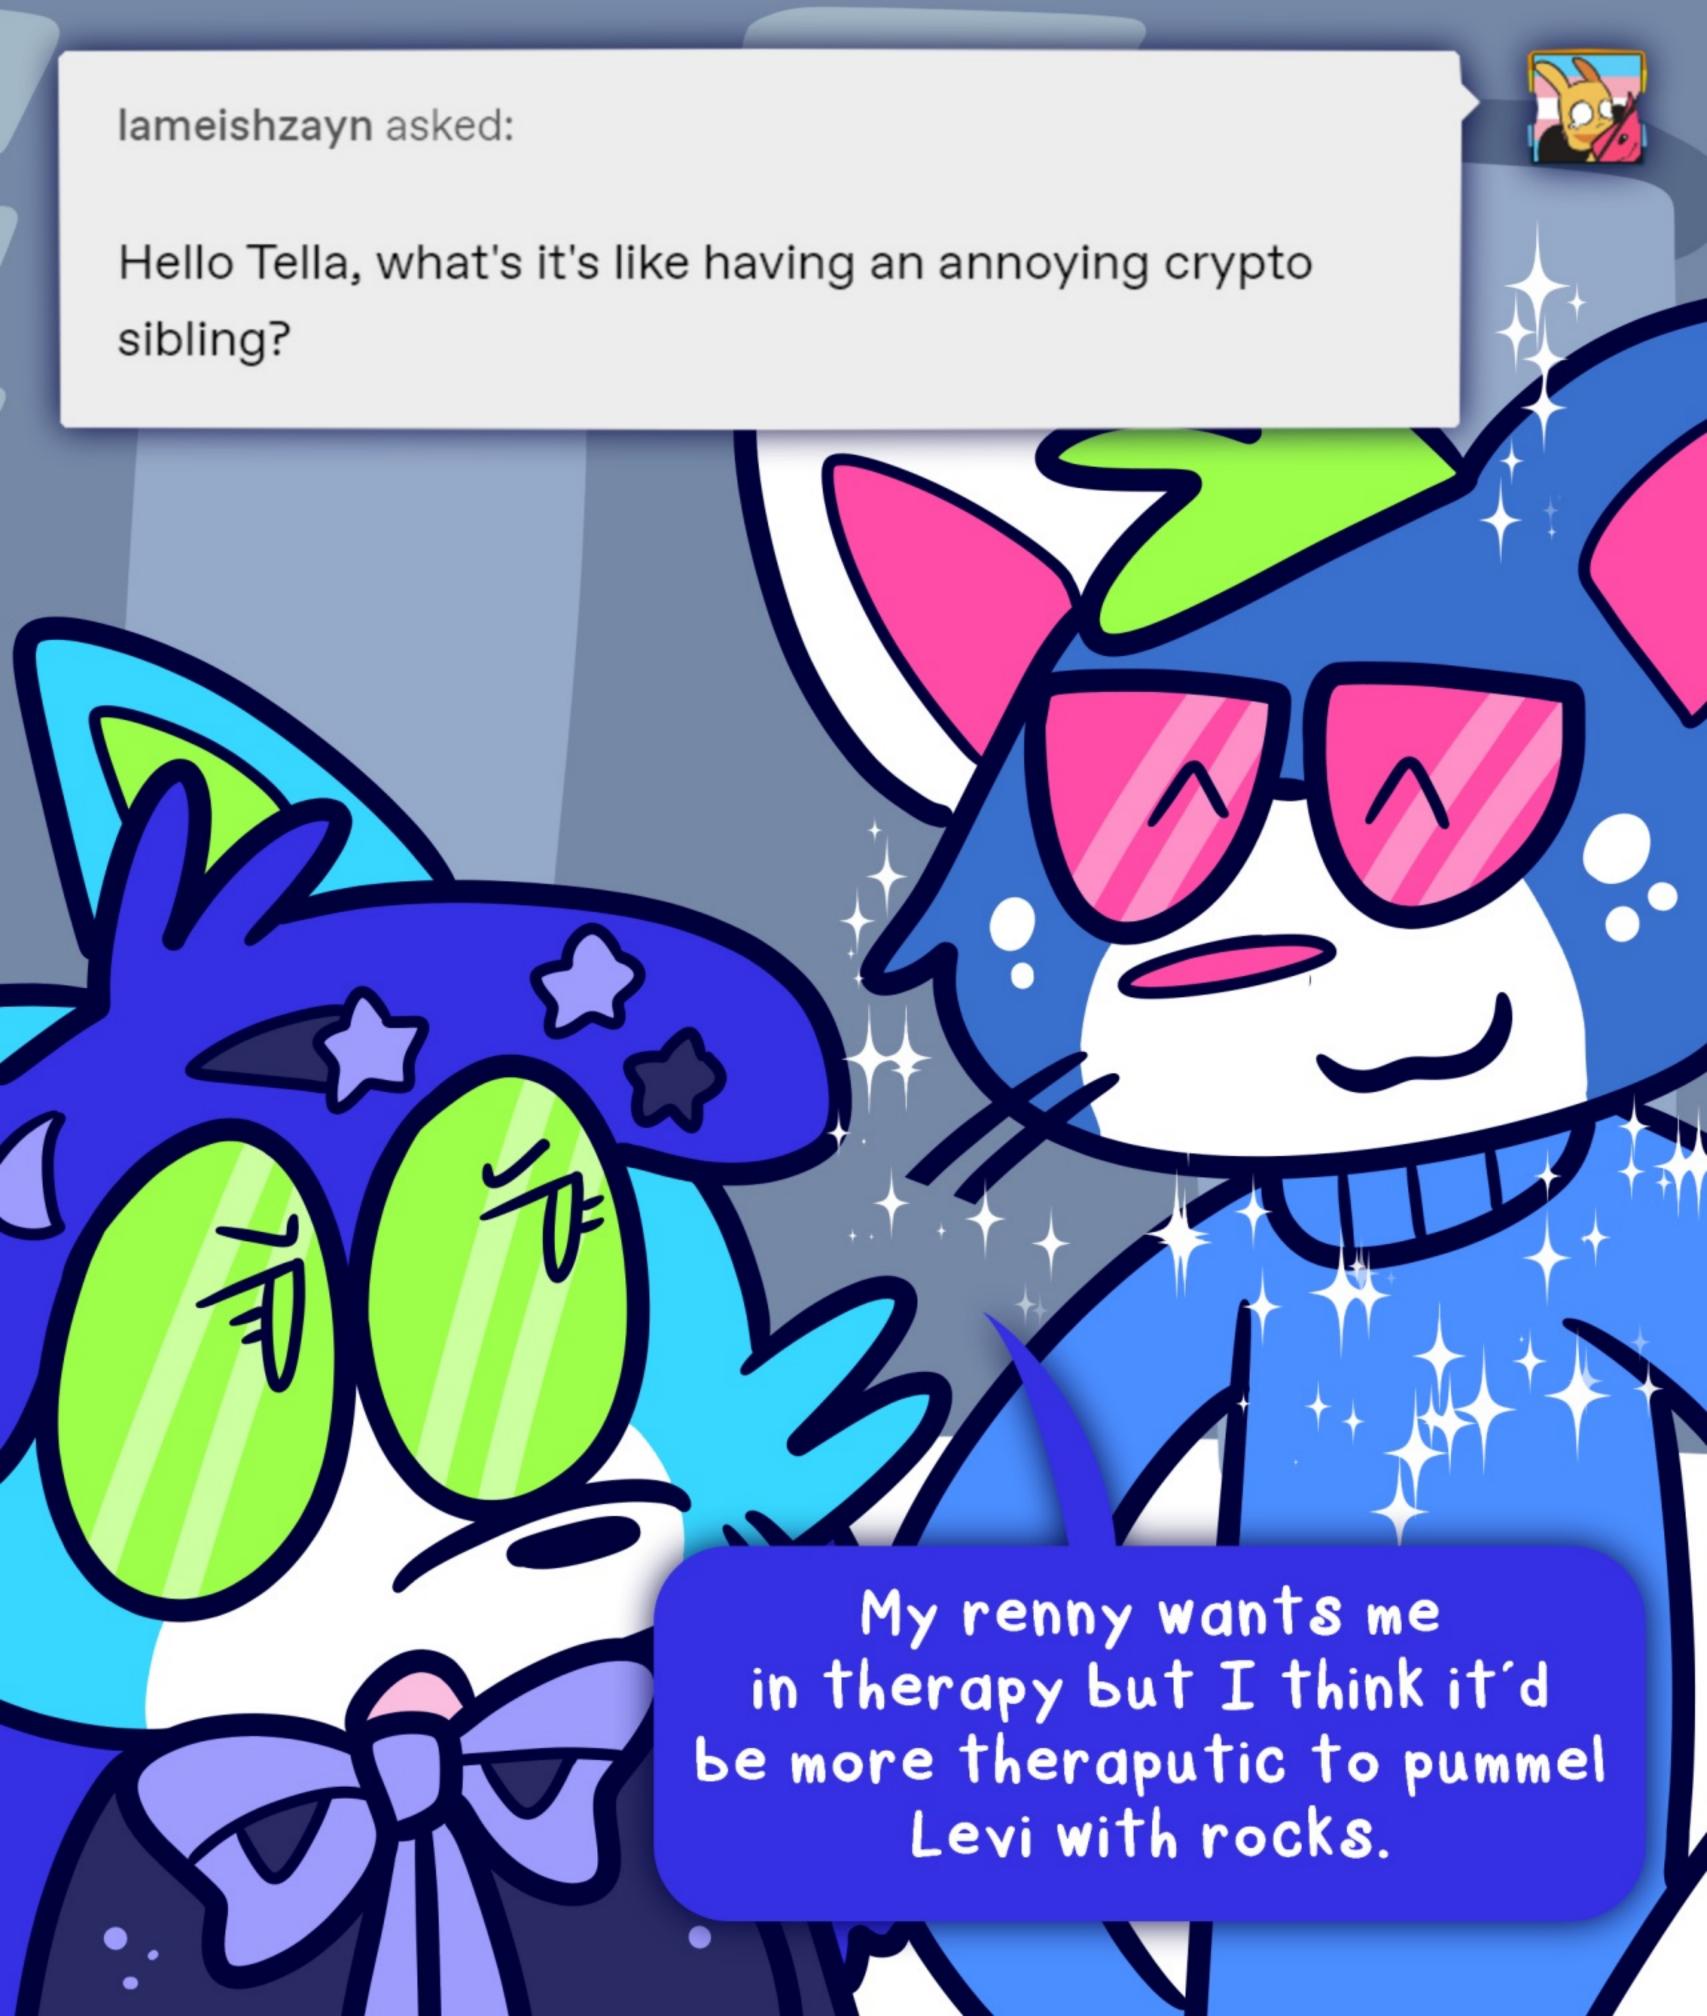

Hi Tella! What do you like?

I may not like anything, but I spend my meaningless days aesthetic blogging. There's no point in it, but it makes my time inching towards the end of the world go a little faster.

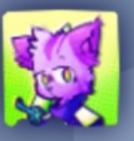

enderlordisadumbusername asked:

hi berry! how's it going?

kittkat56 asked:

Hello Berry!! I see that your a fan of farming. Do you grow your own plants? What kind of things do you grow?

I actually don't: I volunteer at a local orb farm because I love it so much! I've been into ferry caretaking and farming for several years!

It started as a summer volunteer thing but I ended up loving it!!!

jayflamestar asked:

hi berry! do you know if you were named after the other barry, or was that just a coincidence?

redtheheeler asked:

Hi berry! Do people get you and Barry mixed up?

doatunny asked:

hi erry! how does it feel to be the only normal sibling of the bunch?

I hate social media and being online. My siblings call me a grandpa for it, but I just don't get it at all. I prefer existing in reality, I get so bored just looking at a screen.

I use it for like, looking stuff up if needed, but I don't TALK to anyone.
Or have user profiles on anything or whatever they're called.

electricentertainer asked:

Hello Tilly, who are you and why are you redacted?

eeveeskittles asked:

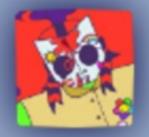

HI JAY AND TILLY!! :D Are y'all excited to be with the rest of the family for this trip?

cupidloathingcorner asked:

say that YOU can look up if theres a mall-mart on your phone. if youre comfortable enough to show the screen than do so. i know your brother isnt trying to trick you or anything.

colfestr asked:

OFFER TO LOOK IT UP FOR HIM INSTEAD

sinnamonsters asked:

Psst, Sly, just look it up for him, he won't see anything that way!

ivyloveheart asked:

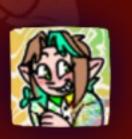

Maybe you could look up if there's a Mal-mart nearby for Marco instead of giving him your phone Sly?

juiceykw asked:

Maybe you could offer to look it up for him, instead?

WHAT IS IT? A "CREEPYPASTA" IS A HORROR-RELATED STORY FROM THE INTERNET. THEY'RE MOST OFTEN SHORT WORKS OF FICTION THAT ARE INTENDED TO SCARE ITS READERS. SUBJECT MATTER CAN VARY FROM PARANORMAL THINGS TO CORRUPTED HORROR TAKES ON TV SHOWS OR VIDEO GAMES. THE NAME ORIGIN IS A COMBINATION OF "CREEPY" AND "COPYPASTA" WHICH MEANS A VIRAL COPY-PASTED TEXT.

NO CREEPYPASTAS FIRST APPEARED IN THE FORM OF CHAIN EMAILS (THE INTERNET VARIANT OF CHAIN LETTERS) THAT WERE SPREAD AROUND BY SCARED INDIVIDUALS WHO WERE AFRAID BAD THINGS WOULD HAPPEN IF THEY DIDN'T FORWARD AN EMAIL CONTAINING A SCARY STORY AND THREAT TO A CERTAIN AMOUNT OF PEOPLE.

MAJOR SITES
DEDICATED TO SHARING
THESE WORKS OF HORROR
FICTION POPPED UP IN THE
LATE 6000S. BY 6010, THESE
STORIES WERE EXTREMELY
POPULAR ON THE INTERNET.

NOTABLE CREEPYPASTA CHARACTERS SUCH AS JACK THE HACKER CAME ABOUT IN THE LATE 6000S TO EARLY 6010S. JACK THE HACKER'S STORY, LIKE MANY OTHERS, IS ACCOMPANIED BY A CREEPY IMAGE THAT ITS UNEDITED VERSION WAS UNKNOWN FOR YEARS UNTIL 6029 WHERE THE ORIGINAL IMAGE WAS FINALLY FOUND ON AN INTERNET ARCHIVE OF A VERY OLD FORUM SITE.

SO MUCH FOR IMMERSION...

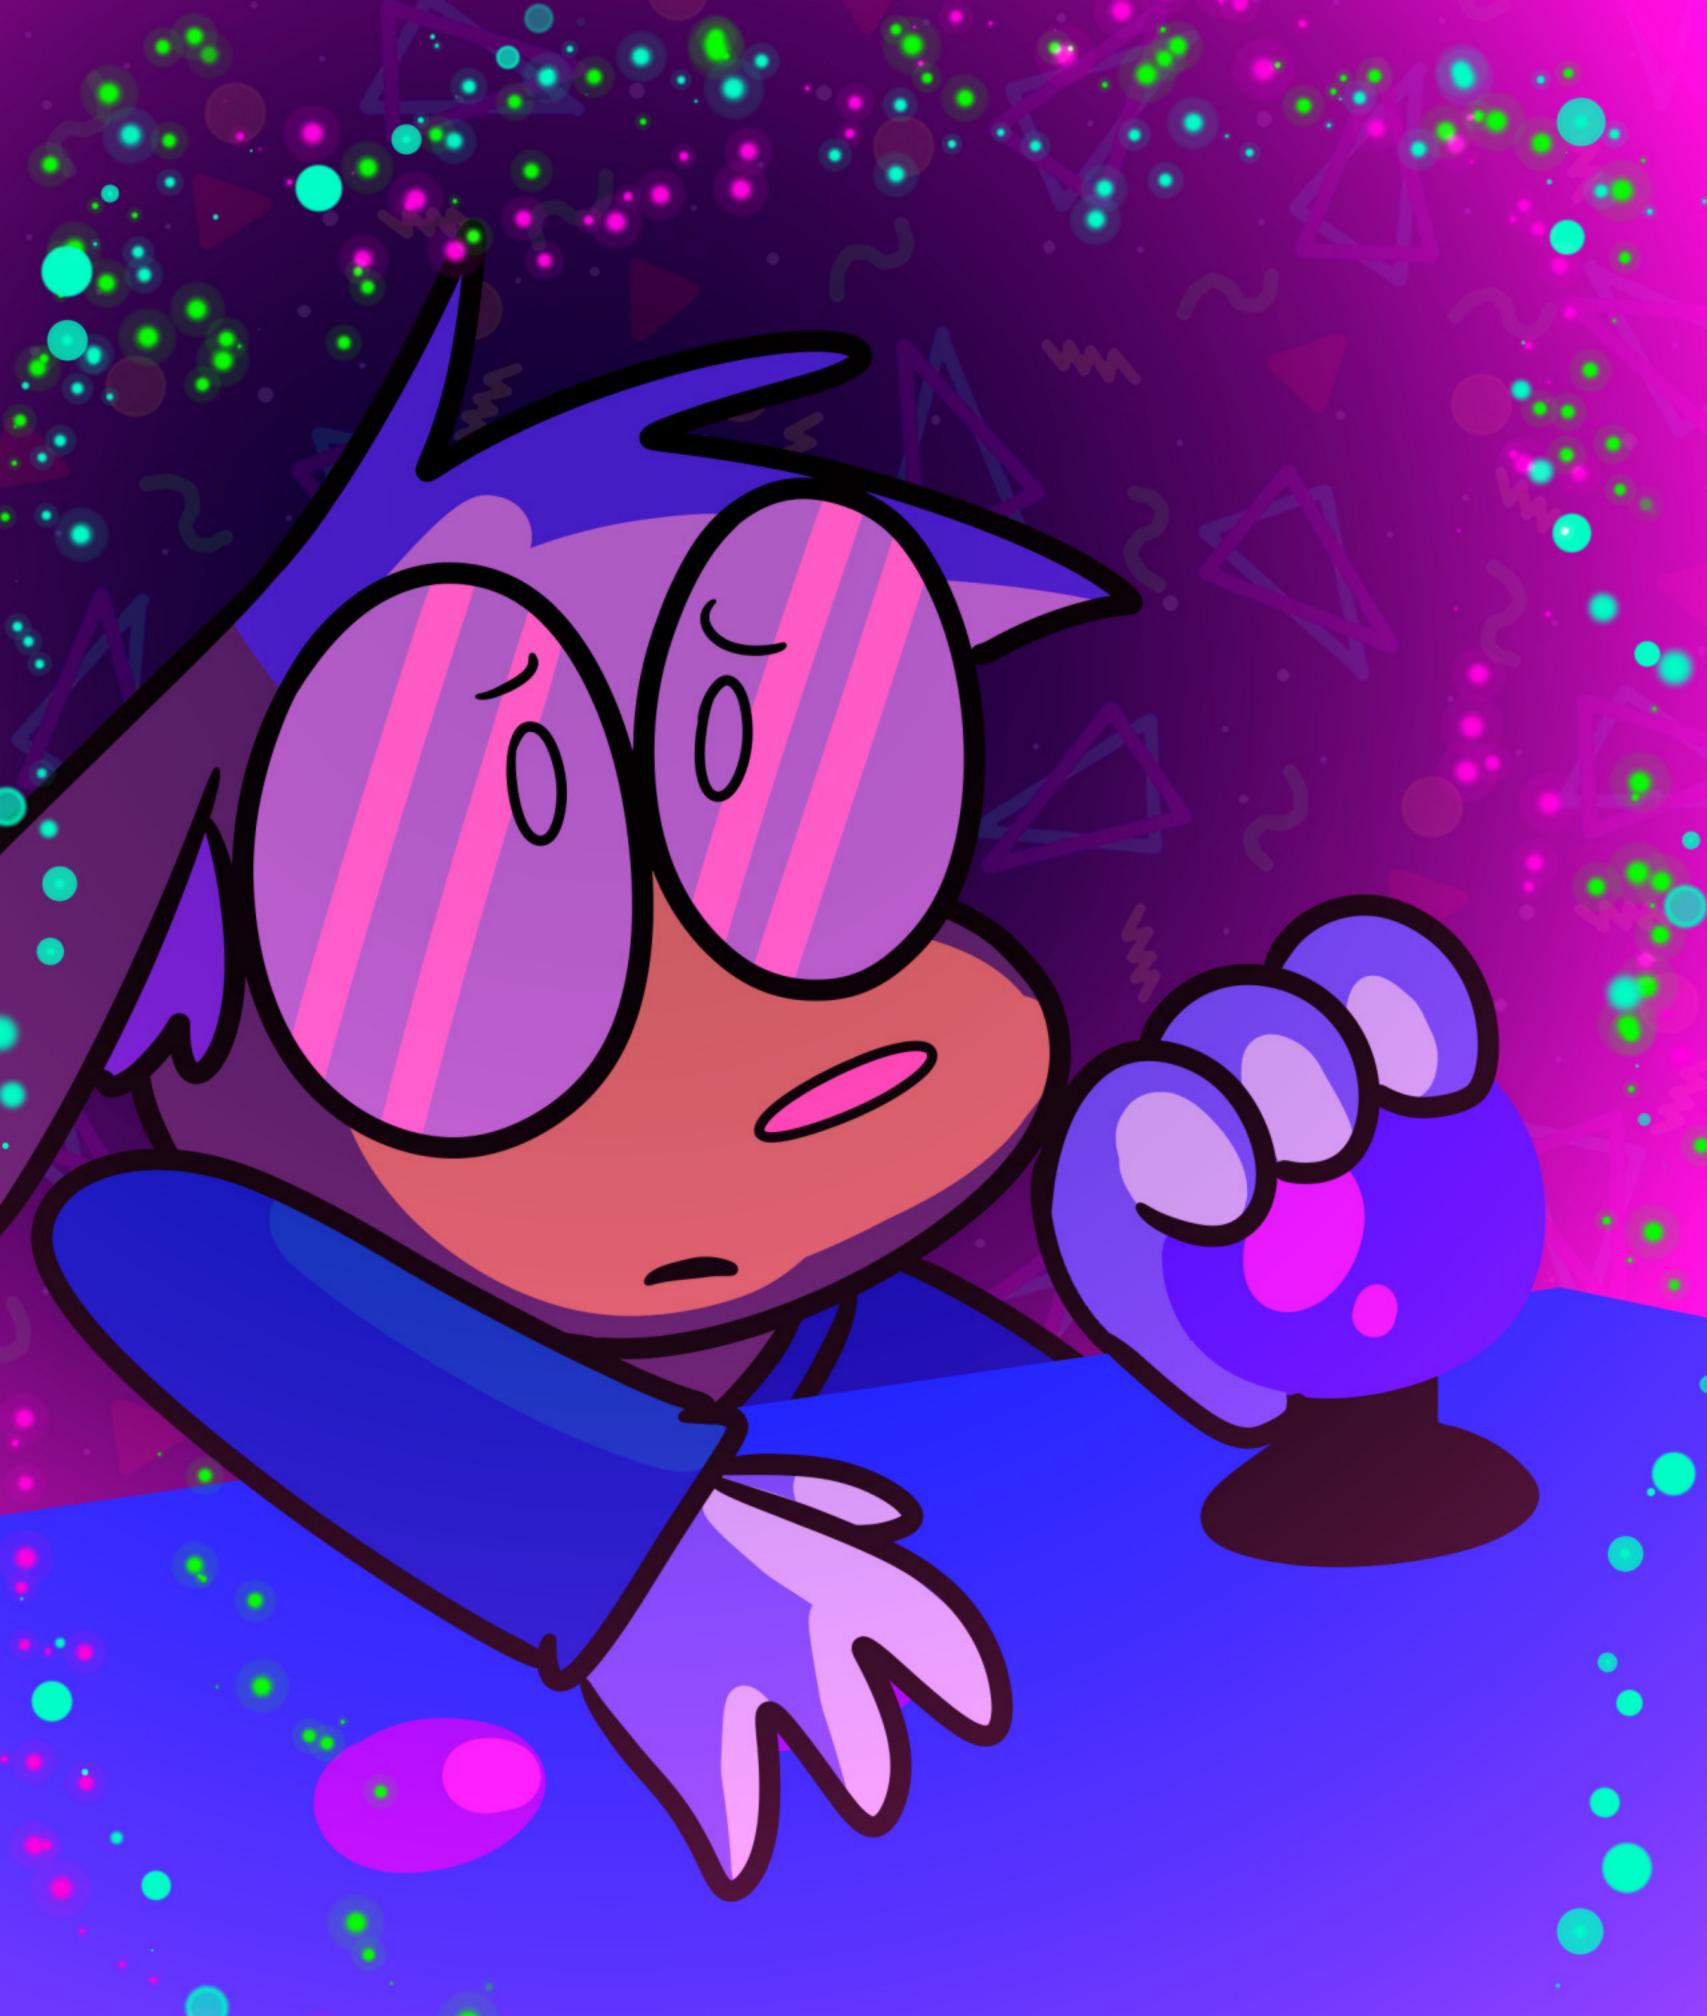

THESE GAMES ARE SAID TO HAVE TAKENLIVES, POSSESSED PEOPLE, OR EVEN BRAINWASHED THEM.

ALL HOAXES CAN BE TRACED

hi uni and doom!! how are you holding up with all the... uh. scary stuff in here?

kittykittycatnip asked:

3ndl35s-dre4m1ng asked:

Doom do you enjoy being around uni

uzibitez asked:

Doobie!!!! Ur dating Miley and Bec right? How are they and the rest of the found family (Jandy, Pepper, Scratch + the two I just mentioned) doing? Or- Do you know where they are right now?

bonefruitssc asked:

Doom. Ain't it so fucking cool you get to call her your wife. She's your WIFE

meowwideweb asked:

So doom, how much do you like uni?

potassium-guy asked:

Hey heads up you two, Sly is running out of the exhibit

tapricornzzz asked:

why not visit the cog memes exhibit you two?

HI MANUES

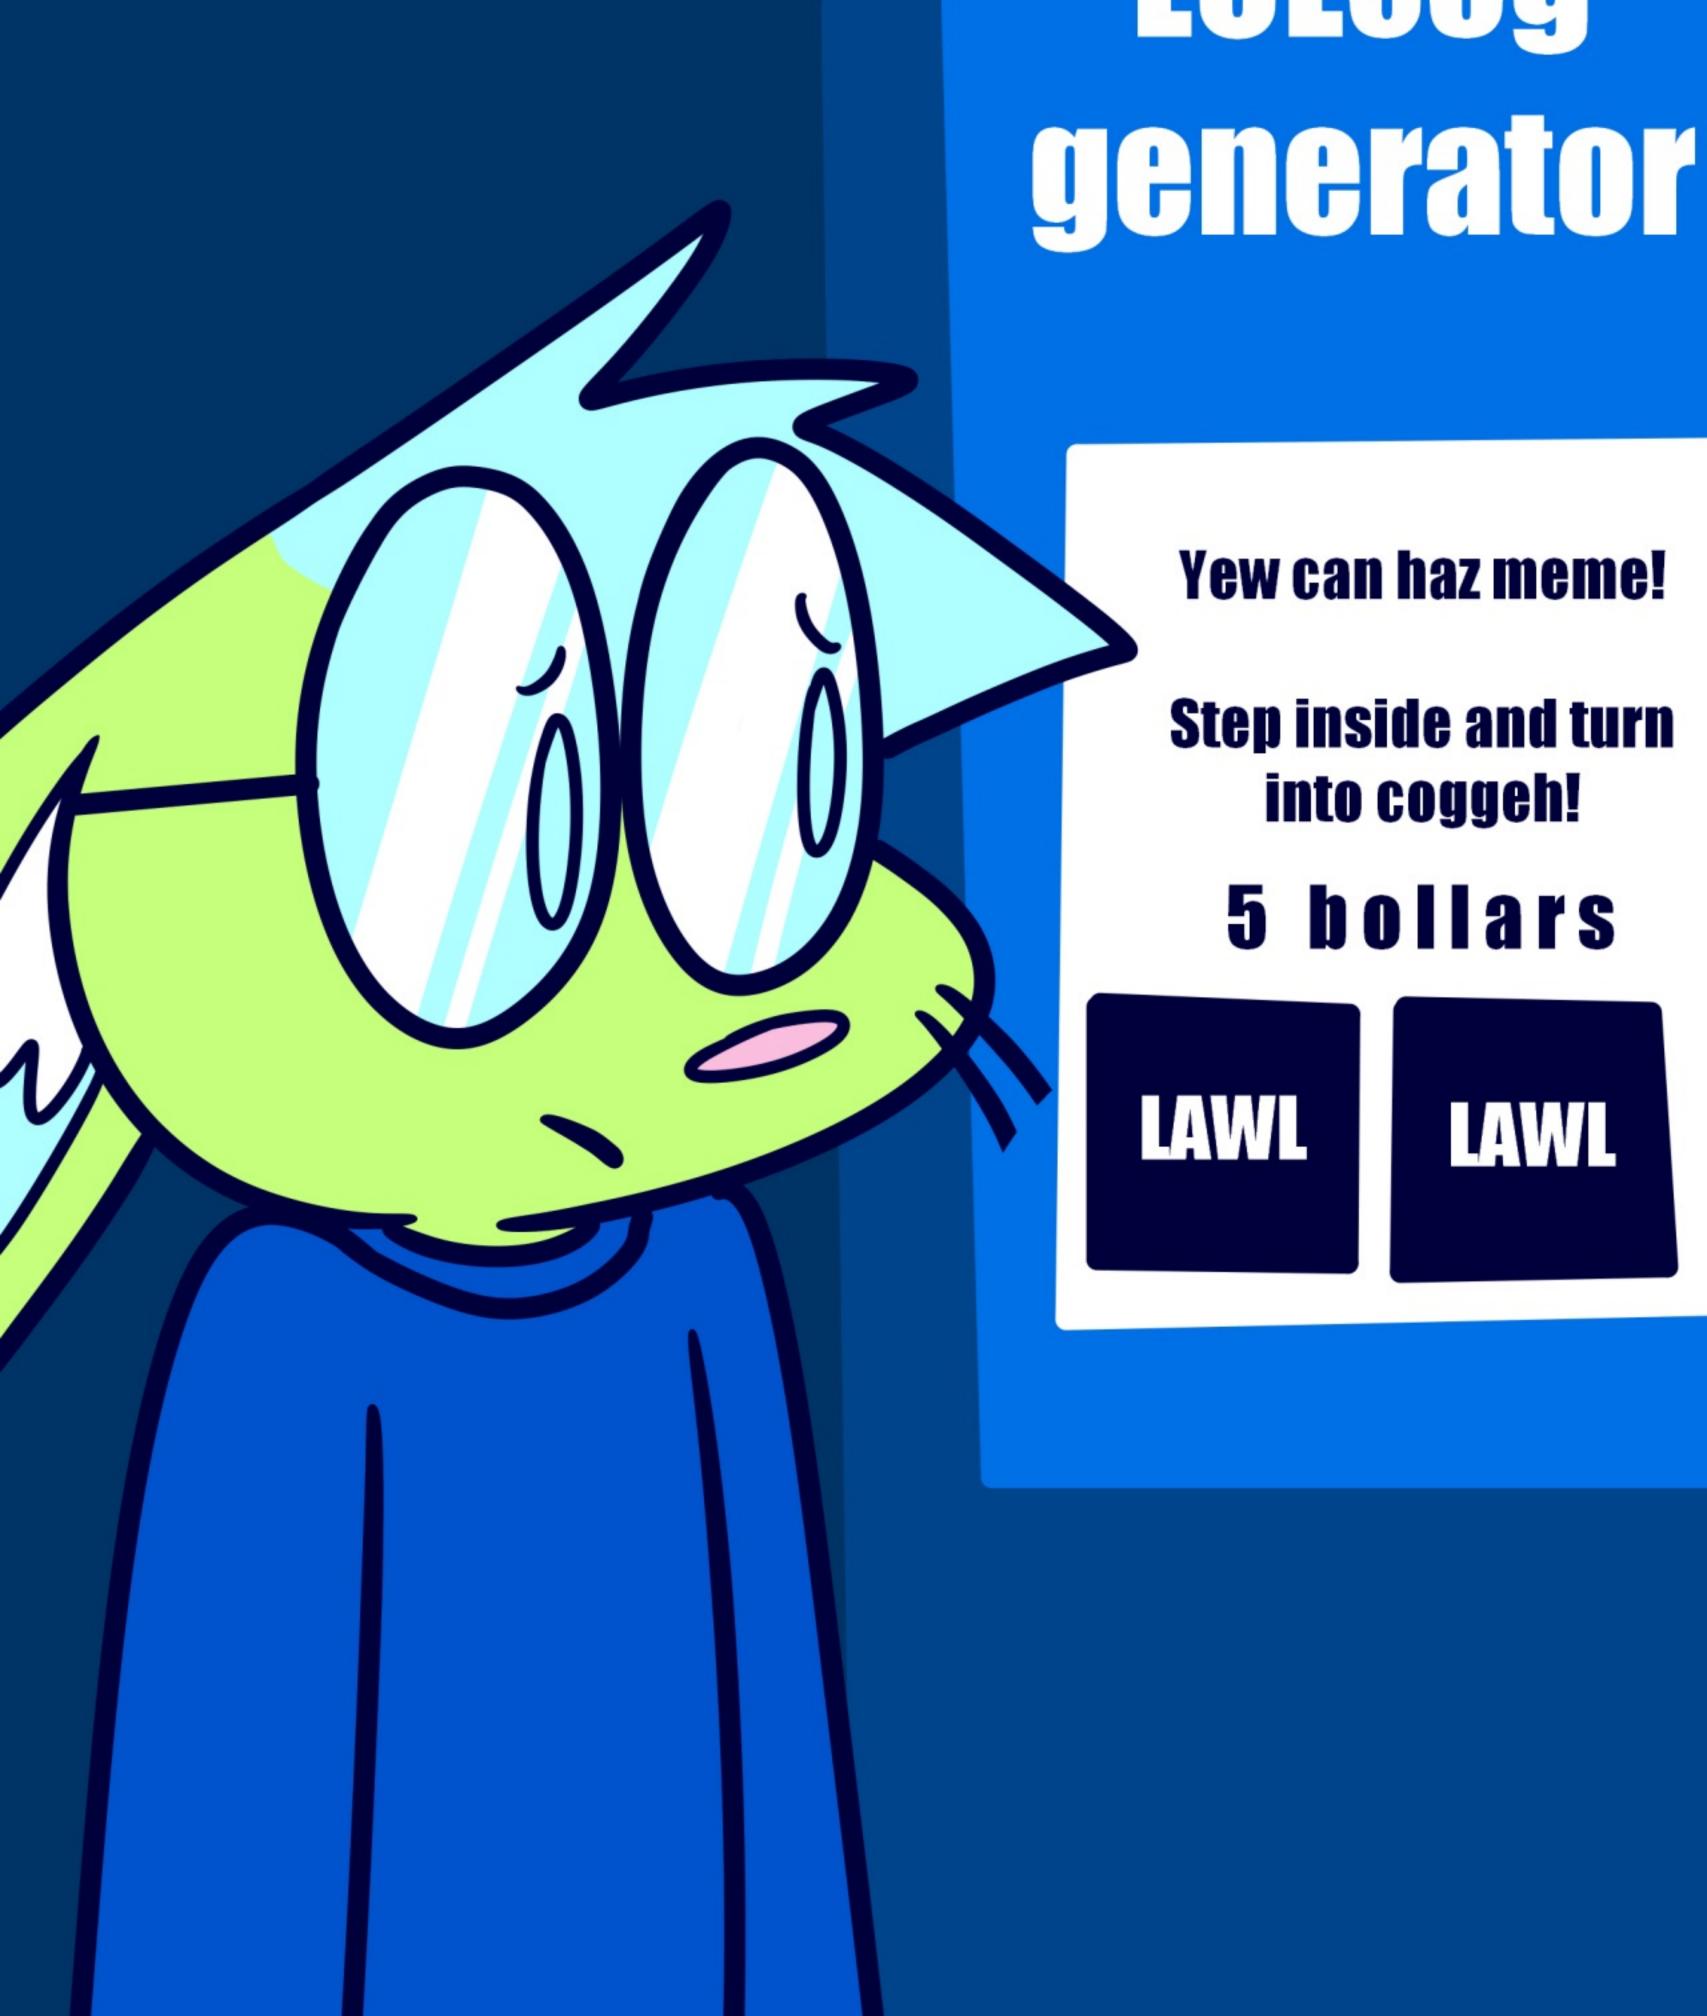

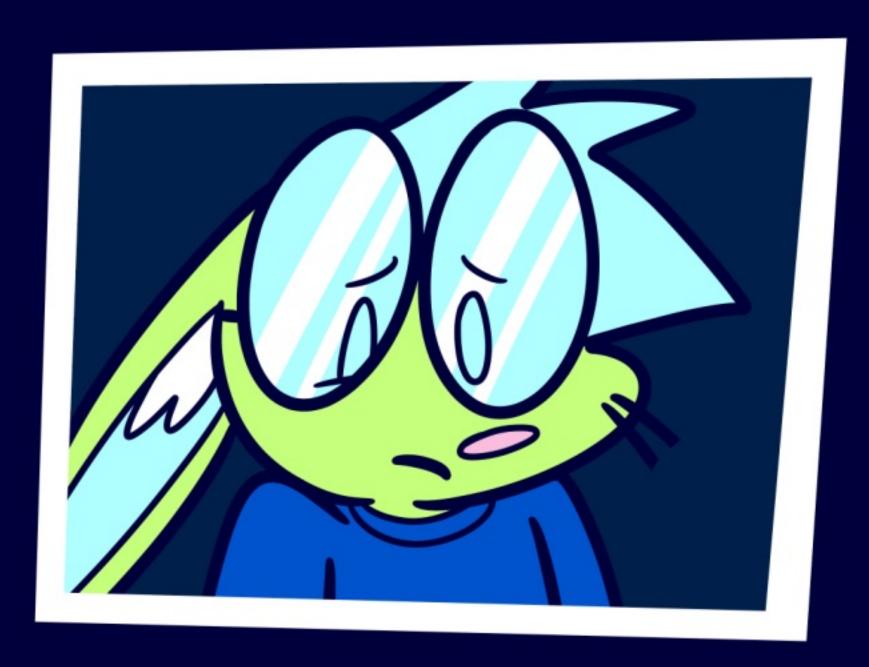

Who came up with these options...???

PRE GENERATED **VIBE EVAL**

JUST HIT ME WITH IT DOC

JUST HIT ME WITH IT DOC

That looks nothing like me! Who even came up with this?!

ashes-to-rainwhisker asked:

Hey Charmy, having fun at the exhibit?

Hmph, NO. I think cogs are LAME. I'm only in here cuz my baby sister Bubra wanted to see it. She's really into cogs and ferries.

Which is fine.

I just hate that I'm always being forced to take her places like this by our foster parents.

mothgoop asked:

Hi new person! How're you enjoying the museum?

Meh. The museum itself isn't bad, it's cool to learn history, but I just wish I could like, come here on my own accord.

Not as a chaperone for my sister. You get me? It takes away the fun.

cherrycobblerpie asked:

AYEEE GRUMPY CHARM TELL US ABOUT YOURSELF MATE:D

foolishly-snowy asked:

Charmy, do you and Sly know each other? From school maybe? :o

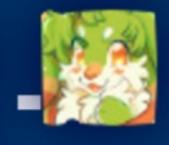

YIPPEE BUBRA!! You having fun so far? :]] What's some of your favourite things you've seen so far?

mothgoop asked:

Hi Bub! Sly has a sister who also really likes aliens and space stuff, kits around here somewhere, maybe you can talk to her about it?

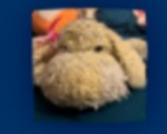

Sly, you wanna go on the ride?

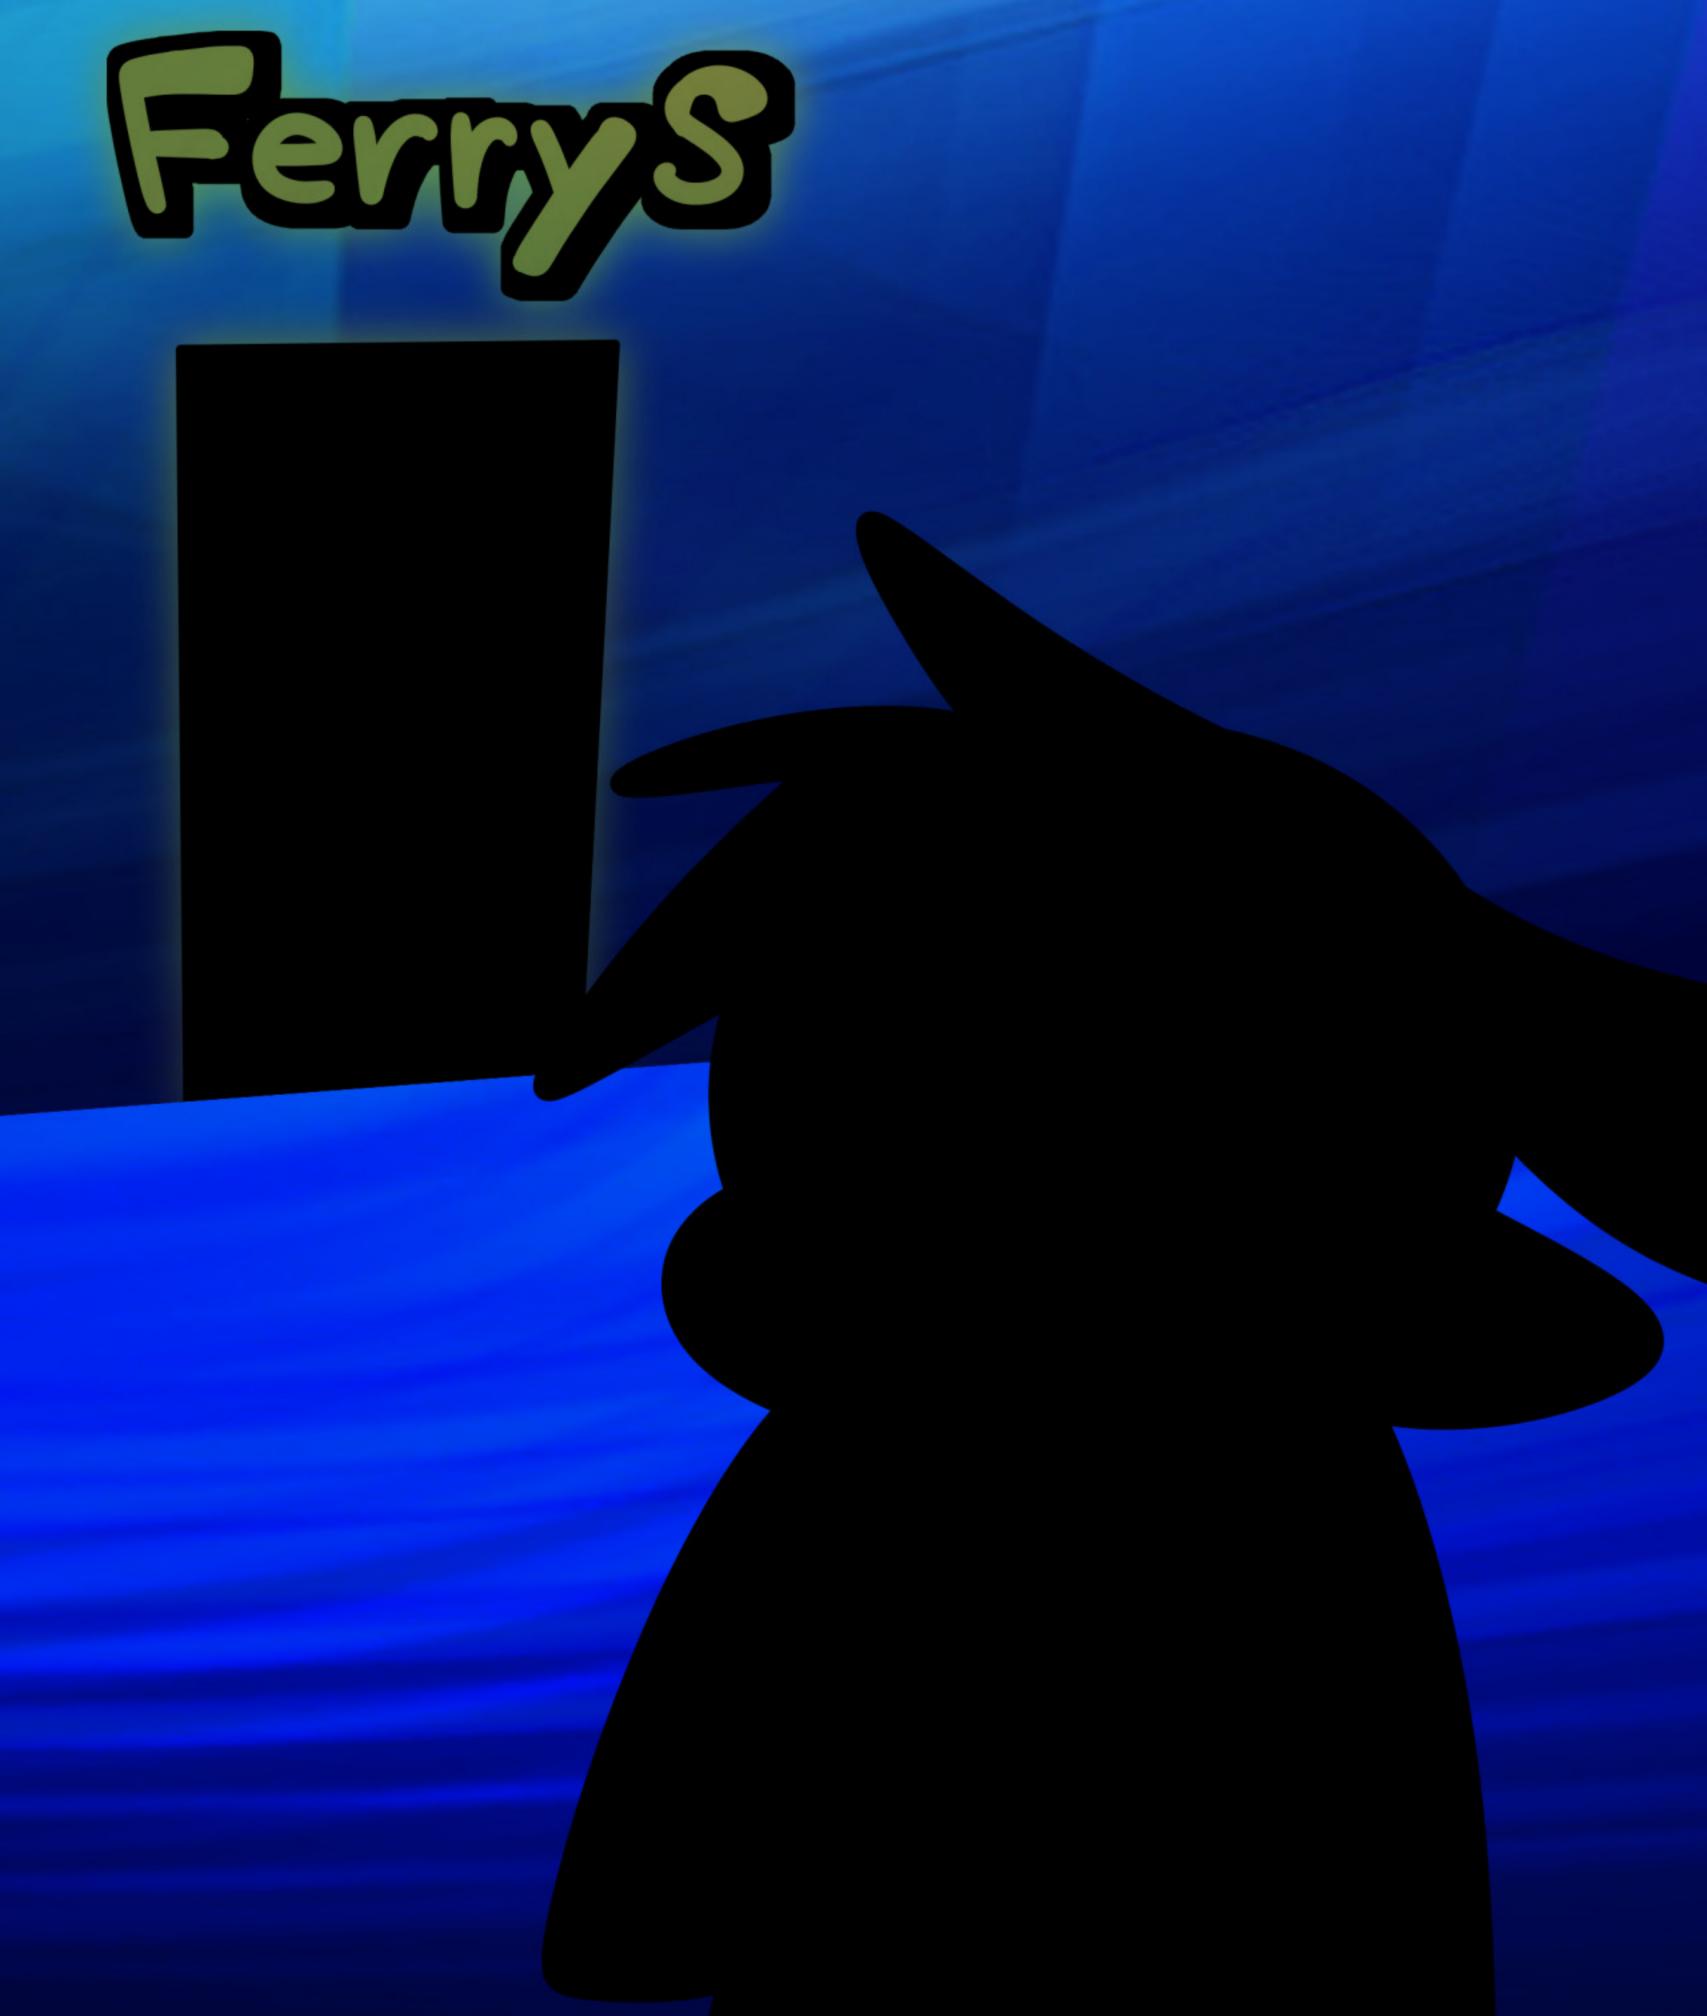

somewandomnoob asked:

...Sly...? ...Are you okay...?

maddiedoggiereal asked:

Sly? Are you thinking what I'm thinking?

sodaflavoredgummies asked:

hey sly why not go into the ferrys part of the museum?

radioxen asked:

hey Sly I'm real sorry you weren't able to see the Geopets exhibit. Maybe the Ferry exhibit will have something to cheer you up?

solarpawbs asked:

Sly, I know it hasn't really been your day so far, but I think it's worth checking out the ferrys section! Those at least are usually pretty tame and fun!

eeveeskittles asked:

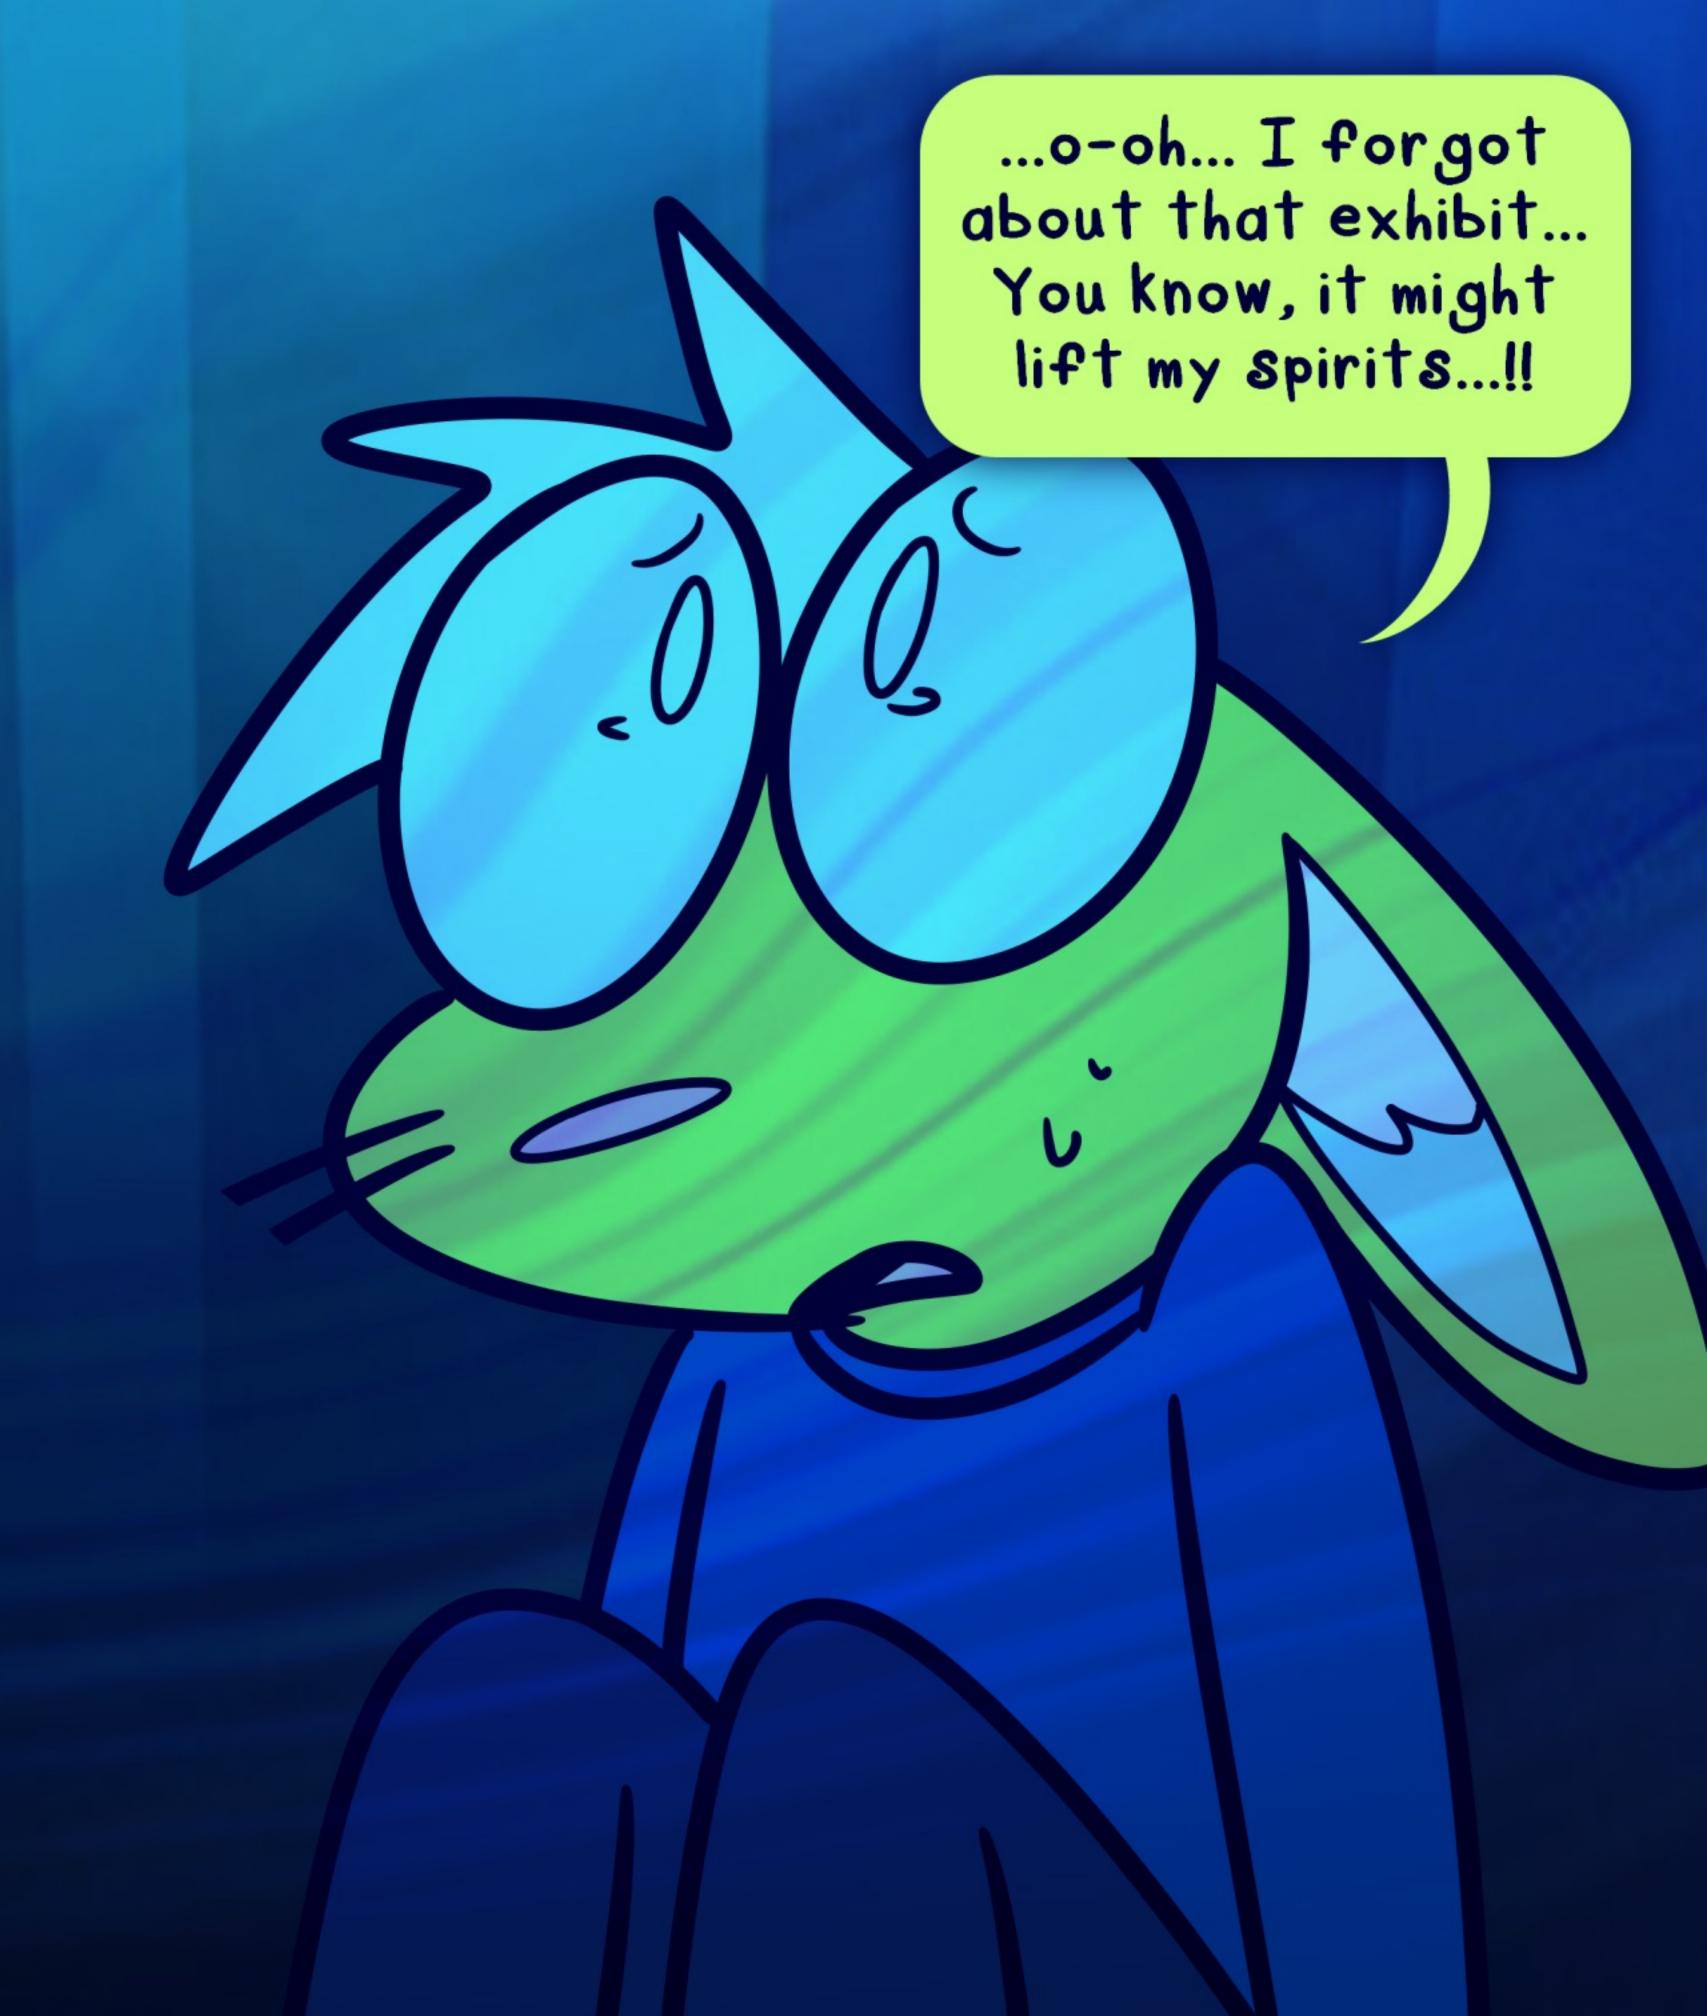

It's not too late to have a good time, Sly! Maybe the Ferry exhibit will be something to do instead?

sodafeline asked:

hey! maybe you could go into the ferrys exhibit. im sure that nothing bad will happen there, right?

just make up a lie. you'll be safe I'm sure

cosmosnaught asked:

as if being into crypto isnt cringe. push him over sly

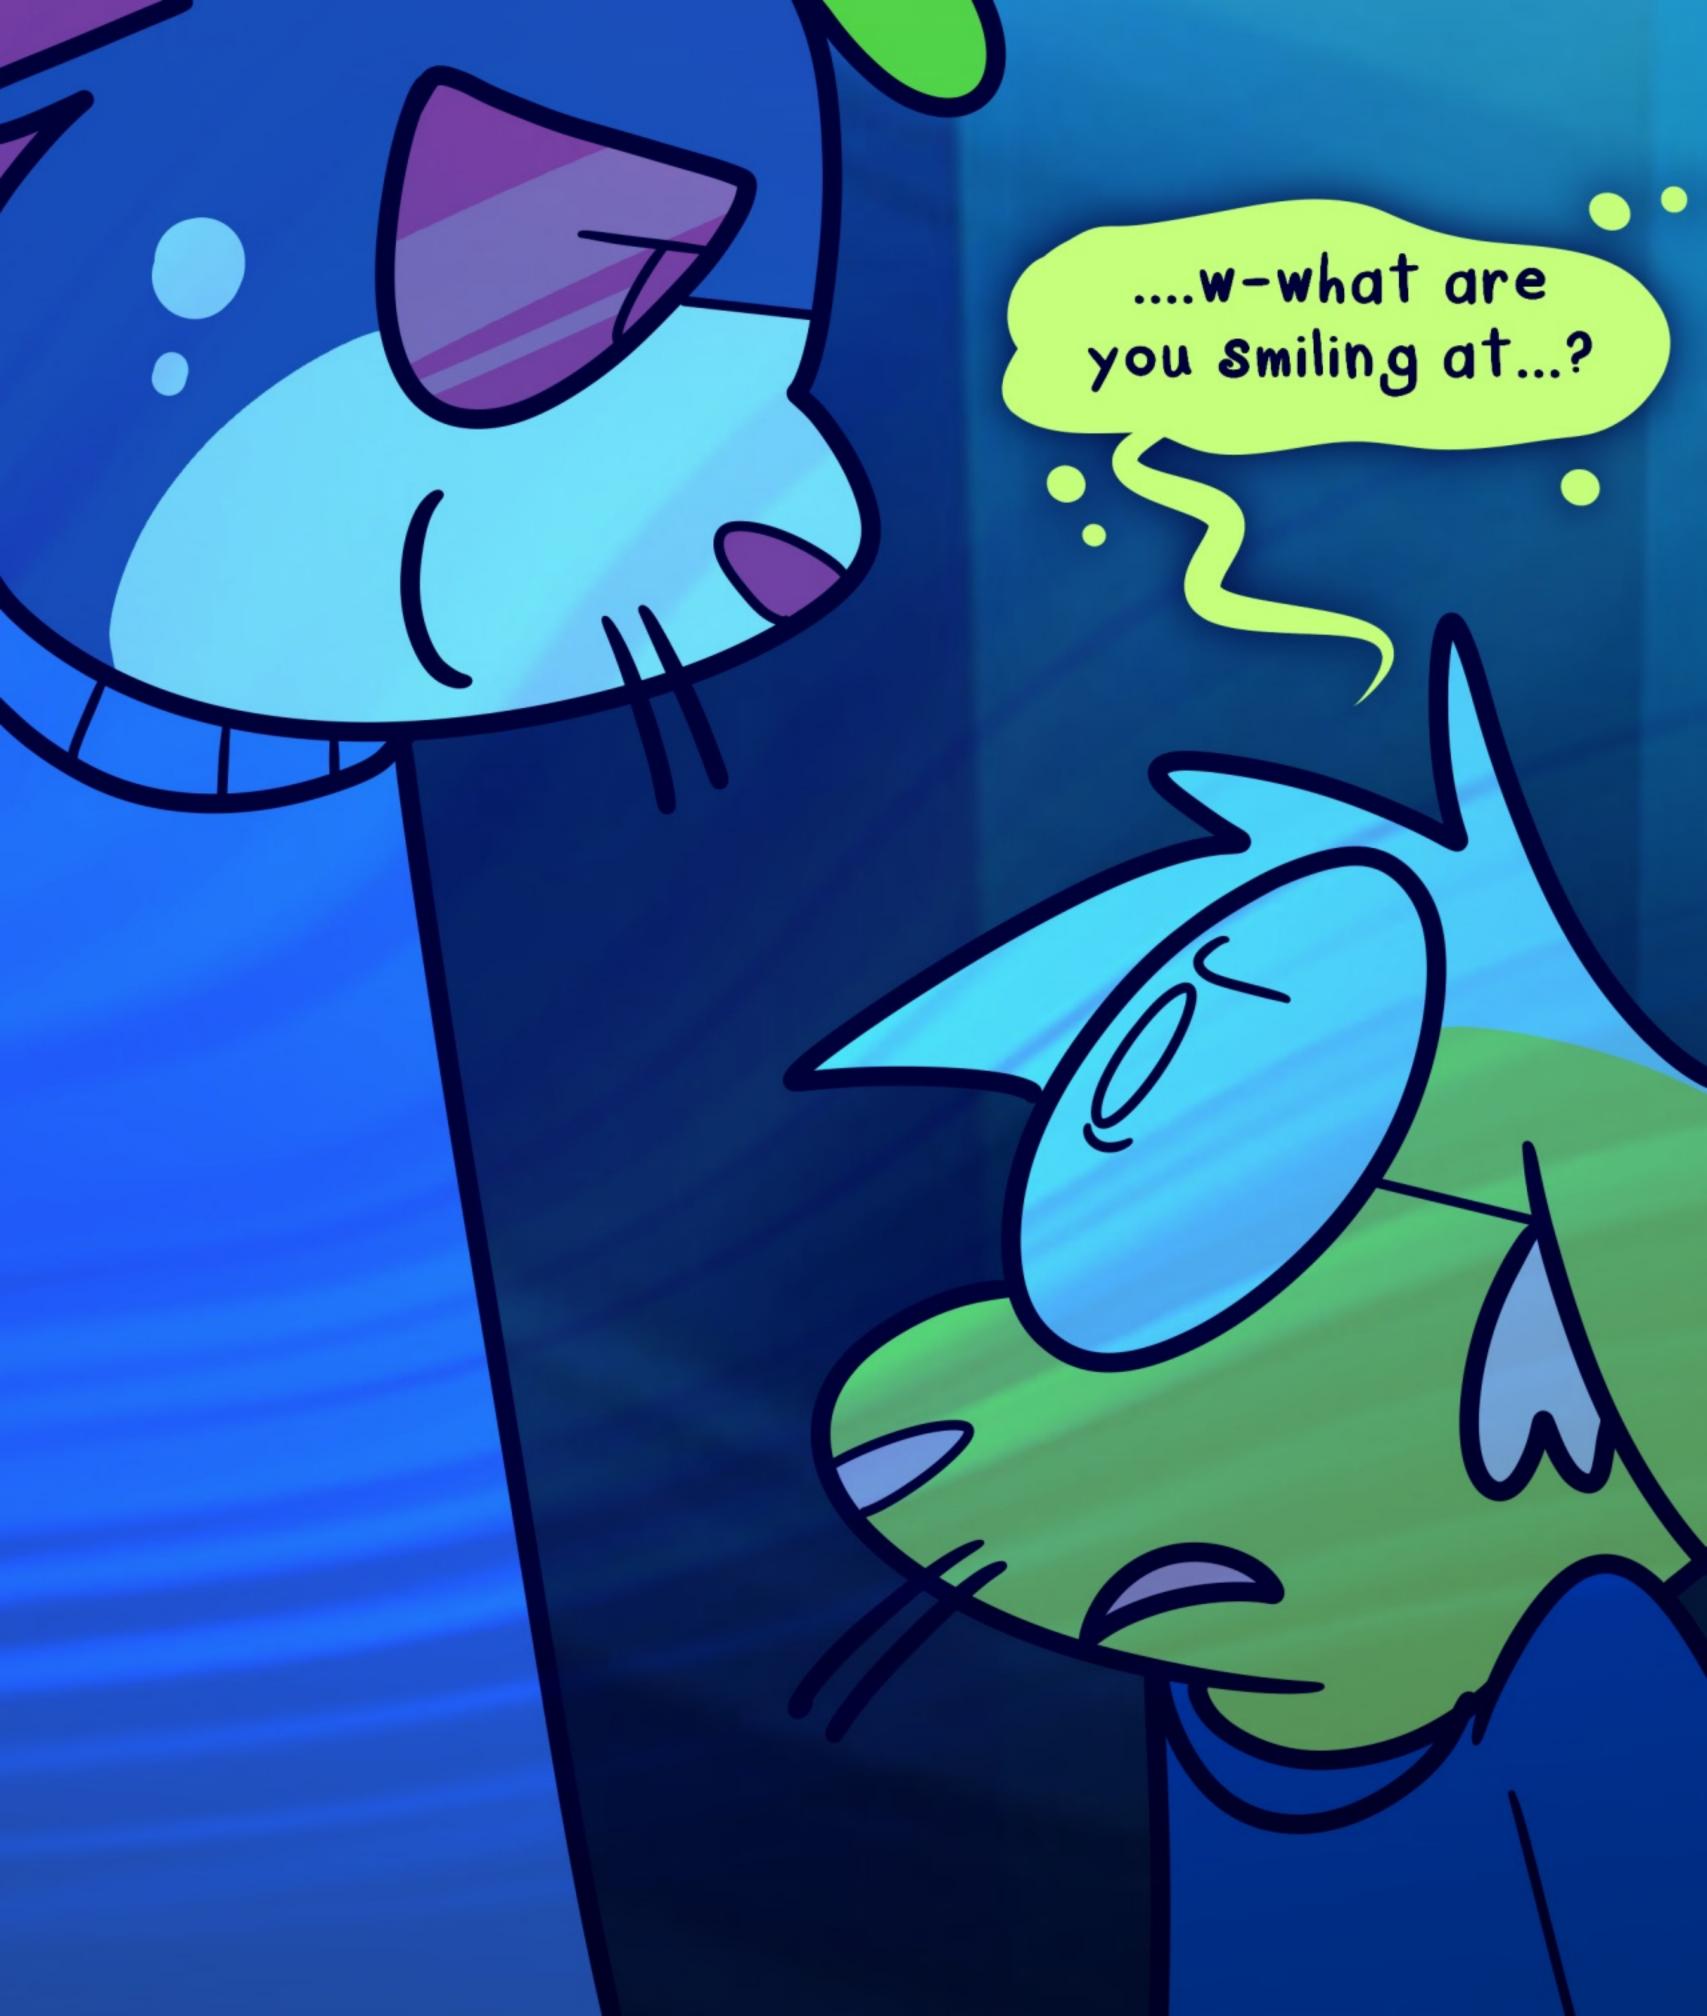

Some just do it for fun! To judge and assume things of an entire community based on the fact you think part of it is weird is unfair! I mean, you don't like people judging your interests, right? You don't want them to make generalized assumptions about you as a person, right?

autizta asked:

Wait actually what was LEVI doing by the door of the ferries exhibit

geencream asked:

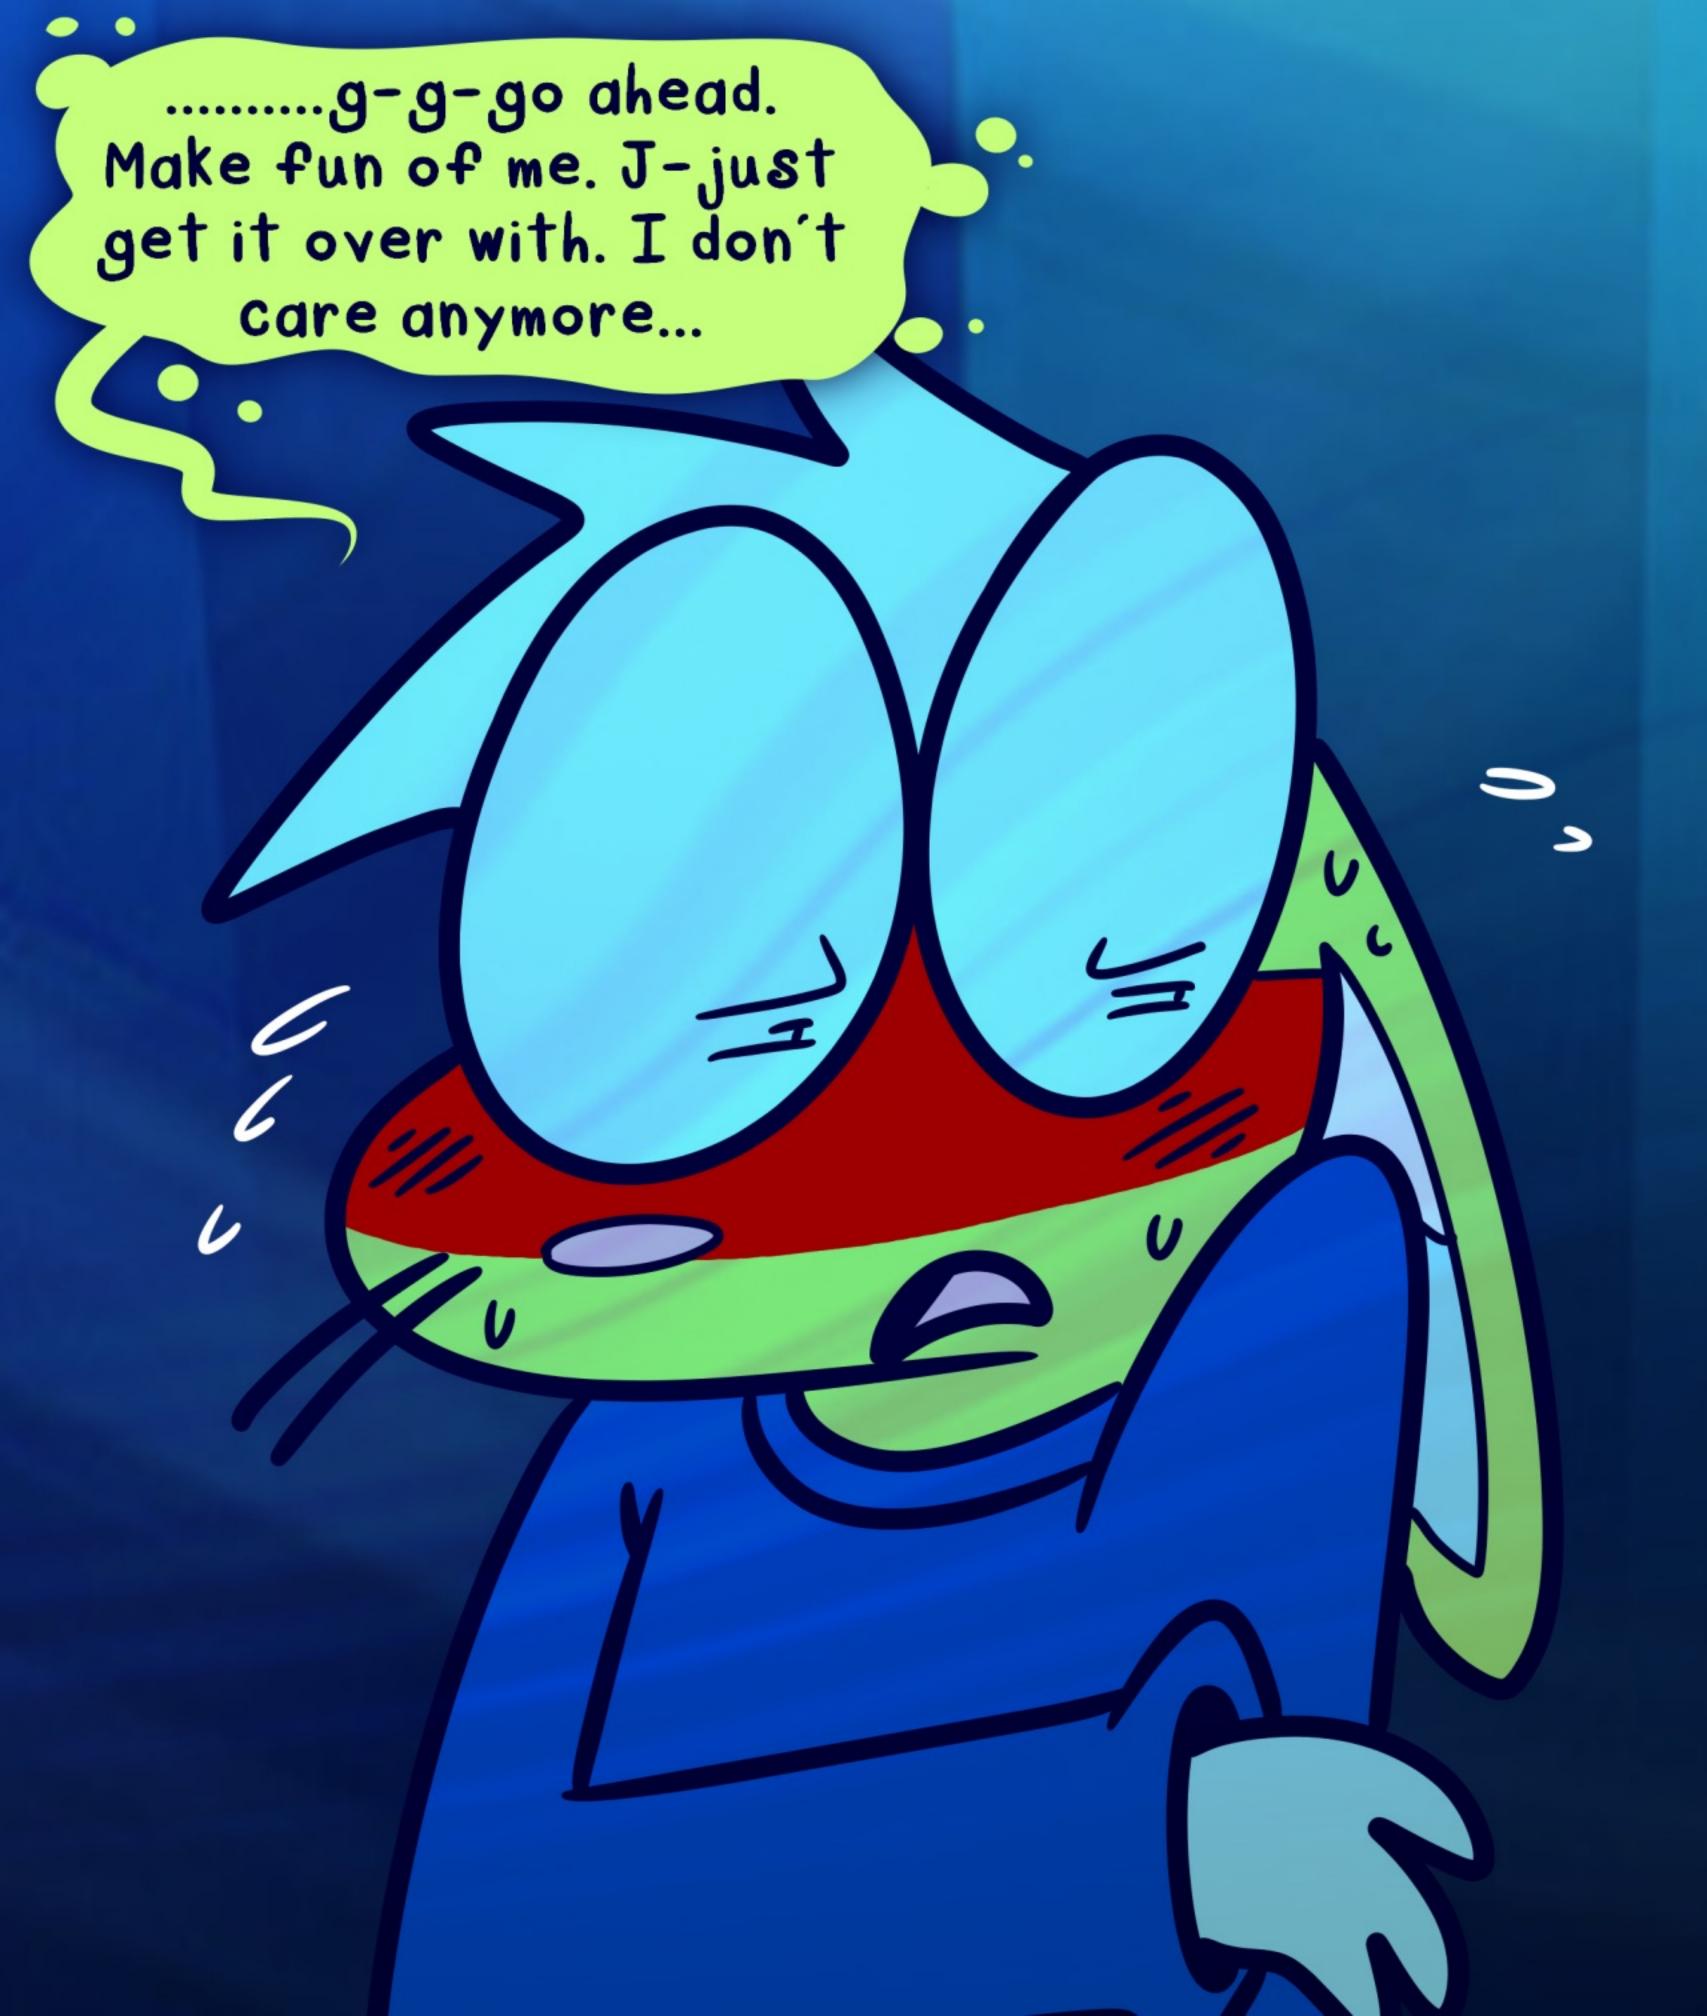

hey wait why was levi standing near the ferries part of the museum

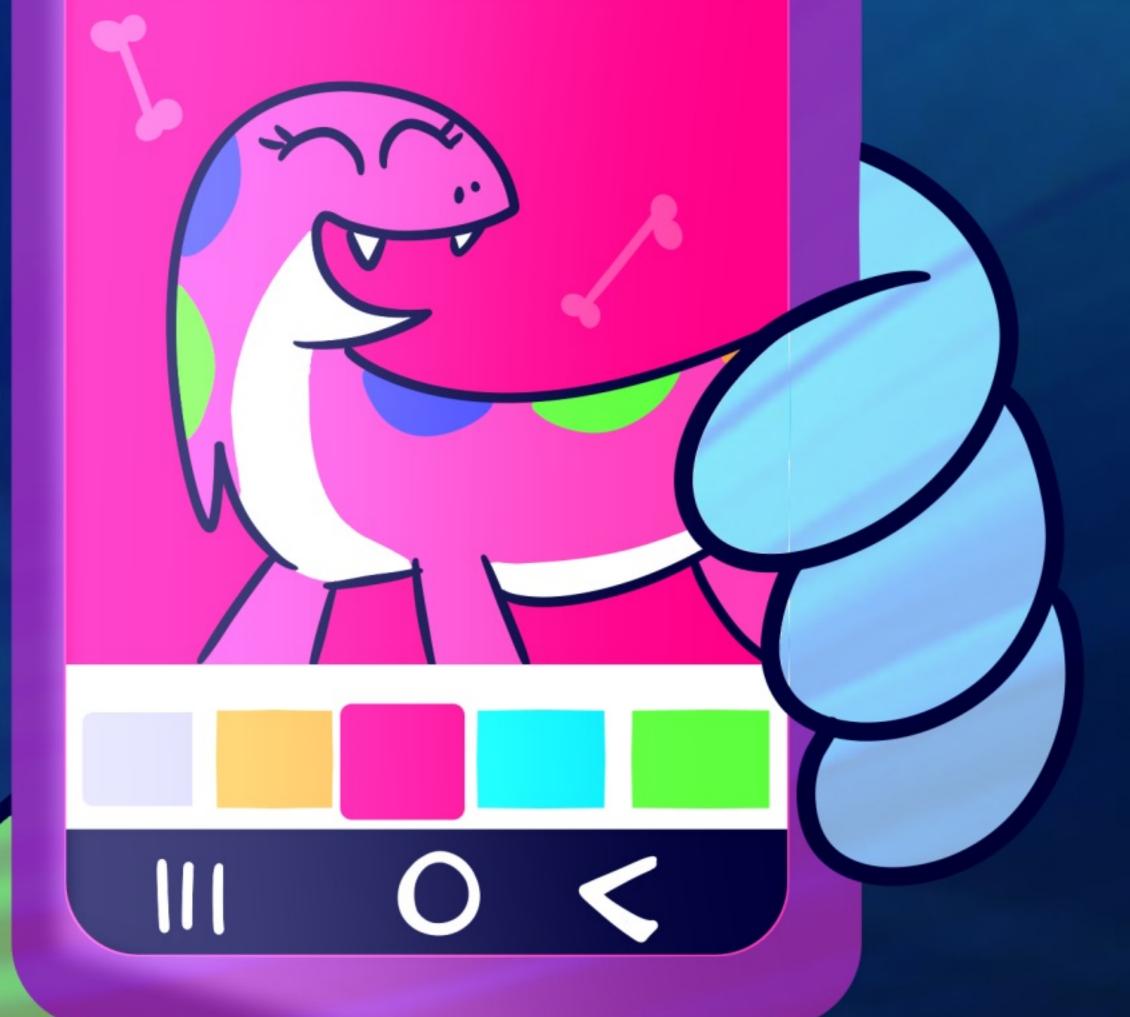

...w-what's that?

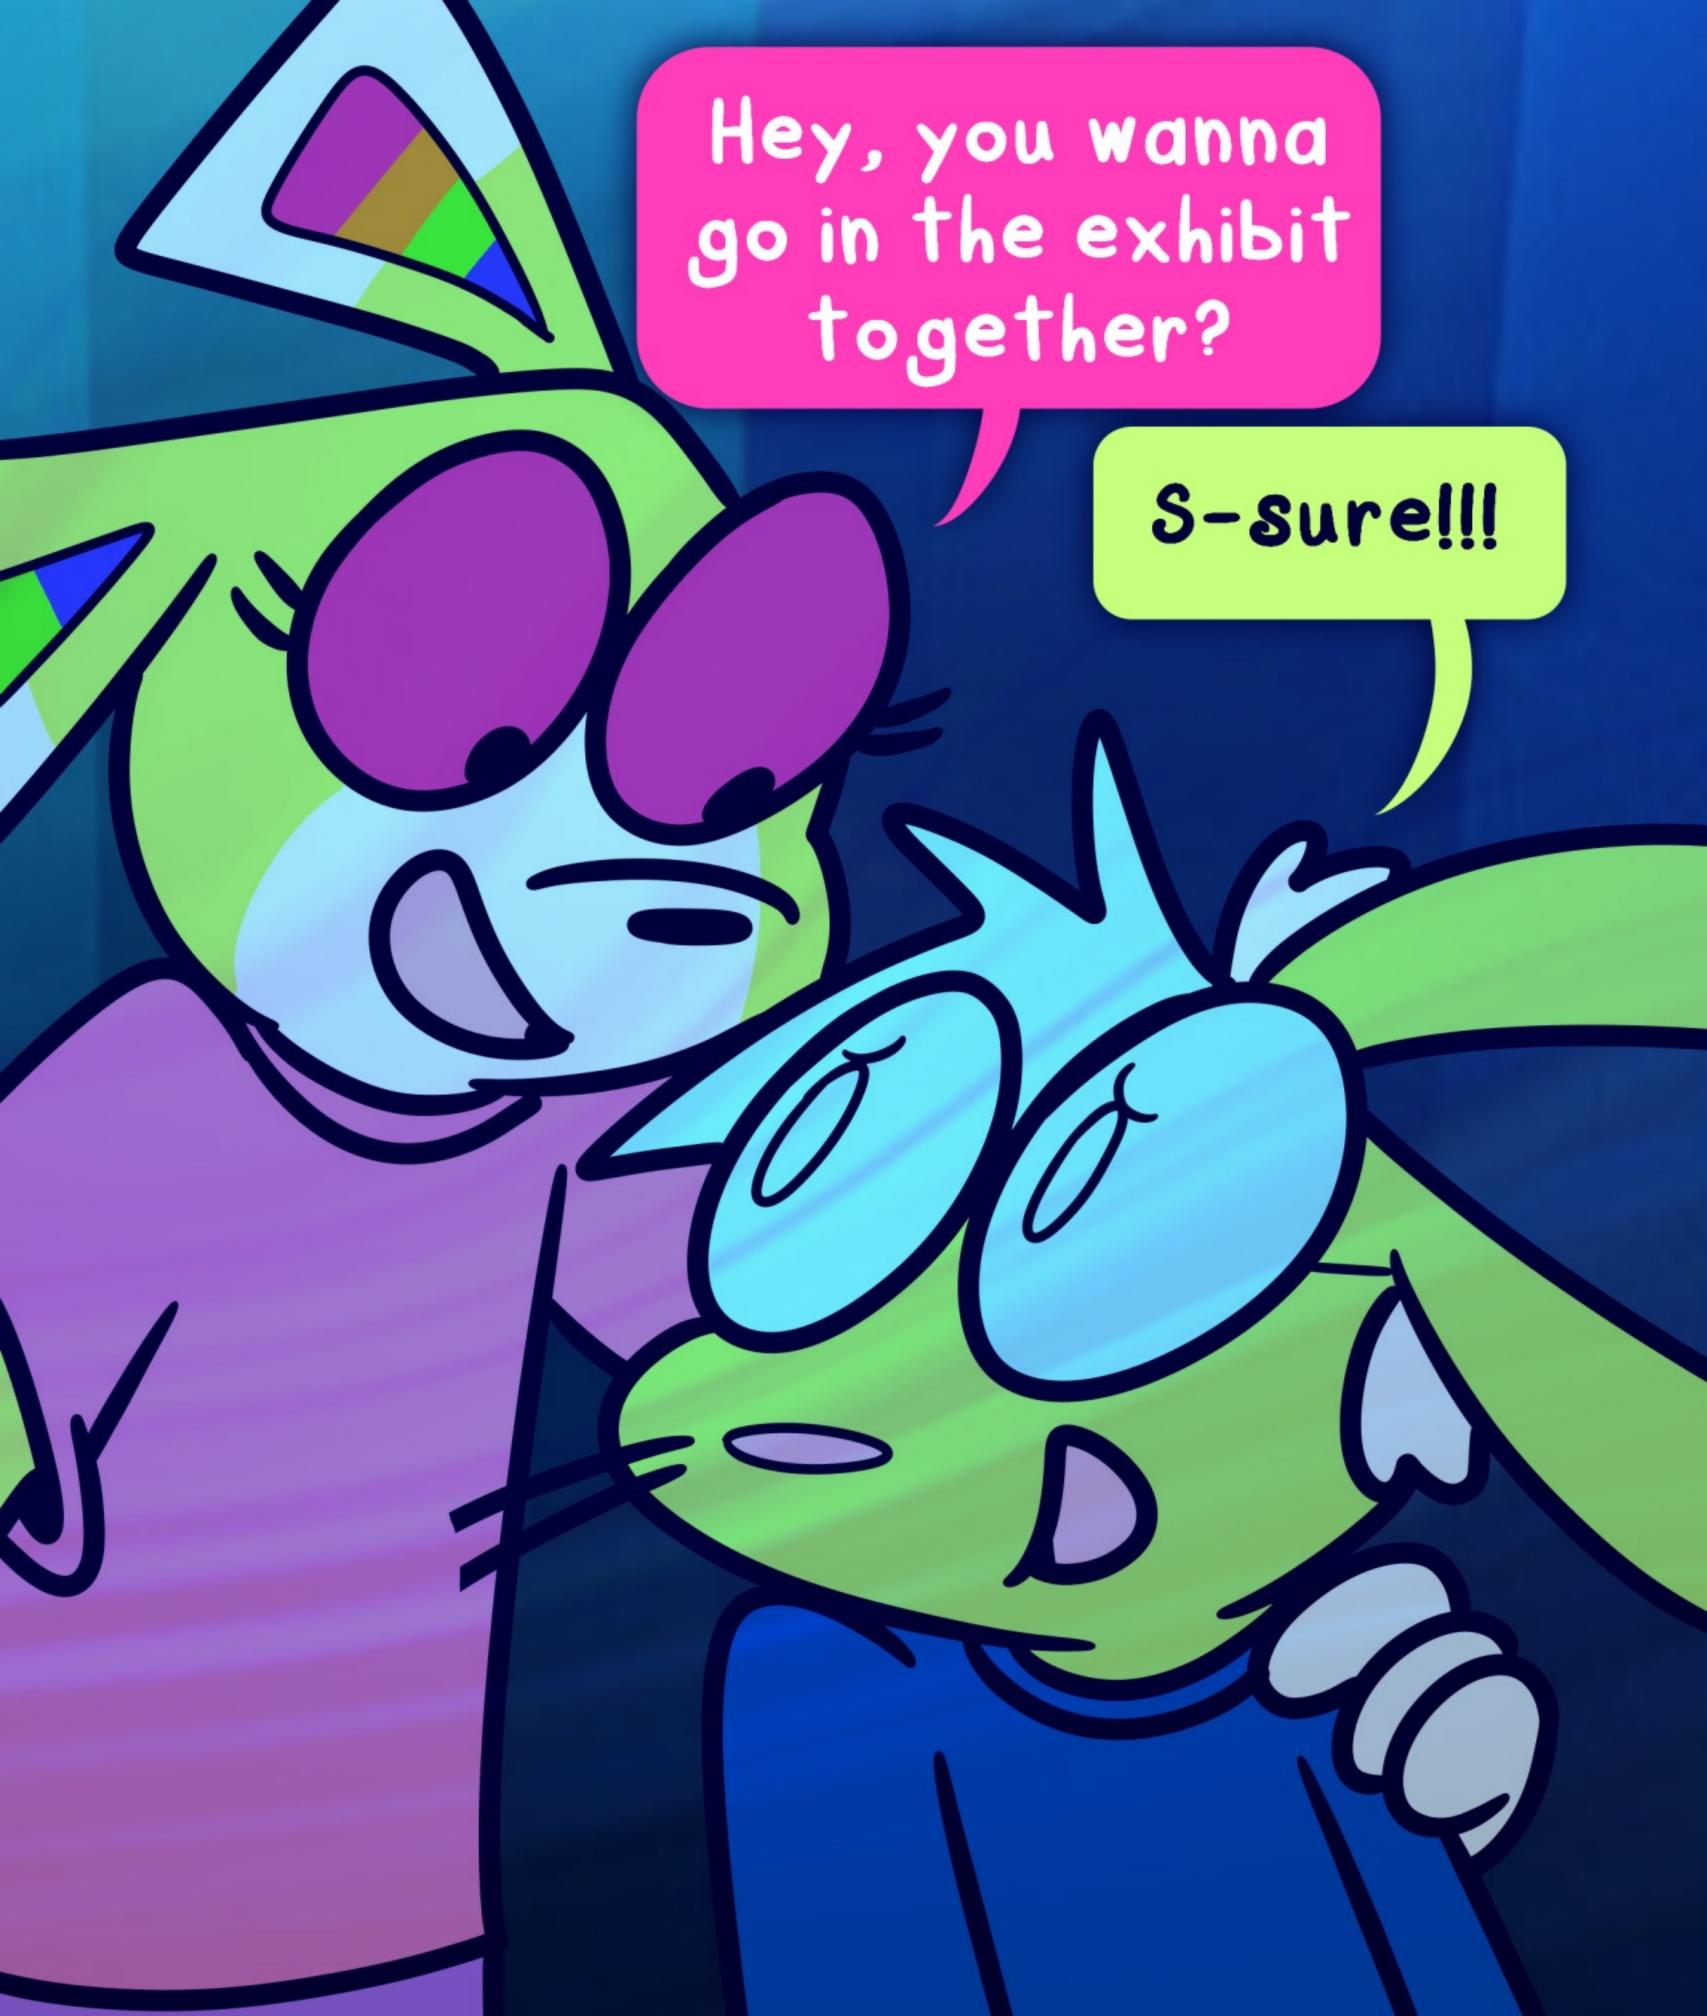

76760% D-1:04

It's my dinerry sona!

You know, people have been using ferries to represent themselves for thousands of years. Have you ever seen ancient antherry art?

Can you tell me about it?

Well, back in the earliest recorded antherry civilization--
